A Moment In Time Mark Spencer, 2012-05 A Moment in Time will encourage believers to entertain principles of grace based theology and after careful consideration embrace them When we re convinced of the gracious simplicity in acquiring the free gift of eternal life it impacts how we share our faith When we re confident this free gift can't be lost it calms us down When we re certain Christ will repay and recompense us for what we do with this free gift we re motivated to be holy as He is holy In looking at the biblical text Christians will be reminded that justification is provided at no cost to them They'll see there's room for failure in the Christian life But they'll also learn where there's great grace there's great accountability and great reward It is wonderful to see this fresh look at many of the grace issues at a popular level Mark Spencer has given us an insightful look into the implications of grace in the task of evangelism and discipleship Recommended reading Dr Joseph Dillow Mark Spencer has the wonderful ability to communicate deep biblical truths in an interesting and straightforward way The reader will find a clear articulation of the grace message and convincing arguments against those who have corrupted it I am glad to see this comprehensive and persuasive presentation of the gospel of grace and its implications It will serve us well as we seek to share this message with the world Dr Charlie Bing This is a book that needs to be taken seriously as a helpful guide to developing a strategic plan to be servants of Christ in our areas of influence As Mark said his last 25 years as a police officer went by overnight so how fast will the years fly by in our lives We all have a mission and an obligation to be useful to the Master Dr John South
