Nursing Its Hidden Agendas:

Nursing Maya Jolley, Gosia Brykczynska, 1993-07-15 *Nursing Its Hidden Agendas* traces the origins of attitudes and behaviours their historical psycho social and professional backgrounds their cross generational transmission and their cause and effect These hidden agendas can seriously damage progress and change in the nursing profession and must be recognised and checked at all levels This unique study is essential reading for managers nurse teachers practising nurses and students alike

Nursing Maya Jolley, 2020-09-29 This book uncovers some of the hidden agendas which have inhibited nursing and nurses from making their full potential contribution to health care and stimulates new and positive initiatives It explores nurses behaviour patterns employing psychological educational and political perspectives

Evidence-Based Practice Liz Trinder, 2008-04-30 Evidence based practice is an idea whose time has come Few concepts can have achieved the status of unchallengeable common sense in such a short space of time and across such a broad range of professional activity As yet there have been few opportunities to take stock and reflect on the evidence for evidence based practice or the implications of its adoption How effective or feasible is it in medicine Is it really different What are the consequences of not basing practice on research Can evidence based practice be used in non clinical settings where practitioners must deal with the complexity of multi problem individuals families and organizations This text introduces the key concept of Evidence Based Practice and accounts for its emergence and rapid expansion within and beyond medicine It then goes on to describe how evidence based practice is being translated in key areas medicine nursing mental health education and social welfare while critically appraising the strengths and weaknesses of evidence based practice as it applies in a range of fields of professional practice

Power and Conflict Between Doctors and Nurses Maureen A. Coombs, 2004-02-24 Through observations in three intensive care units this book draws on the reality of practice to explore how nurses and doctors work in intensive care settings It examines the power held by the competing knowledge bases the roles of the different professions the decision making process the sources of conflict the need for change Drawing together sociological theories and clinical practice *Power and Conflict Between Doctors and Nurses* explores the role of nurses in delivering contemporary health care It makes a strong case for interdisciplinary working and is particularly timely when health care policy is challenging work boundaries in health care

(Re)Thinking Violence in Health Care Settings Trudy Rudge, 2016-03-16 This comprehensive volume explores various forms of violence in health care settings Using a broad range of critical approaches in the field of anthropology cultural studies gender studies political philosophy and sociology it examines violence following three definite yet interrelated streams institutional and managerial violence against health care workers or patients horizontal violence amongst health care providers and finally patients violence towards health care providers Drawing together the latest research from Australia Canada the UK and the US *Re Thinking Violence in Health Care Settings* engages with the work of critical theorists such as Bourdieu Butler Foucault Latour and Zizek amongst others to address the issue of

violence and theorise its workings in creative and controversial ways As such it will be of interest to sociologists and anthropologists with research expertise in health medicine violence and organisations as well as to health care professionals

(Re)Thinking Violence in Health Care Settings Dr Amélie Perron, Professor Dave Holmes, Professor Trudy Rudge, 2013-01-28 This comprehensive volume explores various forms of violence in health care settings Using a broad range of critical approaches in the field of anthropology cultural studies gender studies political philosophy and sociology it examines violence following three definite yet interrelated streams institutional and managerial violence against health care workers or patients horizontal violence amongst health care providers and finally patients violence towards health care providers Drawing together the latest research from Australia Canada the UK and the US *Re Thinking Violence in Health Care Settings* engages with the work of critical theorists such as Bourdieu Butler Foucault Latour and i ek amongst others to address the issue of violence and theorise its workings in creative and controversial ways As such it will be of interest to sociologists and anthropologists with research expertise in health medicine violence and organisations as well as to health care professionals Extending the Boundaries of Care Tamara Kohn, Rosemary McKechnie, 2020-05-12 How is the concept of patient care adapting in response to rapid changes in healthcare delivery and advances in medical technology How are questions of ethical responsibility and social diversity shaping the definitions of healthcare In this topical study scholars in anthropology nursing theory law and ethics explore questions involving the changing relationship between patient care and medical ethics Contributors address issues that challenge the boundaries of patient care such as HIV related care and research the impact of new reproductive technologies preventative healthcare technological breakthroughs that are changing personal caring relationships Chapters range from a consideration of the practicalities of nursing and family healthcare to a debate about universal human needs and patients rights This book is a provocative exploration of the ways in which healthcare models are socially constructed It will be of interest to policy makers medical practitioners and administrators as well as students of sociology anthropology and social policy **Birthing in the Pacific** Vicki

Lukere, Margaret Jolly, 2001-11-30 This collection explores birthing in the Pacific against the background of debates about tradition and modernity A wide ranging introduction and conclusion together with case studies from Papua New Guinea New Caledonia Vanuatu Fiji and Tonga show how simple contrasts between traditional and modern practices technocratic and organic models of childbirth indigenous and foreign approaches and notions of before and after can be potent but problematic The difficulties entailed confront public health programs concerned with practical issues of infant and maternal survival in developing countries as well as scholarly analyses of birthing in cross cultural contexts The introduction analyzes central concepts and themes questions of survival safety and well being the significance of postures practices and sites the role of midwives traditional birth attendants and nurses and the role of men in birthing and reproduction Contributors four anthropologists a historian and a community health worker offer insights into the ways mothers midwives and nurses relate

the traditional and the modern and how ideas of tradition and modernity have shaped representations of Pacific childbirth The conclusion provides researchers with a guide to relevant literature from several disciplines As a whole the collection warns against either a celebration of emancipation through biomedicine or a recuperative romance about women s past powers in reproduction Contributors Ruta Fiti Sinclair Margaret Jolly Vicki Lukere Shelley Mallett Helen Morton Christine Salomon

Employment Relations in the Health Service Stephen Bach, 2013-01-11 Employment relations within the health sector have undergone radical reform over recent years This book is an important new study that examines the responses of managers and workers to these different reforms at both national and local level Bringing together analyses of both employment relations and public sector management the book focuses on understanding why certain initiatives have been adopted how managers have responded to them and the consequences of the HR modernisation agenda Topics covered include HR strategy and structure at the workplace employee involvement and union influence pay modernisation management of work Featuring detailed case study research in three NHS trusts the book illustrates precisely how government policies are implemented in the workplace and in doing so offers a unique insight into the sector s changing work environment A comprehensive study of atypical area this book will be of interest to students and academics in health service management human resource management and employment relations **Nursing Times, Nursing Mirror**, 2004

Death by Decaf Agnes Norman, In the quaint yet surprisingly perilous world of The Daily Grind coffee shop where the aroma of freshly brewed coffee mingles with the scent of impending doom a murder most foul takes center stage Detective Owen Pryce a man whose taste for strong black coffee is only matched by his sharp intellect finds himself immersed in a case as rich and complex as a perfectly pulled espresso A barista renowned for her latte art skills has been found dead leaving behind a trail of suspects as diverse and intriguing as the coffee menu itself From the secretive regulars nursing their daily dose of caffeine each harboring their own unique secrets and agendas to the cutthroat competition in the local coffee scene Pryce faces a whirlwind of interrogations and red herrings But amidst the chaos he unravels a web of relationships rivalries and hidden truths revealing a shocking truth concealed beneath the innocent facade of a morning caffeine fix Our tale unfolds through a series of carefully crafted clues leaving the reader breathlessly anticipating the next twist and turn The suspects themselves are a compelling ensemble a rich tapestry of personalities with their own motivations and secrets There s the obsessive espresso connoisseur whose passion for coffee borders on the maniacal the bitter rival caf owner fueled by jealousy and a thirst for revenge and the seemingly innocuous barista who holds a key to the victim s hidden life With each sip of coffee with each new lead Pryce inches closer to unearthing the truth a truth as potent and unexpected as a perfectly brewed cup of death defying decaf Prepare yourself for a whirlwind of suspense intrigue and just enough quirky charm to keep you hooked until the very last drop This isn t just a whodunit it s a what and why dunit steeped in the fragrant mysterious world of coffee and caffeine And remember even the most innocent cup of coffee can hide a deadly secret So grab

your favorite mug settle into a comfy armchair and prepare for a journey you won't soon forget Buckle up because it's going to be one heck of a ride

Core Skills for Nurse Practitioners Diane Palmer, Surrinder Kaur, 2008-04-21 In addition to clinical knowledge every senior nurse should be comfortable with the professional issues that are part of the senior nurse's role This handbook addresses these issues in a clear and concise manner It discusses leadership change management and risk assessment and looks at evidence based care The book also considers the legal and ethical implications of advanced practice and examines clinical supervision psychological support and portfolio development

The Emergent Manager Tony Watson, Pauline Harris, 1999-07-21 The Emergent Manager examines the process of becoming a manager within organizations and considers how people relate the ways in which they manage their lives to their development as managers in the workplace At the heart of the book is the idea of the individual engaged in a continual process of becoming Focusing on the reported experiences of managers the book is richly illustrated throughout with examples drawn from a variety of workplaces including the civil service academia the retail industry construction and engineering banking and the prison service Tony Watson and Pauline Harris together provide a new understanding of the nature of the management role and the ways in which people make sense of their lives as managers Accessible and innovative this book will be of interest to students and academics in management and organization studies as well as practising managers

Lahlekile Doreen Merle Foster, 2007 The South African nursing experience over 90 years has been adequately documented and may be found on the shelves of public libraries university libraries and hospital libraries as well as between the pages of struggle literature such as Critical Health This book does not attempt academic analysis per se rather is it an authentic oral and written account of the experiences which shaped the careers of black nurses The sample of respondents was picked at random across the country as time and private purse allowed They were assured anonymity in that only first or nicknames would be used as a rule except where a surname carries historical significance In 1994 when the winds of change blew democracy across the political landscape the South African nursing profession too was gusted along the road of revolution It was no longer a question of whether change would come but when Nonceba Lubanga in her chapter Nursing in South Africa has been given a detailed account of the struggle of black nurses referring to them as the unsung heroes of the African struggle in South Africa P 4 of cover

Trounce's Clinical Pharmacology for Nurses Ben Greenstein, Dinah Gould, 2008-12-22 With the important part played by nurses in the administration of drugs and in recording their effects an understanding of pharmacology and its application to patient care is an integral part of pre registration nursing education This popular textbook gives an up to date account of the action and use of drugs in the treatment and prevention of disease as well as exploring the principles underlying drug usage The eighteenth edition of this highly successful textbook builds on the foundation of its predecessors by bringing the text fully up to date with developments in the world of clinical pharmacology and current trends in clinical practice Comprehensive coverage of all major drug classes giving a thorough grounding for

clinical work Highly readable text facilitates understanding of a complex subject Learning objectives and summaries in each chapter help students to learn Case studies help link theory to practice Nursing points and special points for patient education are highlighted throughout the text to link theory with practice The book also includes detailed information on alternative treatments such as homoeopathy herbalism An extensive glossary explains some of the very technical jargon in the field text fully updated in line with developments in clinical pharmacology and current trends in clinical practice now in 2 colour references to useful websites included new and improved illustrations

The Newly Qualified Nurse's Handbook
E-Book Bethann Siviter, 2008-02-14 This book has been prepared by professionals working in the UK It is not a primer on clinical skills but an indispensable handbook and resource for the new nurses who are about to embark on their first job and need to develop nursing judgment and the ability to organise and deliver care It is about learning how to think like a nurse developing the judgment and behaviour that is essential in competent practice With an immensely readable style this book uses a friendly conversational manner with realistic hints tips and examples from real life to encourage nurses in the early days of their careers Issues such as assertiveness delegation CVs and interviews leadership developing nursing intuition are covered as well as discussion about evidence based and reflective practice direct entry into the community and developing confidence in practice This book will help nurses and students develop into competent and confident practitioners Written for newly qualified nurses by a nurse therefore authentic Case studies and quotes from nurses show readers that their thoughts and feelings are shared by others this validation will reduce stress and uncertainty and give credibility Humour and cartoons will make the text readable and fun to use Hints tips and practical advice will encourage the anxious graduate Attractive 2 colour design will make the text more easily accessible

Deseo de cuidar y voluntad de poder. La enseñanza de la enfermería, 2006-01-18 El currículum universitario de Enfermería además de transmitir los conocimientos y habilidades necesarias para el inicio de la práctica profesional construye inadvertidamente una subjetividad en las estudiantes que las lleva a aceptar las relaciones jerárquicas y de poder que subsisten hoy día en la asistencia sanitaria Relaciones que inmovilizan la enfermería profesional y la sitúan en un papel subordinado y disuelven y ocultan sus saberes disciplinares en la lógica hegemónica Este es un libro de análisis y también de metodología de investigación cualitativa en el que se ofrecen las claves para el estudio etnográfico Permite profundizar en los límites y posibilidades que la investigación etnográfica ofrece como un saber más respetuoso con la complejidad real de los procesos sociales de enseñanza y aprendizaje de la enfermería sin distorsionarlos mediante su simplificación o fragmentación y aporta orientaciones básicas a las personas interesadas en realizar investigaciones bajo este enfoque

The Goodness Ripple OJ Francis, 2012-01-23 Shinas cup of sorrow is always full but she never gives up hope Thrown out of their town home after her husband's death she takes her family to live in their country home Things change drastically when she refuses to comply with the local tradition to marry the man they choose for her Angry relatives ransack the house and share her goods before her very eyes Several months later just when things return

to normality she is violated and ends up carrying her rapists baby Her rapist a savage self styled war lord even orders her sons execution and burns down home She seeks sanctuary in a cave confident of someday being rescued Not so far away Colonel Eddie Toad is mobilising the army and civilians to rebuild the community torn apart by the ruthless and unruly soldiers under the guise of rebel warfare His world changes when one day he finds Shina the only woman he truly loved on her deathbed Her marries her and adopts her children Captain Slater and his cronies do not like Colonel Toads work and plan to eliminate him

Books in Print ,1991 *With a Little Help from Our Friends* Beth Baker,2014-05-05 In this book an award winning journalist tells the story of people devising innovative ways to live as they approach retirement options that ensure they are surrounded by a circle of friends family and neighbors Based on visits and interviews at many communities around the country Beth Baker weaves a rich tapestry of grassroots alternatives some of them surprisingly affordable a mobile home cooperative in small town Oregon a senior artists colony in Los Angeles neighbors helping neighbors in Villages or naturally occurring retirement communities intentional cohousing communities best friends moving in together multigenerational families that balance togetherness and privacy niche communities including such diverse groups as retired postal workers gays and lesbians and Zen Buddhists Drawing on new research showing the importance of social support to healthy aging and the risks associated with loneliness and isolation the author encourages the reader to plan for a future with strong connections Baker explores whether individuals in declining health can really stay rooted in their communities through the end of life and concludes by examining the challenge of expanding the home care workforce and the potential of new technologies like webcams and assistive robots This book is the recipient of the annual Norman L and Roselea J Goldberg Prize for the best project in the area of medicine

Eventually, you will extremely discover a further experience and feat by spending more cash. yet when? reach you allow that you require to get those all needs when having significantly cash? Why dont you attempt to get something basic in the beginning? Nursing Its Hidden Agendas Introduction

In today's digital age, the availability of Nursing Its Hidden Agendas books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nursing Its Hidden Agendas books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nursing Its Hidden Agendas books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nursing Its Hidden Agendas versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nursing Its Hidden Agendas books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nursing Its Hidden Agendas books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nursing Its Hidden Agendas books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nursing Its Hidden Agendas books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nursing Its Hidden Agendas books and manuals for download and embark on your journey of knowledge?

FAQs About Nursing Its Hidden Agendas Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nursing Its Hidden Agendas is one of the best book in our library for free trial. We provide copy of Nursing Its Hidden Agendas in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nursing Its Hidden Agendas. Where to download Nursing Its Hidden Agendas online for free? Are you looking for Nursing Its Hidden Agendas PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online.
