Roll, 2020-07-07 The extraordinary career of General George C Marshall America's most distinguished soldier statesman since George Washington whose selfless leadership and moral character influenced the course of two world wars and helped define the American century I've read several biographies of Marshall but I think David Roll's may be the best of the bunch Thomas E Ricks New York Times Book Review Powerful The Wall Street Journal Enthralling Andrew Roberts Important William I Hitchcock Majestic Susan Page Engrossing Andrew J Bacevich Judicious Walter Isaacson Definitive Kirkus Winston Churchill called him World War II's organizer of victory Harry Truman said he was the greatest military man that this country ever produced Today in our era of failed leadership few lives are more worthy of renewed examination than Marshall and his fifty years of loyal service to the defense of his nation and its values Even as a young officer Marshall was heralded as a genius a reputation that grew when in WWI he planned and executed a nighttime movement of more than a half million troops from one battlefield to another that led to the armistice Between the wars he helped modernize combat training and re staffed the U S Army's officer corps with the men who would lead in the next decades But as WWII loomed it was the role of army chief of staff in which Marshall's intellect and backbone were put to the test when his blind commitment to duty would run up against the realities of Washington politics Long seen as a stoic almost statuesque figure he emerges in these
