

- Is it vaccinated, and does it have a passport? (In the United Kingdom and Republic of Ireland, for instance, it is illegal to sell a horse without one.)
- Watch it being tacked up. How does it react to the bit being put in its mouth or the girth lightened? Does it stand still when it is being mounted?
- Ask to see it ridden, on the flat and over fences. In its home environment, expect it to go as well as it can.
- Ride it, first in an enclosed environment, then, if you like it, ask if you can take it for a short hack. This should give you a chance to see how it reacts to traffic.

Most importantly, ask yourself whether you like the horse, whether you feel confident around it, is it the sort you are looking for, and is it worth the money the seller is asking.

- ▲ Make sure you observe the horse being ridden.
- Don't forget to take a horse for a good trot and observe its behaviour before you move forward with your purchase.
