Russian Politics Today:

Russian Politics Today Susanne A. Wengle, 2022-10-27 An accessible and nuanced introduction to contemporary Russian politics using the theme of stability versus fragility as its overarching framework This innovative textbook explores core themes as well as path breaking insights into the politics of race class gender sexuality and the environment

Russian Politics Today Michael Waller, 2005-07-22 This introductory text written by an established authority on communist and post communist politics describes how Vladimir Putin has turned to those with backgrounds in the military and security structures to provide stability in today s Russian Federation following the democratising reforms of Gorbachev and the ensuing instability of the Yeltsin presidency Against the background of an increasing authoritarianism which has restored features of the Soviet political system it examines the attempts by social and economic groups to assert themselves against the state using embryonic democratic forms that fall far short of pluralism The book s fourteen chapters offer an exceptionally broad coverage It will appeal to first and second year students in higher education but its deliberately accessible style will also make it attractive to the general reader *Japanese and Russian Politics* T. Inoguchi, 2015-01-22 This volume offers a comparative analysis of Japanese and Russian politics in the 2010s examining both domestic dimensions and foreign policy A bi national collaborative effort the volume is structured to offer perspectives on each country from both Russian and Japanese scholars An introduction by Takashi Inoguchi gives a historical overview of the two countries paths to development as late comers vis vis the West in the late nineteenth century The analysis that follows reveals that Japan and Russia have come to acquire genuinely striking contrasting features frequent leadership change despite extraordinary societal stability and continuity in Japan and infrequent leadership change despite extraordinary ups and downs in Russia

Islam in Russia: The Politics of Identity and Security Shireen Hunter, 2016-09-16 This richly detailed study traces the shared history of Russia and Islam in expanding compass from the Tatar civilization within the Russian heartland to the conquered territories of the Caucasus and Central Asia to the larger geopolitical and security context of contemporary Russia on the civilizational divide The study s distinctive analytical drive stresses political and geopolitical relationships over time and into the very complicated present Rich with insight the book is also an incomparable source of factual information about Russia s Muslim populations religious institutions political organizations and ideological movements *Russian Politics and Society* Richard Sakwa, 2008-04-10 Having been fully revised and updated to reflect the considerable changes in Russia over the last decade the fourth edition of this classic text builds on the strengths of the previous editions to provide a comprehensive and sophisticated analysis on Russian politics and society New to this edition extended coverage of electoral laws party development and regional politics new chapter on the phoney democracy period 1991 93 historical evaluation of Yeltsin s leadership full coverage of Putin s presidency discussion of the development of civil society and the problems of democratic consolidation latest developments in the Chechnya conflict more on foreign policy issues the re introduction of

the Russian Constitution as an appendix an updated Select Bibliography more focus on the challenges facing Russia in the twenty first century Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia s difficult transformation This makes it the best available textbook on the subject and is essential reading for all those concerned with the fate of Russia and with the future of international society

Inside Russian Politics Edwin Bacon,2017-09-26 Inside Russian Politics is an intelligent critical and engaging account of the realities of contemporary Russian politics It is distinctive in widening our view of Russia beyond the standard account of global power plays and resurgent authoritarian menace Putin matters but he is not Russia Russian military adventurism has had a major effect on contemporary international affairs but assessing its aims and projecting future intentions and impacts requires analysis within a context deeper than the stock Cold War renewed story The holistic approach of this book facilitates our understanding of power politics in and beyond the Kremlin and of Russian policy on the international stage Revealing the Russia beyond Moscow and the central figures around Putin Edwin Bacon focuses on Russia s political present not to ignore the past but to move beyond clich and misleading historical analogy to reveal the contemporary and future concerns of Russia s current generation of politicians

New Word Volume 2 Lela Kakulia,2013-01-25 Hereinafter is my book New word the work unique by its contents and in essence This is a book of prediction Years beforehand I described all those necessary expected political events or natural phenomenon related to the whole world Most of them have already precisley come true some of them are now being fulfilled and the rest will come true in future This is a live cosmic information new word that I Georgian prophet Lela Kakulia pronounce by Gods will I was sent to the earth in order to let countries states particular politicians or humankind in general know their future By this means cosmos gave a chance to the universe to soften destined blows and avoid destruction I predict all my life from birth and will predict till I am on the earth A prophet is sent by cosmos once in few centuries when the earth faces a special danger when it is on the edge of the existence I Gerogian prophet am sent with the mission to save the world I bring enormous proteceting energy for people and contries and hand it out with no regret I often drawcosmis information and my drawings are the source of colossal energy that full people with hope and peace This is the book that would live for ages and give answer to peoples any question No one on earth owns such information neither particular individual nor analytical centres My prediction has no analogue and thus is unique With respect and love Georgian prophet Lela Kakulia

The Chechen Conflict and Russian Democratic Development United States. Congress. Commission on Security and Cooperation in Europe,1996

Routledge Handbook of Russian Politics and Society Graeme Gill,2022-12-23 This second edition of the highly respected Routledge Handbook of Russian Politics and Society both provides a broad overview of the area and highlights cutting edge research into the country Through balanced theoretical and empirical investigation each chapter examines both the Russian experience and the existing literature identifies and exemplifies research trends and highlights the richness of experience history and continued

challenges inherent to this enduringly fascinating and shifting polity Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook answers questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption the development of a market economy and Russia's likely place in the emerging new world order Providing a comprehensive resource for scholars students and policy makers alike this book is an essential contribution to the study of Russian studies politics Eastern European studies politics and International Relations *Russian English* Zoya G. Proshina, Anna A. Eddy, 2016-10-06 This fascinating book offers a comprehensive exploration of Russian English as a World English variety The authors introduce readers to the history of language contact between Russian and English which has resulted in the Russianization of English and Englishization of Russian They also discuss the functions of English as a lingua franca in the domains of politics business and tourism as a tool in youth subcultures education and scholarship and as a creative means in mass media advertisement music and literature The book engages with the major role of English in expressing a speaker's cultural and personal identity within the global community This accessible and engaging work presents a great number of concepts within the field of Russian linguistics as well as introducing readers to the outstanding Russian scholars in the field Essential reading for students and researchers across a wide range of related fields

The Rebirth of Russian Democracy Nicolai N. Petro, 1995 Includes bibliographical references and index U.S. Policy Towards Russia United States. Congress. Senate. Committee on Foreign Relations, 2006 **U.S. policy towards Russia : hearing before the Committee on Foreign Relations, United States Senate, One Hundred Ninth Congress, first session, June 21, 2005.** , **Navalny** Jan Matti Dollbaum, Morvan Lallouet, Ben Noble, 2021-12-01 First book in the English language on Alexei Navalny who shot to worldwide fame when poisoned for his outspoken opposition to the Russian government **Understanding Russian Politics** Stephen White, 2011-03-31 A fresh and compelling interpretation of Russian politics by a leading authority this textbook focuses on political developments in the world's largest country under Putin and Medvedev Using a wealth of primary sources it covers economic social and foreign policy and the system of politics that has developed in recent years Opposing arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption This textbook tackles timely topics such as gender and inequality issues organised religion the economic crisis and Russia's place in the international community It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people which shows how policy is translated to Russians everyday lives *Russian Politics and Response to Globalization* Lada V. Kochtcheeva, 2020-02-17 This book analyzes the nature of Russia's involvement with globalization To date Russia has mainly followed a course of selective openness governed by an increasingly strong state pursuing self determination and its own vision of strategic objectives and forms of cooperation rather than the projected reproduction of global convergence It is also

a country that is believed to be finding a new place and position for itself in the evolving global order where European and American reflections shape the treatment of contemporary questions concerning Russia's status in the world. The book highlights the problems and conflicts associated with political developments, democratization, economic reforms, and innovation, as well as societal perceptions and national identity formation. The world is shifting with Russia developing its own vision of global politics and cultivating a pragmatic strategy based on national interest, one that supports globalization where necessary and opposes it where conflicts of interest and values are inevitable.

Russian Nationalism and the Russian-Ukrainian War Taras Kuzio, 2022-01-26. This book is the first to provide an in-depth understanding of the 2014 crisis, Russia's annexation of Crimea, and Europe's de facto war between Russia and Ukraine. The book provides a historical and contemporary understanding behind President Vladimir Putin's obsession with Ukraine and why Western opprobrium and sanctions have not deterred Russian military aggression. The volume provides a wealth of detail about the inability of Russia from the time of the Tsarist Empire throughout the era of the Union of Soviet Socialist Republics (USSR) and since the dissolution of the latter in 1991 to accept Ukraine as an independent country and Ukrainians as a people distinct and separate from Russians. The book highlights the sources of this lack of acceptance in aspects of Russian national identity. In the Soviet period, Russians principally identified themselves not with the Russian Soviet Federative Republic but rather with the USSR as a whole. Attempts in the 1990s to forge a post-imperial Russian civic identity grounded in the newly independent Russian Federation were unpopular, and notions of a far larger Russian imagined community came to the fore. A post-Soviet integration of Tsarist Russian great power nationalism and White Russian migratory chauvinism had already transformed and hardened Russian denial of the existence of Ukraine and Ukrainians as a people even prior to the 2014 crises in Crimea and the Donbas. Bringing an end to both the Russian occupation of Crimea and to the broader Russian-Ukrainian conflict can be expected to meet obstacles not only from the Russian de facto President for life Vladimir Putin but also from how Russia perceives its national identity.

Regional politics in Russia Cameron Ross, 2024-06-04. This innovative multi-contributed book, now available in paperback, argues convincingly that Russia will never be able to create a viable democracy as long as authoritarian regimes are able to flourish in the regions. The main themes covered are democratisation at the regional level and the problems faced by the federal states in forging viable democratic institutions in what is now a highly asymmetrical Federation. A major strength of the book lies in its combination of thematic chapters with case studies of particular regions and republics. Very little has been published to date on the actual processes of democratisation in particular republics and regions. The book takes into account the literature available on the new institutionalism and outlines the importance of institutions in developing and maintaining democracy. It looks at the importance of sovereignty, federalism, and democratic order and considers the distinct problems of party building in Russia's regions. Electoral politics are also considered fully before the book goes on to consider the whole issue of regional politics and democratisation in five particular areas of Russia.

Novgorod the Komi Republic Russia s Far East Tatarstan and Bashkortostan The authors the majority of whom are internationally recognised experts in their field have been drawn from Britain the USA Russia and Germany giving the book a truly global perspective

A Rhetorical Crime Anton Weiss-Wendt, 2018-05-10 The Genocide Convention was drafted by the United Nations in the late 1940s as a response to the horrors of the Second World War But was the Genocide Convention truly effective at achieving its humanitarian aims or did it merely exacerbate the divisive rhetoric of Cold War geopolitics A Rhetorical Crime shows how genocide morphed from a legal concept into a political discourse used in propaganda battles between the United States and the Soviet Union Over the course of the Cold War era nearly eighty countries were accused of genocide and yet there were few real time interventions to stop the atrocities committed by genocidal regimes like the Cambodian Khmer Rouge Renowned genocide scholar Anton Weiss Wendt employs a unique comparative approach analyzing the statements of Soviet and American politicians historians and legal scholars in order to deduce why their moral posturing far exceeded their humanitarian action

The Revival of Right Wing Extremism in the Nineties Peter H. Merkl, Leonard Weinberg, 2014-01-14 Most studies of the radical right concentrate on movements in a single country neglecting to some extent the international dimensions of right wing extremism Here Merkl and Weinberg adopt a comparative perspective concentrating on the revival of the right across a variety of countries

Russian Politics Today: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. Russian Politics Today : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
