Modern Production Management Elwood Spencer Buffa,1961 *Modern Production Management* Elwood Spencer Buffa,1977 **Basic Production Management** Elwood S. Buffa,1975-01-01 **Management Principles and Practice** K. G. B. Bakewell,1977 Annotated bibliography on management lists bibliographies abstracting and indexing services periodicals dictionarys audiovisual aids textbooks and case studies etc and covers the fields of auditing occupational psychology business organization corporate planning the quantitative approach to management automation industrial engineering marketing and personnel management etc *Management Laureates* Arthur G. Bedeian,2018-04-17 First published in 1992 This volume compiles the autobiographies of the management discipline s most distinguished laureates Prior to this publication the available management literature provided little insight into the personal and intellectual lives the frustrations as well as the triumphs of the individuals in the management discipline Although such understanding could be conveyed in many forms perhaps the most intimate and fascinating of these for gaining behind the scenes insights is the autobiography Thus the autobiographies in this volume as in the five companion volumes offer the reader not only a glimpse of the subjective determinants and personal experiences of the management discipline s most distinguished laureates but also a deeper understanding of what management is and what it is becoming The various accounts reflect a diversity of approaches interests and experiences *Modern Production Operations Management Managing T He Operations Function* Elwood S. Buffa,1980 **Management and Administration in Manufacturing Industries** ,1925 **Library of Congress Catalogs** Library of Congress,1977 **Imaginative Management Control** Ronald Ogden,2018-04-17 Originally published in 1970 Drawing on his knowledge of business methods in Europe America and Asia Ronald Ogden examines the necessity for control in a business and the ways in which it should be exercised in order to obtain the most effective and profitable results He shows that control can be exercised through carefully planned objectives which must in their turn be broken down into clearly defined targets Realistic planning is discussed and the author considers the effective implementation of plans by means of various techniques such as budgeting costing staff control operational research and network planning The study will be of interest not only to managers but also to students of management concerned with modern business techniques and with the functions and responsibilities of management and control **Taylorism Transformed** Stephen P. Waring,2016-08-01 This intellectual history interprets recent American business management ideas as political theory describing their underlying assumptions about power and value According to Stephen Waring most business management theory descends from either Frederick Taylor s bureaucratic theory of scientific management or Elton Mayo s corporatist idea of human relations Waring discusses the subsequent evolution of several management theories and techniques including organization theory computer simulation management by objectives sensitivity training job enrichment and innovations usually attributed to the Japanese such as quality control circles
