

New Haven October 15th 1776

Sir

In consequence of your favour proposing a descent on Long Island, at the same time as I was so unhappy as not to be able to meet General Clinton & Lincoln at this place as requested, I applied to the State of Rhode Island. And obtained their Consent & Orders that Capt. Richmond and such part of his Battalion, as shall not enlist on board the Continental Vessels, should assist in the Enterprise: Capt. Richmond will accordingly begin his March this Day for New London & bring with him the Whale Boats collected in Massachusetts Bay & Rhode Island to the Number of between 80 & 90 which it is apprehended will be of great Use to the Troops divided in this service; especially to secure & assist their Retreat should it be attempted to be cut off. When Capt. Richmond arrives at New London he has Orders to put himself under the Command of such General Officer as your Excellency shall appoint.

I have this Day conferred with Capt. the Hon. John Livingston on the Subject, they inform me they are supplied with Provisions and Ammunition for their purpose, & only want such a Number of Water Craft as with the Whale Boats divided into three parts, that ~~each~~ ^{each} may be sufficient to transport 12 hundred Men. As he means each Division to be so placed as to be in Call to the Island as if cut off from one he may resort to the other to make his retreat sure. I therefore have Order'd for him and have say will be provided, & ready without Delay.

The Number of Men he proposes to set out with will doubtless be sufficient for his first Attempt. But what reinforcements will be necessary soon to follow to pursue every purpose your Excellency will judge; they may be drawn over from Hartford & Norwich very soon if plac'd there. I am apprehensive that some Difficulties may arise with respect to the Command of the Detachment. Capt. the Hon. John Livingston is a Superior Officer to Capt. C. Livingston & Richmond is Superior in Rank to both. But Livingston appears to be a young Gentleman of great Spirit and Abilities and has every Advantage in his Knowledge of the Island & its people there. The other Gentlemen have also their Merit; may not a Difficulty arise as to the Command. I hope then with not as the Gentlemen are all well disposed I hope they will cooperate to the best Advantages of each - that a further Enquiry to render their Operations effectual you will please to consider & direct.
