Long Trail The Story Of A Pioneer Family:

The Long Trail Beulah Baldwin, 1992 This biographical account of the lives of the Freeland family by their daughter begins with their 1913 winter trek to the hinterlands of Peace River from Edmonton to purchase a homestead sight unseen *My Chosen Words* Ferial Imam Haque Ph.D., 2019-01-31 *My Chosen Words* is the author's honest confession of how she persisted to rise above poverty, hunger, and isolation as a professional immigrant woman. Even in the darkest days of her life, she could see the sun rise. Her conviction and her devotion to research enabled her to contribute to the scientific world. This powerful, emotional, and astonishing story will touch the hearts of women immigrants and young women pursuing higher studies and research in science. Ferial's personal narrative depicts how she overcame adversity to emerge from a dead end and find creative ways to develop her identity as a Canadian and secure a place in the global society. She tumbled over many hurdles in her twenties juggling her role as a wife, mother, and graduate student in the early sixties in Canada. Chrystia Catherine Tsalikis, 2024-12-20 The intriguing in-depth story of the most powerful woman in Canadian politics. A NATIONAL BESTSELLER Catherine Tsalikis traces Chrystia Freeland's remarkable journey from the northwestern Alberta town of Peace River to Moscow, London, and New York, where she spent two decades as a journalist, in the halls of Parliament Hill as deputy prime minister, and as finance minister in Justin Trudeau's Liberal government. Ambitious and talented with a work ethic to match, Freeland has had an impressive run since she entered politics in 2013, spearheading major trade negotiations, expertly navigating relations with an erratic US president, speaking out about human rights abuses in Saudi Arabia, and standing up to Vladimir Putin's aggressions in Ukraine. With her impeccable research, seasoned perspective, and accessible style, Tsalikis brings Freeland's story to life. The defining moments and experiences that shaped Freeland's particular worldview illuminate the answers to larger social questions: how to live a good, useful life; how to hold fast to guiding principles; how to break through glass ceilings. This is a unique, behind-the-scenes look at Canadian politics through the story of a trailblazing woman.

The Literary History of Alberta Volume Two George Melnyk, 1998 In this, the companion to the landmark volume *The Literary History of Alberta Volume One: From Writing on Stone to World War Two*, George Melnyk examines Alberta literature in the second half of the twentieth century. At last, Melnyk argues, Alberta writers have found their voice, and their accomplishments have been remarkable. The contradictory landscape, the stereotypes of the Indian, the Mountie, and the Cowboy, and the language of the Other speaking from the margins: these elements all left their impressions on the consciousness of early Alberta. But writers in the last few decades have turned this inheritance to their advantage to create compelling stories about this place and its people. Today, Melnyk discovers, Alberta writers can appreciate not only this achievement but also its essential source: the symbolic communication of *Writing on Stone*. *The Literary History of Alberta Volume Two* extends the study of Alberta's cultural history to the present day. It is a vital text for anyone interested in Alberta's vibrant literary culture. **Story of the World, Vol. 4: History for the Classical Child: The Modern Age (Vol. 4)**
