Guide to Essential New York New York Travel Advisory Bureau, 1999 **New York City and How to See It**, 2015-08-04. Excerpt from *New York City and How to See It: A Complete Pocket Guide to All Places of Interest With Much Other Valuable Information for Strangers and Residents*. Guide books are essential to travelers; compactness in size, terseness in style, brevity in statement, with all necessary completeness of detail, are qualities highly desirable in guide books. The lack of a guide to the metropolis of the United States meeting these qualifications has induced the preparation of this little book. Perfection is not claimed for it, and were its compiler to repeat his work, it would be improved, but still it is believed that any reasonable question which a stranger could naturally ask regarding the city of New York is answered here, and to strangers visiting the city without knowledge of the points of interest, it contains suggestions of everything which it is desirable to visit. The aim of the book is to give facts in the most direct shape, in the most convenient form, and at the least possible price. General advertising has been excluded, only one firm, beside the publishers, being admitted. An advantage to the reader, not
