No Intermissions The Life Of Agnes De Mille:

No Intermissions Carol Easton, 2000-07-01 The first comprehensive biography of the woman who changed the world of dance Pioneering a distinctive American style that combined elements of modern dance ballet with a traditional folk idiom Agnes de Mille popularized what had been an elitist art irrevocably changed the American musical theater with her dances for Oklahoma Carousel Brigadoon other smash Broadway musicals Two of her ballets Rodeo Fall River Legend are timeless classics Drawing on unpublished papers extensive interviews with friends colleagues relatives de Mille herself Easton takes us behind the scenes with Agnes Absorbing enjoyable thought provoking B W photos *Agnes de Mille* Kara Anne Gardner, 2016-07-13 This book explores the Broadway legacy of choreographer Agnes de Mille from the 1940s through the 1960s Six musicals are discussed in depth Oklahoma One Touch of Venus Bloomer Girl Carousel Brigadoon and Allegro Oklahoma Carousel and Brigadoon were de Mille's most influential and lucrative Broadway works The other three shows exemplify aspects of her legacy that have not been fully examined including the impact of her ideas on some of the composers with whom she worked her ability to incorporate a previously conceived work into the context of a Broadway show and her trailblazing foray into the role of choreographer director Each chapter emphasizes de Mille's unique contributions to the original productions Several themes emerge in looking closely at de Mille's Broadway repertoire Character development remained at the heart of her theatrical work She often took minor characters represented with minimal or no dialogue and fleshed out their stories These stories added a layer of meaning that resulted in more complex productions Sometimes de Mille's stories were different from the stories her collaborators wanted to tell which caused many conflicts Because her unique ideas often got woven into the fabric of her musicals de Mille saw her choreography as an authorship She felt she should be given the same rights as the librettist and the composer De Mille's work as an activist is an aspect of her legacy that has largely been overlooked She contributed to revisions in dance copyright law and was a founding member of the Stage Directors and Choreographers Society a theatrical union that protects the rights of directors and choreographers Her contention that choreographers are authors who have their own stories to tell offers a new way of understanding the Broadway musical

American Women's History Glenna Matthews, 2000-05-25 An encyclopedia of American women's history this comprehensive reference book features in depth articles on trends e.g birthrates suburban growth social movements civil rights feminism ideas and concepts domesticity consciousness raising institutions Children's Bureau women in Congress organizations Girl Scouts of America League of Women Voters events American Revolution issues abortion Equal Rights Amendment key legal cases Roe v Wade Muller v Oregon laws and constitutional amendments documents and publications Ramona Declaration of Sentiments ethnic and social groups African American women Latinas overviews women's health women in music and literature and biographies of notable American women This Companion is a perfect supplement to The Young Oxford History of Women in the United States Oxford's Student Companions to American History are state of

the art references for school and home specifically designed and written for ages 12 through adult Each book is a concise but comprehensive A to Z guide to a major historical period or theme in U S history with articles on key issues and prominent individuals The authors distinguished scholars well known in their areas of expertise ensure that the entries are accurate up to date and accessible Special features include an introductory section on how to use the book further reading lists cross references chronology and full index

The Girl who Fell Down Lisa Jo Sagolla, 2003 An overnight sensation for her 1943 comedic role as The Girl Who Falls Down in the groundbreaking musical Oklahoma McCracken established the prototype dancer comedienne headlining in ballet stage film and television productions before her life was tragically cut short by complications from diabetes Author Lisa Jo Sagolla draws on extensive interviews with McCracken s friends family and colleagues to paint a complex portrait of the petite blue eyed and sprightly entertainer as a woman exploiting her mesmerizing beauty and magnetism to succeed in the man s world of entertainment yet always retaining the persona of childlike pixie she portrayed on stage McCracken s comic exuberance and athleticism also epitomized a new ballet form that married the European ideas of aristocratic grace and movement with a uniquely American spirit and style From her beginnings in Philadelphia and New York to her meteoric rise to fame to her life long struggle with the little understood and devastating effects of diabetes *The Girl Who Fell Down* chronicles McCracken s spirited yet poignant life including her training at Balanchine s seminal School of American Ballet her blossoming as a ravishing talent with a crackerjack dance technique under Agnes de Mille her supremacy as a performer her marriages to novelist Jack Dunphy who left her for Truman Capote and Bob Fosse and her ultimate diagnosis with heart disease Touching and inspiring Sagolla s account describes McCracken s lasting influence through her nurturing of husband Fosse s provocative career her dramatic coaching of actress Shirley MacLaine and her inspiration for the many dancer comediennes that followed Gwen Verdon Carol Haney and Sandy Duncan to name a few Rich with the social and cultural history of a golden age in show business and teeming with colorful choreographers dancers and entertainers this comprehensive and carefully researched biography will introduce Joan McCracken to a new audience of dance enthusiasts

Round in Circles Barry Kester, 2024-10-15 *Round In Circles* The Story of Rodgers Hammerstein s *Carousel* is intended not only for those who share the author s love of the Golden Age Broadway musicals but also for students of the genre who want to learn about the trials and tribulations encountered in producing a musical at that time when Rodgers and Hammerstein were transforming such shows into the unique American art form we continue to enjoy today The book covers the history of *Carousel* from its beginning as *Liliom* a 1909 play by Hungarian author Ferenc Molnar to its latest 2021 London revival At first Rodgers and Hammerstein dismissed the idea of turning *Liliom* into a musical How they were persuaded to change their minds and the struggles the duo experienced in adapting the dark fantastical play is a key part of the story told by author Barry Kester But the book also shines the spotlight onto Rodgers and Hammerstein themselves looking at their lives their working methods and their relationship which was not always as

harmonious as one might have thought Although Carousel was created by Rodgers and Hammerstein it would not have happened without the help of some extraordinary people both backstage and onstage and the book pays due tribute to them all Many of Carousel s songs have become well loved standards none more so than You ll Never Walk Alone and not just because of its association with football A chapter is devoted to this remarkable anthem Carousel s story did not end with its 1945 Broadway opening After an initial London run and a nationwide tour in the States there was a film version The author relates the many problems that were encountered on that production The book examines what many would agree to be the finest production of Carousel to date staged at the National Theatre in 1992 directed by Nicholas Hytner and concludes with a look at some of the more recent revivals and the show s place in the musical theatre canon today Barry Kester lives in Pinner and has loved musical theatre all his life After retirement in 2010 he set out to write a detailed history of his favourite musical Round in Circles The Story of Rodgers Hammerstein s Carousel is his first book

Lion of Hollywood Scott Eyman, 2008-06-23 Lion of Hollywood is the definitive biography of Louis B Mayer the chief of Metro Goldwyn Mayer MGM the biggest and most successful film studio of Hollywood s Golden Age An immigrant from tsarist Russia Mayer began in the film business as an exhibitor but soon migrated to where the action and the power were Hollywood Through sheer force of energy and foresight he turned his own modest studio into MGM where he became the most powerful man in Hollywood bending the film business to his will He made great films including the fabulous MGM musicals and he made great stars Garbo Gable Garland and dozens of others Through the enormously successful Andy Hardy series Mayer purveyed family values to America At the same time he used his influence to place a federal judge on the bench pay off local officials cover up his stars indiscretions and on occasion arrange marriages for gay stars Mayer rose from his impoverished childhood to become at one time the highest paid executive in America Despite his power and money Mayer suffered some significant losses He had two daughters Irene who married David O Selznick and Edie who married producer William Goetz He would eventually fall out with Edie and divorce his wife Margaret ending his life alienated from most of his family His chief assistant Irving Thalberg was his closest business partner but they quarreled frequently and Thalberg s early death left Mayer without his most trusted associate As Mayer grew older his politics became increasingly reactionary and he found himself politically isolated within Hollywood s small conservative community Lion of Hollywood is a three dimensional biography of a figure often caricatured and vilified as the paragon of the studio system Mayer could be arrogant and tyrannical but under his leadership MGM made such unforgettable films as The Big Parade Ninotchka The Wizard of Oz Meet Me in St Louis and An American in Paris Film historian Scott Eyman interviewed more than 150 people and researched some previously unavailable archives to write this major new biography of a man who defined an industry and an era

Brigadoon, Braveheart and the Scots Colin McArthur, 2003-09-26 The films Brigadoon and Braveheart have an enormous resonance both for Scots throughout the world and the wide audience of non Scots for whom such films provide general impressions of Scottishness

This provocative book discusses the films representations of Scotland and the Scots looking at that cluster of images and stories whereby Scotland is mis recognized and yet often comes to be known Colin McArthur explores Brigadoon and documents the contempt the film has elicited particularly from the Scots intelligentsia He succumbs to Brigadoon s charm but finds no such mitigating features in Braveheart Tracing the film s appropriation by political touristic and sporting figures he argues that far from being about Scottish history it is primarily about Hollywood and its cinematic traditions He looks at the way film distorts history and examines Braveheart s sinister appeal to the proto fascist psyche Practicing Public Diplomacy Yale Richmond,2008-02-01 There is much discussion these days about public diplomacy communicating directly with the people of other countries rather than through their diplomats but little information about what it actually entails This book does exactly that by detailing the doings of a US Foreign Service cultural officer in five hot spots of the Cold War Germany Laos Poland Austria and the Soviet Union as well as service in Washington DC with the State Department the Helsinki Commission of the US Congress and the National Endowment for Democracy Part history part memoir it takes readers into the trenches of the Cold War and demonstrates what public diplomacy can do It also provides examples of what could be done today in countries where anti Americanism runs high *Dear Los Angeles* David Kipen,2019-12-10 A rich mosaic of diary entries and letters from Marilyn Monroe Cesar Chavez Susan Sontag Albert Einstein and many more this is the story of Los Angeles as told by locals transplants and some just passing through Los Angeles is refracted in all its irreducible unexplainable glory Los Angeles Times The City of Angels has played a distinct role in the hearts minds and imaginations of millions of people who see it as the ultimate symbol of the American Dream David Kipen a cultural historian and avid scholar of Los Angeles has scoured libraries archives and private estates to assemble a kaleidoscopic view of a truly unique city From the Spanish missionary expeditions in the early 1500s to the Golden Age of Hollywood to the strange new world of social media this collection is a slice of life in L A through the years The pieces are arranged by date January 1st to December 31st featuring selections from different decades and centuries What emerges is a vivid tapestry of insights personal discoveries and wry observations that together distill the essence of the city As sprawling and magical as the city itself *Dear Los Angeles* is a fascinating must have collection for everyone in from or touched by Southern California With excerpts from the writing of Ray Bradbury Edgar Rice Burroughs Octavia E Butler Italo Calvino Winston Churchill No 1 Coward Simone De Beauvoir James Dean T S Eliot William Faulkner Lawrence Ferlinghetti Richard Feynman F Scott Fitzgerald Allen Ginsberg Dashiell Hammett Charlton Heston Zora Neale Hurston Christopher Isherwood John Lennon H L Mencken Ana s Nin Sylvia Plath Ronald Reagan Joan Rivers James Thurber Dalton Trumbo Evelyn Waugh Tennessee Williams P G Wodehouse and many more Advance praise for *Dear Los Angeles* This book s a brilliant constellation spread out over a few centuries and five thousand square miles Each tiny entry pins the reality of the great unreal city of Angels to a moment in human time moments enthralled appalled jubilant suffering gossiping or bragging and it turns out there s no better way to

paint a picture of the place Jonathan Lethem A scintillating collection of letters and diary entries an engrossing trove of colorful witty insights Publishers Weekly starred review *Musical Theatre Choreography* Linda Sabo, 2020-08-18 Musical theatre choreography has indisputably evolved over the years and choreographers develop methods of working and philosophical approaches that should be documented but rarely are Textual information is limited and what has been written is generally more practical than theoretical and is minimal compared to those books written for choreographers of modern and contemporary dance By pointing out the similarities and dissimilarities between concert dance genres and theatre dance and by identifying the specialized demands of crafting artistic and script serving theatre dance and staging this text differentiates musical theatre choreography as a separate and bona fide art form and suggests that 1 universities recognize it as such by offering training possibilities for future musical theatre choreographers and 2 established choreographers of musicals begin to write down their own artistic processes to help fill the choreographic toolbox for young choreographers wanting to work in this field In 1943 a light switch was flipped with the musical Oklahoma when Rodgers and Hammerstein's mission to keep the book absolutely central to the making of a musical was established After that other musical theatre artists followed suit causing standards to change Now no other artistic element in a musical makes a move without first ensuring that it serves the script By creating original material that is integral to the telling of a story composers and lyricists came to be thought of as dramatists Likewise Oklahoma choreographer Agnes de Mille seamlessly integrated her dances and staging into the action and created character and situation specific movement that actually helped forward the plot Because of her groundbreaking advances choreographers are now also expected to create dances that serve the script and help to tell the playwright's story The choreographer like the librettist composer and lyricist is now positioned as dramatist as well In Part 1 the choreographer as dramatist is stressed as the author uses each chapter to reflect upon ways she analyzes librettos and scores to determine the function of each song in a musical and the stories that should be told through dances and staging created for each song Drawing from her own experiences as a musical theatre director choreographer she reflects upon and shares her artistic process not in a linear way but anecdotally to illustrate the kind of thinking that will lead her to effectively tackle the job at hand At the end of each chapter assignments are suggested that may be useful to aspiring choreographers and directors of musicals This text is a valuable resource for teachers designing a course in theatre choreography on either the undergraduate or graduate level as well as for professional directors and choreographers who want to think more deeply about their own work Students of choreography will be asked to reflect upon and to work with techniques that are sometimes similar to but also often oppositional to those learned in modern dance choreography courses Part Two offers an overview of the scope of literature and representative articles that have been published on both topics modern dance composition and musical theatre choreography as it concisely traces the history of modern dance choreographic pedagogy aligning it with concurrent trends happening within the American musical theatre since the mid

19th century **Dance on the American Musical Theatre Stage** Ray Miller, 2023-05-17 Dance on the American Musical Theatre Stage A History chronicles the development of dance with an emphasis on musicals and the Broadway stage in the United States from its colonial beginnings to performances of the present day This book explores the fascinating tug and pull between the European classical folk and social dance imports and America s indigenous dance forms as they met and collided on the popular musical theatre stage This historical background influenced a specific musical theatre movement vocabulary and a unique choreographic approach that is recognizable today as Broadway style dancing Throughout the book a cultural context is woven into the history to reveal how the competing values within American culture and its attempts as a nation to define and redefine itself played out through developments in dance on the musical theatre stage This book is central to the conversation on how dance influences and reflects society and will be of interest to students and scholars of Musical Theatre Theatre Studies Dance and Cultural History *The Dancer Within* Rose Eichenbaum, 2013-12-01 The Dancer Within is a collection of photographic portraits and short essays based on confessional interviews with forty dancers and entertainers many of them world famous Well known on the concert stage on Broadway in Hollywood musicals and on television the personalities featured in this book speak with extraordinary candor about all stages of the dancer s life from their first dance class to their signature performances and their days of reflection on the artist s life The Dancer Within reveals how these artists triumphed but also how they overcame adversity including self doubt injuries and aging Most of all this book is about the courage commitment love and passion of these performers in their quest for artistic excellence The reader will quickly realize that the dancer within is a metaphor of the human spirit **Race, Sexuality, and Gender and the Musical Screen Adaptation** Dominic Broomfield-McHugh, 2023 The second of three volumes Race Sexuality and Gender and the Musical Screen Adaptation An Oxford Handbook traces how the genre of the stage to screen musical has evolved focusing in particular of issues of race gender and sexuality Enduringly popular adaptations such as Kiss Me Kate and Pal Joey are considered through the lens of identity while several chapters consider how different adaptations of the same stage musical reflect shifting historical contexts Together the chapters incite lively debates about the process of adapting Broadway for the big screen and provide models for future studies Stars, Studios, and the Musical Theatre Screen Adaptation Dominic Broomfield-McHugh, 2023 The final of three volumes Stars Studios and the Musical Theatre Screen Adaptation An Oxford Handbook traces how stardom and technology has affected the evolution of the genre of the stage to screen musical Many chapters examine specific screen adaptations in depth with case studies on the screen versions of Broadway favorites Carousel and Brigadoon while others deal with broad issues such as how music rights affected how studios approached screen adaptations Together the chapters incite lively debates about the process of adapting Broadway for the big screen and provide models for future studies **The Politics of the Musical Theatre Screen Adaptation** Dominic Broomfield-McHugh, 2023 The first of three volumes The Politics of the Musical Theatre Screen Adaptation An Oxford

Handbook traces how the genre of the stage to screen musical has evolved starting with early screen adaptations such as the Fred Astaire Ginger Rogers movie *Roberta* and working through to *Into the Woods* 2014 Many chapters examine specific screen adaptations in depth while others deal with broad issues such as realism or the politics of the adaptation in works such as *Li'l Abner* and *Finian's Rainbow* Together the chapters incite lively debates about the process of adapting Broadway for the big screen and provide models for future studies

The ^AOxford Companion to the American Musical Thomas S. Hischak, 2008-06-02 Here is an engaging and authoritative reference to this highly popular genre the only such book to cover stage film and television musicals in one volume With more than two thousand entries this book offers a wealth of information on musicals performers composers lyricists producers choreographers and much more Many musicals written specifically for television are included and many entries follow a work as it moves across genres from stage to film to television The Companion also includes cross references a comprehensive listing of recommended recordings and a useful chronological listing of all the musicals described in the book

Shirley Booth David C. Tucker, 2015-03-26 An Oscar winning Best Actress for her tour de force role in *Come Back Little Sheba* Shirley Booth would ultimately win every major acting award that could be bestowed on an actress Awarded three Tony Awards two Emmys and a Golden Globe Booth was described by the judges at the Cannes Film Festival as The World's Best Actress Yet today fans know her best as the warm hearted busybody maid of television's *Hazel* This the first biography of the beloved star provides complete coverage of a career that encompassed theater film radio and television and co stars such as Humphrey Bogart and Katharine Hepburn It begins with Shirley's childhood in Brooklyn and her rebellious decision to become an actress against the wishes of her strict father Included is complete coverage of her tumultuous marriage to radio comedian Ed Gardner of *Duffy's Tavern* fame and a second happier union that ended abruptly with her husband's death of a heart attack Readers of this exhaustively researched biography will come to know a versatile and gifted star whose career spanned almost 60 years Appendices provide extensive details of her Broadway film radio and television episode by episode credits

Frontier Figures Beth E. Levy, 2012-04-18 *Frontier Figures* is a tour de force exploration of how the American West both as physical space and inspiration animated American music Examining the work of such composers as Aaron Copland Roy Harris Virgil Thomson Charles Wakefield Cadman and Arthur Farwell Beth E. Levy addresses questions of regionalism race and representation as well as changing relationships to the natural world to highlight the intersections between classical music and the diverse worlds of Indians pioneers and cowboys Levy draws from an array of genres to show how different brands of western Americana were absorbed into American culture by way of sheet music radio lecture recitals the concert hall and film *Frontier Figures* is a comprehensive illumination of what the West meant and still means to composers living and writing long after the close of the frontier

The Oxford Handbook of the Hollywood Musical Dominic McHugh, 2022 In *The Oxford Handbook of the Hollywood Musical* leading scholars examine the history of a defining film genre from its very roots to the present analyzing

its tropes and problems over the past 8 decades of film history **Somewhere** Amanda Vaill, 2008-05-06 From the author of the acclaimed *Everybody Was So Young* the definitive and major biography of the great choreographer and Broadway legend Jerome Robbins To some Jerome Robbins was a demanding perfectionist a driven taskmaster a theatrical visionary to others he was a loyal friend a supportive mentor a generous and entertaining companion and colleague Born Jerome Rabinowitz in New York City in 1918 Jerome Robbins repudiated his Jewish roots along with his name only to reclaim them with his triumphant staging of *Fiddler on the Roof* A self proclaimed homosexual he had romances or relationships with both men and women some famous like Montgomery Clift and Natalie Wood some less so A resolutely unpolitical man he was forced to testify before Congress at the height of anti Communist hysteria A consummate entertainer he could be paralyzed by shyness nearly infallible professionally he was conflicted vulnerable and torn by self doubt Guarded and adamantly private he was an inveterate and painfully honest journal writer who confided his innermost thoughts and aspirations to a remarkable series of diaries and memoirs With ballets like *Dances at a Gathering* *Afternoon of a Faun* and *The Concert* he humanized neoclassical dance with musicals like *On the Town* *Gypsy* and *West Side Story* he changed the face of theater in America In the pages of this definitive biography Amanda Vaill takes full measure of the complicated contradictory genius who was Jerome Robbins She re creates his childhood as the only son of Russian Jewish immigrants his apprenticeship as a dancer and Broadway chorus gypsy his explosion into prominence at the age of twenty five with the ballet *Fancy Free* and its Broadway incarnation *On the Town* and his years of creative dominance in both theater and dance She brings to life his colleagues and friends from Leonard Bernstein and George Balanchine to Robert Wilson and Robert Graves and his loves and lovers And she tells the full story behind some of Robbins s most difficult episodes such as his testimony before the House Un American Activities Committee and his firing from the film version of *West Side Story* Drawing on thousands of pages of documents from Robbins s personal and professional papers to which she was granted unfettered access as well as on other archives and hundreds of interviews *Somewhere* is a riveting narrative of a life lived onstage offstage and backstage It is also an accomplished work of criticism and social history that chronicles one man s phenomenal career and places it squarely in the cultural ferment of a time when New York City was truly a helluva town
