Jacqueline L. Angel,2008-01-28 With the baby boom generation on the cusp of retirement life expectancies on the rise and the nation s cultural makeup in flux the United States is faced with social and policy quandaries that demand attention How are elders to balance the competing claims of helping family members during their lifetime saving for old age and planning estates What roles should the state family and individuals play in supporting people during later life Are new familial gift

giving trends sustainable and if so what effects might they have on future generations Inheritance in Contemporary America tackles the complex legal policy and emotional issues that surround bequests and inheritances in an era of increasing longevity broadening ethnicity and unraveling social safety nets Through empirical analyses case studies interviews and anecdotes Jacqueline L Angel explains the historical nature of familial giving and how it is changing as the nation s demographics shift She explores the legal personal and policy complexities involved in passing wealth down through generations and provides a cross disciplinary context for exploring the indelible effects that newly unfolding inheritance practices will have on various societal cohorts and the nation in general From nuclear and extended families to the state and nongovernmental bodies Angel s engaging study explores how attitudes toward giving are evolving and confronts in stark terms the legacy that these shifts in attitude will leave This book will be a vital tool for scholars and practitioners in gerontology sociology psychology anthropology economics political science and public policy **Bound for Good Health** National Institute on Aging,1991 A collection of fact sheets originally issued in the series Age page that offer practical advice on health related topics for adults in their middle and older years Aging Harry R. Moody,Jennifer R. Sasser,2017-01-12 Presenting current research in an innovative text reader format Aging Concepts and Controversies Ninth Edition encourages students to become involved and take an informed stand on the major aging issues we face as a society Not simply a summary of research literature Harry R Moody and Jennifer R Sasser s text focuses on controversies and questions rather than on assimilating facts or arriving at a single correct view about aging and older people Drawing on their extensive expertise the authors first provide an overview of aging in three domains aging over the life course health care and the socioeconomic aspects of aging Each section is followed by a series of edited readings offering different perspectives from experts and specialists on that subject New readings focus on whether current federal spending on the elderly is sustainable and fair to other groups how older consumers are reshaping the business landscape and the challenges of marketing and selling to customers 60 and over More emphasis is placed on how social class and inequality earlier in life can shape our final years and the number of older Americans living in poverty The section on Aging and Health Care has been thoroughly updated to reflect the latest data about chronic diseases that affect the elderly government spending on health care and policy changes to programs like Medicaid and Medicare The section on the Social and Economic Outlook for an Aging Society gives the most current picture of the racial and ethnic diversity of older Americans their participation in the labor force and their income and wealth Handbook of Aging and the Social Sciences Robert H. Binstock,Linda K. George,Stephen J. Cutler,Jon Hendricks,James H. Schulz,2011-05-05 The Handbook of Aging and the Social Sciences Sixth Edition provides a comprehensive summary and evaluation of recent research on the social aspects of aging The 25 chapters are divided into four sections discussing Aging and Time Aging and Social Structure Social Factors and Social Institutions and Aging and Society Within this context aging is examined from the perspectives of many disciplines and professions including

anthropology bioethics demography economics epidemiology law political science psychology and sociology The Sixth Edition of the Handbook is virtually 100% new material Seventeen chapters are on subjects not carried in the previous edition Seven topics were carried over from the previous edition but written by new authors with fresh perspectives and brought up to date Some of the exciting new topics include social relationships in late life technological change and aging religion and aging lifestyle and aging perceived quality of life economic security in retirement and aging and the law There is also a greater emphasis on international perspectives particularly in chapters on aging and politics diversity and aging and immigration The Handbook will be of use to researchers and professional practitioners working with the aged It is also suitable for use as a course text for graduate and advanced undergraduate courses on aging and the social sciences Catalog of Federal Domestic Assistance ,2007 Identifies and describes specific government assistance opportunities such as loans grants counseling and procurement contracts available under many agencies and programs **Encyclopedia of Aging and Public Health** Sana Loue,Martha Sajatovic,2008-01-16 Americans are living longer and the elder population is growing larger To meet the ongoing need for quality information on elder health the Encyclopedia of Aging and Public Health combines multiple perspectives to offer readers a more accurate and complete picture of the aging process The book takes a biopsychosocial approach to the complexities of its subject In depth introductory chapters include coverage on a historical and demographic overview of aging in America a guide to biological changes accompanying aging an analysis of the diversity of the U S elder population legal issues commonly affecting older adults and the ethics of using cognitively impaired elders in research From there over 425 entries cover the gamut of topics trends diseases and phenomena Specific populations including ethnic minorities custodial grandparents and centenarians Core medical conditions associated with aging from cardiac and pulmonary diseases to Parkinson s and Alzheimer s Mental and emotional disorders Drugs vitamins alternative medicine Disorders of the eyes feet and skin Insomnia and sleep disorders malnutrition and eating disorders Sexual and gender related concerns And a broad array of social and political issues including access to care abuse neglect veterans affairs and assisted suicide Entries on not quite elders concerns e g midlife crisis menopause are featured as well And all chapters and entries include references and resource lists The Encyclopedia has been developed for maximum utility to clinicians social workers researchers and public health professionals working with older adults Its multidisciplinary coverage and scope of topics make this volume an invaluable reference for academic and public libraries *Developments in Aging : 1997 and 1998* ,2000 Journal of Financial Service Professionals ,2004 **Aging with a Plan** Sharona Hoffman,2015-05-12 This book offers a concise comprehensive resource for middle aged readers who are facing the prospects of their own aging and of caring for elderly relatives an often overwhelming task for which little in life prepares us Everyone ages and nearly everyone will also experience having to support aging relatives Being prepared is the best way to handle this inevitable life stage This book addresses a breadth of topics that are relevant to aging and caring for the elderly
