he fought with the Royal Norfolk regiment or so he said that he was an army boxing champion impossible to check out that  
he spent a couple of years in South Africa which may have been true as there were two African language books on the  
bookshelves at home that he was educated at Winchester but he knew no Latin or Greek that his family were killed in the  
Blitz with one brother dying in North Africa and which may have included a baby son something his post stroke lability let  
slip and that he was Jewish which she knew from her own DNA test taken long after he died Nothing much checked out and  
the family history searches revealed no mention of the surname before his marriage certificate So she filled in the blanks and  
gave him a past one which would honour the father with whom she had shared a difficult relationship largely she came to  
acknowledge due to the psychological scars he bore Anyone who has read *En Passant* will have become acquainted with Saul

**Creative License** James Charnley,2015-02-26 Creative License describes what happened next and the continuum leading up to this moment In this ground breaking study James Charnley reveals the personalities and events that ignited an explosion of radical creativity such that a contemporary observer Patrick Heron could describe Leeds College of Art as an unprecedented inventive powerhouse on the national scene Between 1963 and 1973 Leeds College of Art and Leeds Polytechnic were at the forefront of an experiment in art and education where all that was forbidden was to be dull With Jeff Nuttall Robin Page George Brecht Patrick Hughes and John Fox on the staff students pushed the freedom and facilities offered further than anything before or since Creative License captures the rebellious trajectory of the 1960s the emergence of the counter culture dissent and later disillusionment This is a case study of an era when art colleges were well funded and well free and at Leeds had a mission to progress the avant garde project to the next level Perhaps only now can the consequences of this experiment be assessed and its achievements recognised and James Charnley sets out to do just that

**Harold Holt** Ross Walker,2022-08-30 A revelatory biography of Harold Holt the prime minister who helped create modern Australia Harold Holt was a pivotal prime minister in Australian history Ambitious modern and telegenic he helped bring his party and nation into the late twentieth century following the Menzies years Nowhere was Holt s legacy more significant than in the 1967 referendum and in helping to end the White Australia policy At the same time as the Vietnam War raged Holt dramatically increased Australian troops telling President Lyndon B Johnson in 1966 that Australia was all the way with LBJ In this evocative intimate and deeply researched biography Ross Walker captures the worlds in which Holt moved and the people who were close to him He reveals a popular gentle yet at times self destructive man whose tendency to always go one step further would have fatal consequences This is a strikingly original portrait of Australia s seventeenth prime minister A beautifully told story of a fascinating Australian life and a tragic prime ministership not only in its bizarre end but in the entanglement of an amiable easygoing man in poisonous political rivalry and a brutal and contentious war in Vietnam
