Fennell,Richard C. Fennell D. D. Th. D.,2003 Sudan Africa has been torn by war between Christians and Muslims for 30 years It is 1985 and Sudan now finds herself in the middle of a devastating famine Under these extremely harsh conditions Richard Fennell accepts assignment as Field Supervisor for Arkel Talab to build roads for food deliveries to the remote regions of Sudan Nothing in his life has prepared him for the catastrophic situation of the Sudanese people Famine and disease are claiming lives by the thousands Richard dedicates himself to help these people but is challenged at every turn There is total disorganization between the Sudanese government and the many relief organizations After the ten year drought floods during the rainy season plague him and the people of Sudan Still he and his crew push onward to aid and abet the starving masses Gradually he begins to uncover clues that lead him to believe there is another much more subversive agenda behind Arkel Talab's relief operation The evidence

becomes overwhelming as he faces the challenge of trying to stop them In a quest for adventure the author Richard Fennell takes a job halfway around the globe knowing only his destination Khartoum Sudan Finding himself alone in a strange land that is ravished by famine he dedicates himself to helping the starving people of Sudan But is the famine relief effort what it seems to be Or is it just another cover up subversive operation by a foreign government
