Living the Questions of the Bible Luke A. Powery,2023-05-16 Living the Questions of the Bible presents questioning as a viable and faithful Christian practice We may think the Bible is only about getting answers but the Bible is also a question book revealing how the life of faith is a quest with and for God By exploring various passages in the Bible this book attempts to invite readers into an interrogative spirituality one in which we learn that even God questions Faith seeks and keeps on seeking It may reach understanding or it may not Either way our questions are a way to live the Christian life honestly faithfully and doxologically **Mark Lane Express** ,1925 **As I Remember It** Howard Nelson,2001-07-18 This is a story of my life as I remember it beginning in the Summer Lake Valley in the year of 1916 Most families in the early 1900 s didn t have much and didn t expect much Even after my folks were able to buy the farm in Summer Lake Valley it was nip and tuck you might say to survive and to keep up the payments Even after I got married in 1944 our life wasn t easy Wages were low even after World War II I could have gone to college under the G I bill since I had been in the Navy but I was more interested in buying a farm and raising cattle and sheep Most ranchers were having to go see the banker every year to borrow operating money so farms were not really a very good investment Still I think that when we were able to buy our little ten acre farm it became the highlight of our family s life I enjoyed the fishing and deer hunting in Lake County and took good advantage of it while we were there That was all fun at the time but now that the retirement years are here it has to be okay I will always remember the days on the little farm and raising a family as being my best days **John Brown** William Edward Burghardt Du Bois,2007 This book presents the text of the 1909 biography of abolitionist John Brown written by African American intellectual and activist W E B Du Bois The book has been
