Executive Orders Organism for Poetic Research, 2025-06-09 After the election of Donald Trump in 2016 a group of poets artists and activists conceived of a project wherein they could respond to the sudden and seemingly relentless barrage of Trump's dystopian executive orders with a series of their own orders The project titled Executive Orders was envisioned as a collaborative freeform emergency prose poem that would generate real time responses to current events and the emerging American political landscape The result was a poetic catalog of the people's executive orders orders that are at turns serious absurd satirical philosophical critical utopian and so on Executive Orders began as one community's effort to cope with and respond to the tidal wave of reactionary policies enacted or proclaimed during the years of Trump's first administration As an index of historical happenings that charts events in rough chronological order including the Muslim country travel ban Black Lives Matter protests the Brett Kavanaugh hearings the youth climate march the January 6th riot at the US Capitol and many other events it stands as a documentary record of this historical period from the perspective of artists writers leftists progressives and other contributors many of them anonymous Executive Orders is also an experiment in crowdsourced collaborative making that tells a story about the ways we can and can't come together to form a collective that could have a voice in political deliberations

A Symmetry Ari Baniyas, 2021-10-12 Winner of the 2022 Publishing Triangle Trans and Gender Variant Literature Award A thrilling discursive second collection from a poet for this hour bewildered hopeful and cracklingly alive Mark Doty The poems in Ari Baniyas's thrilling and discursive second collection *A Symmetry* unsettle the myth of a benevolently ordered reality Through uncanny repetitions and elliptical inquiry Baniyas contends with the inscriptions of nationhood language and ancestral memory in the architectures of daily experience Refusing the nostalgias of classicism and the trap of authenticity these poems turn instead to a Greece of garbage strikes and throwaway tourist pleasures where bad gender means bad grammar and a California coast where mansions offer themselves to be crushed under your thumb A piece of citrus hurled into one poem's apartment window rolls downhill and escapes the narrative altogether in another Farmers destroy their own olive trees strangers mesmerize us as they fold sheets into perfect corners artists who design border wall prototypes are artists who say they leave politics out of it Climate collapse and debt accelerate and desire transforms itself in the ruins From within psychic interiors and iconic sites the museum the strip mall the discotheque the sea *A Symmetry* attends to the intimate social proportions of our material world and discerns the simmering potential of a present that can be some other way And is

Historical Dictionary of Women in the Middle East and North Africa Ghada Talhami, 2013 The overriding theme of this work is that women's struggles human rights myths and literary expression are indispensable to an understanding of the modern culture and socio political development of the Middle East region The work demonstrates that no aspect of Middle Eastern history and modern evolution was shaped in isolation of women's lives and contributions to society The dictionary covers the biographies and written work of prominent historical female figures in the Middle East and

North Africa as well as 20th century feminists both male and female who advanced women's rights over many years. The Historical Dictionary of Women in the Middle East and North Africa includes a chronology, an introductory essay, an extensive bibliography, and a dictionary section that has over 400 cross-referenced entries on various aspects of Middle Eastern feminism and culture touching upon religious themes such as Sharia laws, Islamic marriage, divorce, and inheritance practices. This book is an excellent access point for students, researchers, and anyone wanting to know more about the culture and history of women in the Middle East and North Africa. Edinburgh Companion to the Arab Novel in English Nouri Gana, 2015-04-17. Opening up the field of diasporic Anglo-Arab literature to critical debate, this companion spans from the first Arab novel in 1911 to the resurgence of the Anglo-Arabic novel in the last 20 years. There are chapters on authors such as Ameen Rihani, Ahdaf *The Aunt Lute Anthology of U.S. Women Writers* Lisa Maria Hogeland, Mary Klages, 2004. Volume One: 17th through 19th Centuries; Volume Two: The 20th Century. *Time's Fool* A. Clare Brandabur, 2016-05-11. *Time's Fool: Essays in Context* is a collection of essays on a broad range of topics from Gilgamesh to James Joyce and beyond to Kazuo Ishiguro, Michael Ondaatje, Yaar Kemal, Cormac McCarthy, Abdulrahman Munif, and many others. *Time's Fool* is a memorial to the life work of A. Clare Brandabur, who walked away from a tenure-track teaching position at the University of Illinois to embark on a career of teaching in Middle Eastern universities in Jordan, Syria, Bahrain, occupied Palestine, Cyprus, Ankara, and finally Istanbul, where she taught for the last decade and a half of her life. Had Clare stayed with a career at a Research I university in the United States, her scholarship would have been far less rich and free-wheeling, more narrow, concentrated, and specialized, and she would not have been able to help and inspire her graduate and undergraduate students from the Near East and especially during her last five or six years at Fatih University from around the world. The essays are organized into five main groups: Gender and Family Relations and Ecocriticism; Colonialism and Post-Colonialism; Colonialism and Ireland; Colonialism, Palestine, Genocide; and a final catch-all section of Miscellaneous Essays that includes Gilgamesh, T.E. Lawrence, Yaar Kemal, Graham Green, and modern theory. There are also sub-categories that transcend the six sections, such as Arab Literature, Catholicism, Women's Studies, and Mythology, something for everyone in short. Clare's essays give a sense of her breadth of scholarship and her very rich play of mind, but the real monument to her life's work is in the hearts and minds of the students from around the world whom she influenced.
