Feminism, Dramaturgy, and the Contemporary British History Play Rebecca Benzie,2024-08-22 When we think of the contemporary British history play why might we automatically think of playwrights such as David Hare Howard Brenton Peter Gill and Edward Bond Because for decades the writing of the history play has been the preserve of the white male This book provides a vital feminist intervention into the dramaturgy of history plays investigating work produced at major British theatres from 2000 to the present written by a generation of innovative women playwrights This much needed study explores the use of history specifically Elizabethan Restoration Victorian and early 20th century in contemporary playwriting in order to interrogate the gender politics of this work Within the framework of contemporary feminism including the pivotal MeToo movement the book looks at post 2000s feminist drama that somehow represents the past Through delving into the recurring tropes and their politics in the light of current feminist debate the author helps us grasp how these plays essentially re imagine gender politics Plays that are considered include Emilia Morgan Lloyd Malcolm Swive Elizabeth Ella Hickson An August Bank Holiday Lark Deborah McAndrew The Empress Tanika Gupta Red Velvet Lolita Chakrabarti Scuttlers Rona Munro I Joan Charlie Josephine Blue Stockings and Nell Gwynn Jessica Swale and the musical Six Toby Marlow and Lucy Moss *Nurse Misty's Magic* Evelyn Martin,1987 **Nurse in the Clouds** Beatrice Warren,1986 **The Stormy Heart** Marta M. Love's Sweet Design Frances Engle Wilson,1987 *Circle of Joy* Dorothy Collett,1986 **Summer Dreams** Patricia Bird,1986 Sabotage Kisses Evelyn Martin,1986 Variations of the Hero's Journey in Contemporary British, French and Australian Picture Books about the Great War Martin C. Kerby,Denise Burkhard,Alison Bedford,Marion Gymnich,Margaret M. Baguley,2025-09-30 This book is grounded in the belief that every nation had its own Great War and that children s

picture books are an important barometer of each country's national approach. To explore the depiction of the Great War in modern Australian, British, and French children's picture books where this historical event is reimagined in different ways as a futile conflict, as a painful victory, and as part of one country's founding mythology, this book uses the concept of the hero's journey as an underlying framework. It claims that this monomythic pattern as developed by Joseph Campbell and modified by Christopher Vogler not only informs all picture books selected for this project but can also be used to highlight the extent to which modern children's picture book authors and illustrators conform to their respective nation's cultural memory. It further maintains that the specific historical context of the Great War in these children's picture books can be used to identify a variant of the hero's journey: the ordinary soldier's journey. This analysis of children's picture books about the Great War through the lens of Campbell's hero's journey will be of interest to both students and researchers in the fields of children's literature, literary theory, history, cultural studies, and education.
