The Bridge of Perfect Wisdom Rupa Monerawela, 2013-07 China's Cultural Revolution brought a halt to the everyday life of ordinary citizens and the monotonous routine of daily life was disturbed by political accusations made by Red Guards The writer gives vivid descriptions of incidents the burning of antiques destroying artists work desecrating religious places of worship and attacking the religious beliefs of the people Forty seven years have

now elapsed and the present generation of Chinese may be able to understand some of the political developments that opened up the country liberalising the economy and the beginning of some form of individual freedom Although living in the diplomatic enclave the writer seized the opportunity to gather information from a cross section of Chinese and from translations of the local newspaper Shinhwa She is sympathetic to Chairman Mao's idealism but with the advent of indisciplined and immature groups of Red Guards negating the democratic communist dream the heroine in the novel naively believes different things could be achieved The story is fact and fiction as firsthand incidents that took place bring out the authenticity of this historical period in China The characters are fictitious and if there is any resemblance to actual people it is entirely coincidental This is the work of an author moving in an environment of diplomats and politicians during a very volatile period Gill Graham Maw July 2013

What Remains Tobie Meyer-Fong, 2013-03-27 The Taiping Rebellion was one of the costliest civil wars in human history Many millions of people lost their lives Yet while the Rebellion has been intensely studied by scholars in China and elsewhere we still know little of how individuals coped with these cataclysmic events Drawing upon a rich array of primary sources What Remains explores the issues that preoccupied Chinese and Western survivors Individuals families and communities grappled with fundamental questions of loyalty and loss as they struggled to rebuild shattered cities bury the dead and make sense of the horrors that they had witnessed Driven by compelling accounts of raw emotion and deep injury What Remains opens a window to a world described by survivors themselves This book transforms our understanding of China's 19th century and recontextualizes suffering and loss in China during the 20th century

The Perfect Matrimony: The Door to Enter into Initiation Samael Aun Weor, 2025-02-01 Love is the highest religion Samael Aun Weor The First Public Revelation of the Sexual Teachings in Every Religion All religions have symbols myths and cryptic scriptures that point towards sex but their real meanings were kept secret The Perfect Matrimony was the first book to

reveal those secrets to the public The Western religions say that our suffering began when Adam and Eve ate the forbidden fruit an obviously sexual symbol that was never before explained to the public We are suffering today because we are still eating that forbidden fruit When we stop repeating that mistake we can return to Eden a Hebrew word that literally means bliss pleasure delight The forbidden fruit is related to sex Sex is a terrific power that can create or destroy Everything that lives was created through sex Sex is the source of all life even spiritual life Even the soul is created through sex but not the sexual act of the common person To create something divine requires divine sacred sexuality which is very different from the common sexual act To create spiritually we need sexuality that is pure divine holy This is not a book of theories or beliefs but a practical handbook that empowers you to experience the truth for yourself It is filled with practical exercises of sacred sexuality for singles and couples meditation astral projection mantras awakening kundalini and chakras and much more After putting these teachings into daily practice the scriptures of all religions become radiantly clear your spiritual practices become truly effective and powerful and the empty feeling in your heart is replaced by something magical and alive You will then know that real religion is not found in organizations buildings or books it is found in the heart that is inflamed with divine love If you only want one book about real spiritual practice The Perfect Matrimony has everything you need Are you ready for a spiritual and sexual revolution
