Nurse Rowans Return:

My Fight to Mom Michele Sylva, 2023-03-09 I had long contemplated writing this memoir and with infertility on the rise even more now than when I was in my childbearing years I felt compelled to share my story in the hopes of inspiring others to consider all their options when looking to start a family of their own Although every woman's story differs my own family and friends couldn't fully digest what it meant for me to be infertile Families who have never struggled to have children can give their sympathies for those of us who can't get pregnant but unless you or someone close to you has experienced the emotional roller coaster of infertility their well placed intentions are often limited in scope and depth It is my sincere hope that not only will infertile readers feel like they aren't alone in their challenge to become parents but that their families and friends may benefit from my story to put perspective on the infertile experience I also hope that those with unplanned pregnancies will give serious consideration to the precious gift of adopting their baby to a family who would cherish them beyond measure While I have changed the names of everyone in this book to protect them from any embarrassment or shame they may feel hearing my story I have also changed my own name to protect my daughter's privacy My intention isn't to hurt anyone's feelings but the heart of the matter would be lost if I couldn't be as open and honest as possible with my audience Many a tear was shed as I compiled this book both from remembered sorrows and the heights of triumph As difficult as reliving this personal journey has been I am reminded every day by looking at the beautiful one who calls me Mom that she was meant to be my daughter and she's absolutely worth it I encourage every woman to own her personal power unbury her hidden strength and fight for the family you always wanted

The Suspense Boxset Patricia Dixon, 2023-02-16 Women confront lies secrets and threats in these four gripping psychological novels from a British master of suspense This collection of four novels from acclaimed author Patricia Dixon includes *The Other Woman* Rowan's days of being the other woman and waiting patiently for Alex are almost over He's left his wife and Rowan is finally within touching distance of her happy ever after But when Alex is involved in a terrible accident facts begin to emerge that cast doubt on everything And soon Rowan's own family is in grave danger in this turbulent psychological suspense spanning from England to coastal France Over My Shoulder When Freya meets Kane he charms her off her feet and whisks her away into his lavish life Falling in love with him is a dream come true But as time goes by his subtle manipulations escalate into something far worse in this addictive and intriguing thriller Linda Huber bestselling author of *Baby Dear MeToo* Inspired by true events When Billie receives a desperate letter from the man she loves convicted of a crime he swears he didn't commit she teams up with a private detective to find evidence that would set him free Meanwhile his accuser struggles to cope after an ordeal that's left her traumatized and isolated and Billie's faith in his innocence is beginning to waver There may be two sides to every story but there's only one truth *Blame* After a killer is released from prison a new spate of murders rocks the small village of Elkdale It seems that Frankie a woman who's worked hard to escape the memory of the one night that changed her life forever is being

targeted for revenge but who is blaming her and why An excellent piece of psychological fiction Book Rant Reviews *Gates and Rowan's Nonepileptic Seizures* W. Curt LaFrance, Jr, Steven C. Schachter, 2018-05-03 Patients with nonepileptic seizures NES frequently present in neurology psychiatry psychology and emergency departments The disorder has been well documented in the medical literature and much is known about the phenomenology ictal semiology neurologic signs psychiatric comorbidities neuropsychological testing and psychosocial aspects Since the publication of the third edition in 2010 knowledge of treatments for NES has grown and new data have become available Fully updated to reflect these developments this fourth edition brings together the current knowledge of NES treatments drawing on the experience of an international team of authors An accompanying website features video EEGs of seizures and videos of patient clinician interactions which will help readers with both diagnostic and management decisions Tables clearly illustrating the differential diagnosis of various nonepileptic events give readers quick reference guides to aid diagnostic assessment A valuable resource for neurologists psychiatrists psychologists and any clinicians who encounter NES in their practice
