Off Key Kay Dickinson, 2008-03-27 In *Off Key* Kay Dickinson offers a compelling study of how certain alliances of music and film are judged aesthetic failures Based on a fascinating and wide ranging body of film music mismatches and using contemporary reviews and histories of the turn to post industrialization the book expands the ways in which the union of the film and music businesses can be understood Moving beyond the typical understanding of film music that privileges the score *Off Key* also incorporates analyses of rock n roll movies composer biopics and pop singers crossing over into acting By doing this it provides a fuller picture of how two successful entertainment sectors have sought out synergistic strategies ones whose alleged failures have much to tell about the labor practices of the creative industries as well as our own relationship to them and to work itself A provocative and politically conscious look at music image relations *Off Key* will appeal to students and scholars of film music cinema studies media studies cultural studies and labor history *A Little Off Key* Brian W. Elliott, 2025-08-12 *A Little Off Key* features fifty original songs written over a period of thirty plus years The songs are written from several perspectives including a father a son and a doctor The songs in *A Little Off Key* are about life loss luck loneliness dogs cats birds and even goldfish And of course relationships and religion and evolution and creation and eternity and family and getting old and lots of other stuff Author Brian Elliott has never been a good enough singer or guitar player to be recruited by another band so he started his own The Little Off Key Band motto We may not be very good but at least we don't know many songs can be found playing for free mostly at animal rescue centers and retirement homes , *Fishery Bulletin* , 1977 **Céline** Philippe Bonnefis, 1997-01-01 **Bulletin** , 1916 **You Never Forget Your First** Josh Lewin, 2014-05-27 Having already penned *Getting in the Game* his inside scoop on the mayhem within baseball's winter meetings Josh Lewin once again gives baseball fans a window into the big leagues By interviewing big league ballplayers about their first day in the majors Lewin creates fascinating mini biographies of the players highlighting the personalities hidden behind the on field accomplishments He lets the players recount their own memories of how they made it to the big leagues In *You Never Forget Your First* Lewin shares the stories of players great and less so Tony Gwynn recalls singling in his first at bat and finding Pete Rose waiting for him at first base with a wink and a warning Don't break my record all at once kid Bob Brenly heard of his call up on the car radio while on a family trip to the Grand Canyon He then stood helplessly in the middle of the Arizona desert after his transmission gave out trying to convince passersby he was a ballplayer heading to the big leagues and needed a lift to the airport Duane Kuiper witnessed a fight both on the field and in his own clubhouse his first day in Cleveland Greg Maddux recalls being stuck at the Chicago River drawbridge convinced he'd never make it to Wrigley Field in time for his debut Lewin interviews modern star players such as A Rod Barry Bonds and Manny Ramirez as well as Hall of Famers such as Jim Palmer Don Sutton and George Brett More than 100 popular baseball players are profiled complete with the box scores of their big league debuts **Administrative Report LJ** , 1989 *Bulletin of the United*
