Nurse Educators and Politics Sondra Z. Koff, 2012-02-01 Although they represent a significant majority of American health care providers nurses have had only a limited influence on policy developments in the health care and political systems Helping to understand why the profession has remained a sleeping giant *Nurse Educators and Politics* focuses on a primary socialization agent to the profession nursing faculty members Using survey data Sondra Z Koff examines nurse educators attitudes toward select public policies and political participation as well as their political and organizational activism These findings are related to nursing s professional history and are discussed in a broader political context to better understand nurses behavior in the decision making process [Soviet Nightingales](#)

Susan Grant, 2022-04-15 In *Soviet Nightingales* Susan Grant tracks nursing care in the Soviet Union from its nineteenth century origins in Russia through the end of the Soviet state With the advent of the USSR nurses were instrumental in helping to build the New Soviet Person and in constructing a socialist society Disease and illness were rampant in the early 1920s after years of war revolution and famine The demand for nurses was great but how might these workers best serve the country s needs By examining living and working conditions nurse patient relations education and attempts at international nursing cooperation Grant recounts the history of the Bolshevik effort to define the Soviet nurse and organize a new system of socialist care for the masses Although the Bolsheviks aimed to transform healthcare along socialist lines they ultimately failed as the struggle to train skilled medical workers became entangled in politics *Soviet Nightingales* draws on rich archival research from Russia the United States and Britain to describe how ideology reinvented the role of the nurse and shaped the profession
