Early Years Care and Education, 1999 *Early Years Care and Education* Maria Robinson, Kate Beith, Lynda Pullan, 1998 This resource pack covers the eight core units and the five option units for NVQ level 2 in Early Years Care and Education

The Early Years Reflective Practice Handbook Avril Brock, 2014-07-17 What do early childhood practitioners need to know about reflection and reflective practice Ongoing reforms in early childhood care and education social policy affect all aspects of young children's and their families' lives Decisions are being undertaken at a rapid pace and there is a need for those working in the field of Early Years to consolidate and reflect on their knowledge and practice building on what they already know This timely new book aims to support reflective practice for those working with young children in everyday work and in the wider political context whatever their professional role and whatever level of qualification they hold It takes a fresh look at a breadth of issues relating to early childhood care and education reflecting on policy knowledge and practice Incorporating practical reflection activities case studies exemplar scenarios and questions in each chapter the book considers policy developments and how these have affected young children and their families issues around socio-culturalism language ethnicity disposition gender inclusion and socio-economics when working with families learning through play and the notions of quality observation and assessment and continuity contemporary issues that practitioners and students on placement may encounter in their everyday work deepening reflective thinking and practice through ongoing and continuing professional development With practical guidance to help the reader reflect on their own practice this text offers invaluable support to early years practitioners looking to develop their career and achieving higher qualification at both undergraduate and at Master's level The book is a must for students on early years courses including early childhood studies initial teacher training and early years teacher status

Care and Education in Early Childhood Audrey Curtis, Maureen O'Hagan, 2003-12-16 This book provides a comprehensive text that brings together the core issues surrounding the training of early years students

Professionalism and Leadership in Early Childhood Education and Care Mary A. Dyer, Samantha McMahon, 2022-12-23 Professionalism and Leadership in Early Childhood Education and Care explores the tension between what early years practitioners are expected to achieve and the level of expertise and understanding required to underpin this It examines the impact of recent policies on the agency of individual practitioners and the culture and ethos of their settings and questions the driving factors behind reforms to curriculum and practice and where this locates practitioners and their provision Bringing together the latest research and ideas on professionalism and leadership the book explores how professional status is understood and acquired and what makes this problematic in ECEC It explores the impact of different leadership approaches what needs to be challenged and sets out how the workforce might assert its own identity and values and continue to advocate for the needs of young children Including case studies to illustrate the lived experiences of individual practitioners as they worked towards becoming graduate professionals this will

be valuable reading for early years professionals engaged in undergraduate and postgraduate study and those researching policy development and professional identity within ECEC *The British National Bibliography* Arthur James Wells,2003

Engelsk - Pædagogisk Assistentuddannelse Anne Brunstrøm,2009 **Independent Schools Yearbook 2012-2013** none,2013-06-20 The highly respected book of reference of sought after Independent Schools in membership of the Independent Schools Council s Associations HMC GSA The Society of Heads IAPS ISA and COBIS **Early Years: Progress in Developing High Quality Childcare and Early Education Accessible to All** Committee of Public Accounts,2004 Research shows that high quality childcare and early education has positive influences on child development and that lack of accessible and affordable childcare can be a barrier to work for parents of young children The Government has increased spending on early years provision and developed the National Childcare Strategy and a number of other initiatives Following on from a National Audit Office report on this topic HCP 268 session 2003 04 ISBN 0102927332 published in February 2004 the Committee s report examines the progress that has been made in increasing the supply of early years provision improving choice for parents and delivering improvements in care standards Findings include that although there has been significant investment and good progress made in increasing the number of childcare places available there are continuing regional gaps in provision particularly in London Early year programmes need to focus on services for deprived children outside recognised disadvantaged areas and more use should be made of school premises to meet unmet demand

Pedagogies of Care with One-Year-Olds Maria Cooper,Carrey Tik-Sze Siu,Mary Benson McMullen,Jean Rockel,Sacha Powell,2025-04-24 This book applies the principles of Friedrich Froebel 1782 1852 to infant toddler care and education today in England the USA New Zealand and Hong Kong The book contributes to critical debates on the application of Froebelian principles including unity and connectedness play nature and creativity and makes recommendations for practice in infant toddler education and care settings in diverse cultural contexts The authors present new research from ethnographic studies carried out in the four countries which investigate pedagogies of care with one year olds in infant toddler settings To avoid perpetuating a universal approach the book presents multiple perspectives based on the diverse cultures across the four countries Throughout the book connections are made between Froebelian principles infant toddler pedagogy and early learning **Professionals in early childhood education and care systems** Pamela Oberhuemer,Inge Schreyer,Michelle J. Neuman,2010-05-19 In a European context of rapidly expanding early education care provision for young children the staffing of these services is a critical quality issue What are the requirements for professional education and training How alike or how varied are the qualification profiles and fields of work Through detailed country reports and comparative analyses across 27 countries this book provides answers to these questions *A Practical Guide to Working with Parents* Christine Hobart,2003 Working with parents is a key competence required in all areas of child care employment and this much needed resource provides thorough coverage of this important area Unlike other books this guide offers a
