might seem like an idyllic English village but it's home to a dark history In 1976 a teenage girl named Annalise Wood disappeared and though her body was later discovered the culprit was never found Decades later Annalise maintains a perverse kind of celebrity and is still the focus of grief speculation and for one young woman a disturbing escalating jealousy When DNA linked to the Annalise murder unexpectedly surfaces cold case detective Morris Keene and his former partner Chloe Frohmann hope to finally bring closure to this traumatized community But the new evidence instead undoes the case's only certainty the buried body that had long ago been confidently identified as Annalise may be someone else entirely and instead of answers the investigators face only new puzzles Whose body was unearthed all those years ago and what happened to the real Annalise Is someone interfering with the investigation And is there a link to a present day drowning with eerie connections With piercing insight and shocking twists Emily Winslow explores the dark side of sensationalized crime in this haunting psychological thriller *Nick of the Woods* Robert Montgomery Bird, 1967 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com *My Mother/My Self* Nancy Friday, 1997-09-08 When Nancy Friday began her research for *My Mother My Self* in the early 1970s no work existed that explored the unique interaction between mother and daughter Today psychotherapists throughout the world acknowledge that if women are to be able to love without possessing to find work that fulfills them and to discover their full sexuality they must first acknowledge their identity as separate from their mother's Nancy Friday's book played a major role in that acceptance The greatest gift a good mother can give remains unquestioning love planted deep in the first year of life so deep and anassailable that the tiny child grown to womanhood is never held back by the fear of losing that love no matter what her own choice in love sexuality or work may be Through candid self disclosure and hundreds of interviews Friday investigates a generational legacy and reveals the conflicting feelings of anger hate and love the daughter's hold for their mothers and why they so often become that mother themselves **How to Write a Novel in 90 Days** Conrad Jones, 2013-10-21 This concise guide tells you how to write a novel by using a systematic approach to writing This guide is written by an author not a guru A simple step by step breakdown of how to plan each day No fillers and no theory just the hard facts in a concise guide There are many guides about writing novels on the market but how many of them are written by prolific published authors The answer is not many How can anyone write a guide unless they have been through the writing process many times before The simple answer to this question is they can't because they cannot feed on their own actual experiences to help another writer to avoid the mistakes and pitfalls Most guides regurgitate information which they have picked up from creative writing books or sites How can they give you advice when they have never sat down and focused on creating a novel which will sell many times over Writing a novel is the same as any other task we undertake as individuals We have to learn how to do it in order to do it well When you first learn to drive you need lessons No one walks into the kitchen and creates a gourmet dish on their first attempt If you want a system to apply to writing a book then you need to take advice from an author who has taken years to
