Numbers Bible Study Commentary:

Numbers F. B. Huey, 1981 *Numbers- Everyman's Bible Commentary* Irving Jensen, 1964-06-01 This passage by passage commentary incorporates charts and a simple outline in its exposition of an important Old Testament book The events of Numbers form the story of the Israelites traveling from Mount Sinai to the border of the Promised Land Sometimes called the book of journeyings or the book of murmurings Numbers contains many significant lessons for God's people today Dr Jensen points out many pertinent applications of these lessons in this study as well as explaining the history of the Israelites Its arrangement is commendable it could serve as a marvelous guide for home study of the Bible or for group study The outline before each section is well chosen and interwoven in the body of the material Derward W Deere Golden Gate Baptist Theological Seminary *Numbers* Martin Noth, 1968 Here the concept of the conquest of the Promised Land is introduced and the first victories of the Israelites take place Toward the end of the book the figures of Balaam and Balak appear At the beginning Israel is depicted as sojourning at Sinai but there is no indication as to how Israel arrived there or as to what happened to her there The Book of Numbers is part of the total narrative of the Pentateuch and must be looked at within that wider framework Presenting a thoroughly rounded introduction to Numbers the author discusses the name and contents of the book its growth and its significance He then proceeds to explore the literary structure content and importance of the entire book **The Message of Numbers** Raymond Brown, 2022-02-01 What does it mean to be pilgrims in a confusing world In this BST volume Raymond Brown explores how the book of Numbers offers a picture of a better life He shows how its message is eminently suited to our world today a world without firm spiritual and moral foundations We see how God provides for the basic needs of life to be loved to be free to be certain **Layman's Bible Commentary Vol. 1** Tremper Longman, 2012-06 Here's an accessible reference that aids personal Bible study or Sunday school preparation the Layman's Bible Commentary reference for the everyday Christian not the scholar Volume 1 covering Genesis through Numbers providing section by section commentary on the flow and theme of each book as well as historical and literary context for each Major interpretations are presented for controversial passages and topics Puzzling passages and Bible practices are explained and charts and diagrams further aid your understanding And Take It Home segments provide a practical application for each passage **Numbers - Women's Bible Study Participant Workbook** Melissa Spoelstra, 2017-08-01 Something in us aches for more more hope more joy more freedom All around us people are dancing to the steps of bigger better and faster and we can easily join in without even realizing it Before long complaining and comparing accompany our desire for more yet we're not any closer to filling the ache inside God offers us another way In this study of the Book of Numbers we'll find a group of people that wandered in the desert for forty years unable to enter the Promised Land because of their complaining grumbling and lack of faith The New Testament tells us that their story was written to warn us 1 Corinthians 10:6 so that we would not make the same mistakes and suffer the same consequences God

sent his only Son to die to buy our freedom from the sin that leads to discontentment and we find our own promised land of peace and contentment in the life he gives us By exploring Numbers we can come to identify the reasons for our complaining learn contentment while being authentic about the difficulties of life accept short term hardship in light of the greater good of God s ultimate deliverance recognize the relationship between complaining and worry and discover how to realign with God s character and promises Together we will learn contentment as we discover more of our incredible God who truly is more than enough Only God can fill that ache inside and help us focus on his provision and purpose in the midst of life s joys and pains The participant workbook includes five days of lessons for each week combining study of Scripture with personal reflection application and prayer Other components for the Bible study available separately include a Leader Guide DVD with six 20-25 minute sessions and boxed Leader Kit an all inclusive box containing one copy of each of the Bible study s components
