Nurturing the Souls of Our Children Robert Mitchell, 2005 The Sin of Obedience is one of the few works of fiction or non-fiction that looks profoundly and with deep personal reflection into the training of a Catholic priest. The novel, rich and accurate in detail, is the story of a young prodigy torn between the rigid religious traditions and convictions of his mother and the more humanity-oriented respect for freedom of his father. Building on his own experiences, including being the subject of sexual abuse by a seminary teacher, the author unfolds a picture of religious life in which the cornerstones of celibacy and a vow of obedience have forced seminarians and priests to make difficult and often impossible decisions in their own personal lives. This well-crafted story enables the reader to go along with a young boy seminarian and priest on his idealistic pursuit and mission and the consequences he has to face as a result.

Nurturing the Souls of Our Children Thomas F. Geary, Bonnie L. Geary, 2002 *Nurturing the Souls of Our Children* proposes that psychologically and spiritually balanced parents are best equipped to relate more deeply and joyfully to the uniqueness of their children. This is nurturing the soul. It is what children today need more than anything else. Based on their experience as parents, as church ministers and as professional counselors for over 25 years, Dr. Thomas Geary and his wife Bonnie are well-qualified to integrate the psychological with the spiritual. Their book offers hope to frequently overwhelmed and confused parents searching for values and guidelines in an increasingly materialistic society. Their suggestions are clothed in practical, humorous and touching

stories reflective of the real world where families live

The Soul of the Child Michael Gurian, 2002-11-01 With *The Wonder of Girls* and *The Wonder of Boys* bestselling author Michael Gurian presented his groundbreaking views of parenting. Now with the same breadth of vision and depth of commitment he combines accessible analysis of cutting edge science with the study of spiritual texts to explore the divine side of childhood and to put forth a practical design for the care of our children's souls. A revolutionary vision for parents and educators alike indeed for all who love children. *The Soul of the Child* is a deft blend of inspiring stories, common sense and scientific observations that demonstrates what the soul is and how it works. This insightful and groundbreaking book urges its readers to become aware of our children's divine inheritance and learn how to nurture that divinity. Sensible and informed it shows how to protect childhood from the complexities of our age and provides as no book ever has the means for bestowing upon our children the gifts of compassion, security, discipline, humility and enlightenment. *The Soul of the Child* is a passionate and practical book that puts forth a finely wrought argument for greater attention to the spiritual side of childhood to the very life of the human soul. And it couldn't have come at a better time.

Ownership and Nurture Marc Brightman, Carlos Fausto, Vanessa Grotti, 2016-05-01 The first book to address the classic anthropological theme of property through the ethnography of Amazonia. *Ownership and Nurture* sets new and challenging terms for anthropological debates about the region and about property in general. Property and ownership have special significance and carry specific meanings in Amazonia which has been portrayed as the antithesis of Western property based civilization. Through carefully constructed studies of land ownership, slavery, shamanism, spirit mastery, aesthetics and intellectual property this volume demonstrates that property relations are of central importance in Amazonia and that the ownership of persons plays an especially significant role in native cosmology.

Mental Health and the Soul Elizabeth Solomon, 2000 Offers information and exercises to allow the reader to take control of their own spiritual growth and development. Deals with how the mind interferes with our spiritual growth.

The Power Within Lu Xia, 2025-05-15 In a world filled with challenges and uncertainty the pursuit of a blissful life is a universal aspiration. But true bliss begins with harmony starting from within. In this book Teacher Lu Xia shares profound wisdom and practical guidance on how to achieve harmony at every level within yourself, in your family, in society and ultimately in the world. The higher your Life Potential Energy the more harmony you'll experience across all aspects of your life. This book outlines clear practical methods to elevate your Life Potential Energy such as unlocking the subconscious mind, removing negative energy, fulfilling the Way of Humanity and strengthening intuition. Grounded in real life application and written with today's challenges in mind, this book is not about abstract ideals. Karen-Marie Yust, 2006 *Nurturing Child and Adolescent Spirituality Perspectives from the World's Religious Traditions* provides a forum for prominent religious scholars to examine the state of religious knowledge and theological reflection on spiritual development in childhood and adolescence. Featuring essays from thinkers representing the world's major religious traditions, the book introduces new voices, challenges assumptions, raises new questions, and broadens the base of knowledge and investment in this important domain of life. It specifically and intentionally focuses on theological and philosophical perspectives from within religious traditions, creating space for the religious traditions to find their voices. *Nurturing Child and Adolescent Spirituality* is firmly grounded in the language and priorities of religious studies and helps stimulate explorations of whether and how religious communities are tapping their own wisdom and strengths in nurturing today's young people in a complex and changing world. *Nurturing Child and Adolescent Spirituality* will set the stage for new waves of scholarship and dialogue within and across traditions, disciplines, and cultures that will enrich understanding and strengthen how the world's religious traditions and others understand and cultivate the spiritual lives of children and adolescents around the globe. **The Child in American Evangelicalism and the Problem of Affluence** David A.

Sims, 2009-06-01 This work presents an evangelical theology of the child nurtured in the context of American evangelicalism and affluence. It employs an eclectic theological critical method to produce a theological anthropology of the affluent American evangelical child (AAEC) through interdisciplinary evangelical engagement of American history, sociology, and economics. Sims articulates how affluence constitutes a significant impediment to evangelical nurture of the AAEC in the discipline and instruction of the Lord. Thus, the problem he addresses is nurture in evangelical affluence conceived as a theological anthropological problem. Nurture in the cultural matrices of the evangelical affluence generated by technological consumer capitalism in the U.S. impedes spiritual and moral formation of the AAEC for discipleship in the way of the cross. This impediment risks disciplinary formation of the AAEC for capitalist culture, cultivates delusional belief that life consists in an abundance of possessions, and hinders the practice of evangelical liberation of the poor on humanity's underside. The result is the AAEC's spiritual moral lack in late modernity. Chapter 1 introduces the problem of the AAEC. Chapters 2 and 3 provide a diachronic lens for the theological anthropology of the AAEC through critical assessment of the theological anthropologies of the child in Jonathan Edwards, Horace Bushnell, and Lawrence Richards. Chapters 4 and 5 constitute the synchronic perspective of the AAEC. Chapter 4 presents an evangelical sociology of the AAEC drawing upon William Corsaro's theory of interpretive reproductions, and chapter 5 constructs an evangelical theology of the AAEC through critical interaction with John Schneider's moral theology of affluence. Chapter 6, *Whither the AAEC*, concludes with a recapitulation of the work and a forecast of possible futures for the AAEC in the twenty-first century. *The Secret of My Child's Success* Gizel Hazan, 2017-03-20 Every parent brings her/his child into the world wishing that the child will be healthy, happy, and

successful What is SUCCESS and what is the SECRET of being successful There are two different ideas in the education world Does the child develop a personality by nature or by nurture Even if we accept both views to a certain degree we need to know that every minute we can educate and change ourselves by improving our brain s functioning In recent years even people who were raised under difficult conditions have been able to find opportunities to improve and educate themselves thanks to self help books This book draws on my educational and professional experience on child psychology as well as on information derived from other helpful books We should perform our parenthood duties as set forth in the famous Khalil Gibran poem Children At the end of my book an unexpected surprise will surprise you Please read until the end of my book to learn what the surprise is
