Looking For Moral Guidance Dilemma And The Bible:

Looking for Moral Guidance James A. Fischer, 1992 Beginning by employing image with story and by outlining a method for using scripture in ethical decision making Fischer moves from the image to the real conflict that defines a life situation or scripture story He then addresses finding the faith and the community of support for the leap in the dark that expresses faith This he claims will culminate in discovering the person God and oneself revealed in the process of comparing biblical story and our own story Fischer avoids a naive or doctrinaire approach to scripture instead offering an open minded exploration of concrete examples from everyday life

New Testament Ethics Frank J. Matera, 1996-01-01 Neither Jesus nor Paul developed a formal ethical system yet each left a moral legacy that forms the core of New Testament ethics In this book Frank Matera examines the ethic found in the teachings of Jesus and Paul He explores the broad range of moral concerns found in these writings and finds an identifiable unity that underlies the ethical teachings of both Elenchus of Biblica

, 1995 **Ten Commandments Family Adventures** Pasquale De Marco, 2025-05-12 Ten Commandments Family Adventures is a practical guide for families who want to create lasting memories and build strong bonds Author Pasquale De Marco draws on his own experiences as a husband and father as well as the wisdom of other experts to provide practical advice that can help families of all shapes and sizes Ten Commandments Family Adventures is divided into ten chapters each of which focuses on a different aspect of family life The chapters cover topics such as The importance of family time How to create a family legacy The power of storytelling Building a family identity Nurturing family relationships Exploring the Ten Commandments Discovering God's character Navigating moral dilemmas Fostering spiritual growth Celebrating family milestones Ten Commandments Family Adventures is more than just a book of advice It is a resource that families can turn to again and again for inspiration and support Pasquale De Marco believes that every family has the potential to be a beacon of hope and a source of strength for its members With Ten Commandments Family Adventures he provides families with the tools they need to build a strong and lasting foundation Ten Commandments Family Adventures is an essential resource for families who want to Create lasting memories Build strong bonds Explore their faith together Navigate the challenges of family life Find support and encouragement If you are looking for a book that will help you build a stronger family then Ten Commandments Family Adventures is the book for you Pasquale De Marco's practical advice and inspiring stories will help you create a family that is truly a haven of love and support If you like this book write a review on google books A Time To Die Dr. Wally Morris, 2014-01-17 Death comes to everyone sooner or later For some death comes quickly without any warning For others death comes more slowly Many people wonder how to make difficult decisions about medical treatment especially when the cost of medical care increases every year Eighty percent of Americans have not clearly and legally expressed their wishes about medical care Families struggle with making decisions about treatment of those they love and pastors struggle with what advice to give families about a decision that will probably be irreversible and have permanent

consequences This book focuses on the historical ethical legal medical and Biblical aspects of the often difficult decisions individuals and families must make about the medical treatment of someone who is dying The book reviews preparations people can make before they find themselves in the hospital and gives suggestions for end of life preparations Because the Bible is the final authority in all matters of life and death we have a reliable guide provided by One who already knows the answers and has anticipated our questions Ethics, Morality, and Human Nature Hector Davidson, This is a bundle of the following books Aesthetics Analytic Philosophy Critical Theory Cynicism Determinism Humanism Idealism Liberalism Moral Philosophy Naturalism Nihilism Parmenides Phenomenology Structuralism Utilitarianism *Philosophy of Ethics and Society* Hector Davidson, This book consists of the following titles and topics Adam Smith Ayn Rand Baruch Spinoza Bertrand Russell Camus Critical Theory Cynicism Epicurus Feminist Philosophy Humanism Liberalism Mary Wollstonecraft Montesquieu Moral Philosophy Naturalism Niccolo Machiavelli Parmenides Peter Singer Political Philosophy Simone Weil Socrates Transcendentalism Utilitarianism **101 Ethical Dilemmas** Martin Cohen, 2004-08-02 First published in 2003 Routledge is an imprint of Taylor Francis an informa company **SCM Studyguide: Christian Ethics** Messer Neil, 2015-04-21 Providing the level one student with all they will need to know to understand their course fully the textbook covers the major areas of ethical theory and methodology that are key to the use of the Bible in Christian ethics natural law conscience various philosophical approaches to ethics and the influence of liberation theologies *The Liberating Spirit* Eldin Villafane, 2021-03-23 This book takes a giant step both in theology and in social ethics It forces theologians to examine the worship and spirituality of Hispanic Pentecostals as a source of theological construction and pushes the Pentecostals themselves to see the broader social implications of their own faith expressions With both Hispanic peoples and Pentecostals forming a larger and larger portion of the American cultural and religious reality this is a vital book indeed an indispensable one for any person knowledgeable about our society to read and ponder Harvey Cox Harvard Divinity School Here is a pioneering book Villafane works a synthesis of the cultural and the spiritual and celebrates the capacity of Pentecostalism to appeal to Hispanic Americans The time is ripe for this important book which delves into the very passion of the human heart and offers an ethic of hope and liberation It should be read by anyone interested in the spiritual condition of Hispanics in a pluralistic society Jesse Miranda Azusa Pacific University The Liberating Spirit should be required reading for anyone interested in the study of social ethics Pentecostal theology or Hispanic American theology Dr Villafane has broken the long standing bifurcation of the profane and the sacred so often associated with Pentecostal theology The Liberating Spirit introduces us to a new and liberating way of being Christians led by the spirit in the modern world Samuel Solivan Andover Newton Theological School Fully aware of the pitfalls and promises of oral theology Villafane approaches his topic from inside an Hispanic Pentecostal understanding of the Spirit vividly describing the pains and joys of an Hispanic Pentecostal in the United States After reading this book it is impossible to paint the whole Pentecostal movement with the

brush of right wing theological and political conservatism Walter Hollenweger University of Birmingham England **Evil and Christian Ethics** Gordon Graham,2001 STUDY OF MORAL PHILOSOPHY WITH REFERENCE TO NEW TESTAMENT SCHOLARSHIP **Library Journal** ,1992 Survival Guide for Christians on Campus Tony Campolo,William Willimon,2010-06-15 The contemporary college campus is filled with spiritual surprises daily dilemmas and difficult questions and this book offers the help and heart to walk into the jungle of campus life as a Christian Will the Christian faith hold up under the scrutiny of the new knowledge and ideas that bombarded students on the college campus Tony Campolo and Dr Will Willimon college professors and seasons authors and speakers insist that the Christian faith is not threatened by tough questions They maintain that some of the greatest minds the human race has produced have put hard questions to Jesus and come away stronger in their faith and more convinced of its truth than ever before Whether you are a committed Christian or one who is still exploring the Christian faith this book will provide sound answers to difficult questions Open this book and find the help and heart to walk into the jungle of campus life and walk out more than a conqueror **Choosing the Good** Dennis P. Hollinger,2002-09-01 An intelligent discussion of the foundations and methods in ethics and ways to apply a Christian worldview to our secular culture **Wrestling with Life's Tough Issues** Claire Disbrey,2008 All Christians want to live ethical lives that reflect the truth of the Bible and our faith So why is it so difficult to figure out how to take what is in the Bible and apply it to the tough issues we encounter in daily life Claire Disbrey presents the ancient concept of virtue ethics as a way to work through this difficulty She share stories about people who face dilemmas and then consider three ways to resolve them the first based on keeping the law the second based on doing what is most loving and finally a third approach that is based on asking What would a virtuous person do By telling her readers to ask themselves this question Disbrey helps us develop a clear sense of how to use the Bible and virtue ethics to wrestle with the tough issues in our lives BOOK JACKET *Sticking Up for What Is Right* Gwendolyn Mitchell Diaz,2008-12 Accessible to both parents and teens *Sticking Up for What Is Right* answers common questions that teens ask about moral issues It presents biblical truths in a simple honest and sometimes humorous way Thinking Critically About Abortion Nathan Nobis,Kristina Grob,2019-06-19 This book introduces readers to the many arguments and controversies concerning abortion While it argues for ethical and legal positions on the issues it focuses on how to think about the issues not just what to think about them It is an ideal resource to improve your understanding of what people think why they think that and whether their and your arguments are good or bad and why It s ideal for classroom use discussion groups organizational learning and personal reading From the Preface To many people abortion is an issue for which discussions and debates are frustrating and fruitless it seems like no progress will ever be made towards any understanding much less resolution or even compromise Judgments like these however are premature because some basic techniques from critical thinking such as carefully defining words and testing definitions stating the full structure of arguments so each step of the reasoning can be examined and comparing the

strengths and weaknesses of different explanations can help us make progress towards these goals When emotions run high we sometimes need to step back and use a passion for calm cool critical thinking This helps us better understand the positions and arguments of people who see things differently from us as well as our own positions and arguments And we can use critical thinking skills help to try to figure out which positions are best in terms of being supported by good arguments after all we might have much to learn from other people sometimes that our own views should change for the better Here we use basic critical thinking skills to argue that abortion is typically not morally wrong We begin with less morally controversial claims adults children and babies are wrong to kill and wrong to kill fundamentally because they we are conscious aware and have feelings We argue that since early fetuses entirely lack these characteristics they are not inherently wrong to kill and so most abortions are not morally wrong since most abortions are done early in pregnancy before consciousness and feeling develop in the fetus Furthermore since the right to life is not the right to someone else s body fetuses might not have the right to the pregnant woman s body which she has the right to and so she has the right to not allow the fetus use of her body This further justifies abortion at least until technology allows for the removal of fetuses to other wombs Since morally permissible actions should be legal abortions should be legal it is an injustice to criminalize actions that are not wrong In the course of arguing for these claims we 1 discuss how to best define abortion 2 dismiss many common question begging arguments that merely assume their conclusions instead of giving genuine reasons for them 3 refute some often heard everyday arguments about abortion on all sides 4 explain why the most influential philosophical arguments against abortion are unsuccessful 5 provide some positive arguments that at least early abortions are not wrong 6 briefly discuss the ethics and legality of later abortions and more This essay is not a how to win an argument piece or a tract or any kind of apologetics It is not designed to help anyone win debates everybody wins on this issue when we calmly and respectfully engage arguments with care charity honesty and humility This book is merely a reasoned systematic introduction to the issues that we hope models these skills and virtues Its discussion should not be taken as absolute proof of anything much more needs to be understood and carefully discussed always

Pursuing Moral Faithfulness Gary Tyra,2015-04-15 In response to the moralism and relativism that characterize the present age Gary Tyra presents an evangelical ethic for everyday moral faithfulness arguing that Christians can have confidence in their Christ centered Spirit enabled ability to discern and do the will of God in any moral situation

Unraveling Philosophy Adam Groza,J. P. Moreland,2023-05-15 Philosophy can be intimidating complicated and boring Unraveling Philosophy by scholars Adam Groza and J P Moreland turns this truism on its head making philosophy accessible and even fun to learn

Commandments and Concerns Michael Rosenak,2011-01-01 In this cutting edge study Michael Rosenack provides a new understanding of the challenges inherent in teaching Judaism today His ground breaking theories are based on close examination of religious experience in individual s lives consulting sources from all Jewish denominations from Israel and the Diaspora and from the non Jewish world Rosenak uses his research and a

wealth of academic theories to formulate and present proposals for an honest new approach to teaching religion in our contemporary secular world
