Rethinking The Judaismhellenism Dichotomy:

Rethinking the Judaism-Hellenism Dichotomy Anders Gerdmar, 2001 'Noncanonical' Religious Texts in Early Judaism and Early Christianity Lee Martin McDonald, James H. Charlesworth, 2012-04-05 Discusses ancient religious texts especially the so called non canonical texts by focusing on how they were used or functioned in Early Judaism and Early Christianity

Roots of Theological Anti-Semitism Anders Gerdmar, 2009 Exploring the link between German biblical interpretation and anti Semitism this book is a fresh comprehensive study of leading German exegetes concluding that although Nazism brought anti Semitic exegesis to a head age old thought structures provided powerful legitimation for oppression A Voyage

Around the Second Letter of Peter Terrance Callan, 2020-03-17 A collection of twelve previously published academic essays on the Second Letter of Peter The essays illuminate selected features of this somewhat mysterious and rather neglected part of the New Testament They invite further exploration of these features and of others not yet illuminated **Ferdinand**

Christian Baur and the History of Early Christianity Martin Bauspiess, Christof Landmesser, David Lincicum, 2017-02-17 Ferdinand Christian Baur 1792 1860 has been described as the greatest and at the same time the most controversial theologian in German Protestant theology since Schleiermacher The controversy was epitomized by a nineteenth century British critic who wrote that his theory makes of Christianity a thing of purely natural origin calls in question the authenticity of all but a few of the New Testament books and makes the whole collection contain not a harmonious system of divine truth but a confused mass of merely human and contradictory opinions as to the nature of the Christian religion The contributors to this volume however regard Baur as an epoch making New Testament scholar whose methods and conclusions though superseded have been mostly affirmed during the century and a half since his death This collection focuses on the history of early Christianity although as a historian of the church and theology Baur covered the entire field up to own time He combined the most exacting historical research with a theological interpretation of history influenced by Kant Schelling and Hegel The first three chapters discuss Baur's relation to Strauss Müller and Hegel Then a central core of chapters considers his historical and exegetical perspectives Judaism and Hellenism Gnosticism New Testament introduction and theology the Pauline epistles the Synoptic Gospels John the critique of miracle and the combination of absoluteness and relativity The final chapters view his influence by analyzing the reception of Baur in Britain Baur and Harnack and Baur and practical theology This work offers a multi faceted picture of his thinking which will stimulate contemporary discussion **Salvation is from**

the Jews Anders Gerdmar, 2024-10-21 Unheil curse disaster according to German scholar Gerhard Kittel this is the Jewish destiny attested to in scripture Such interpretations of biblical texts provided Adolf Hitler with the theological legitimatization necessary to realizing his final solution But theological antisemitism did not begin with the Third Reich Ferdinand Baur's nineteenth century Judaism Hellenism dichotomy empowered National Socialist scholars to construct an Aryan Jesus cleansed of his Jewish identity building on Baur's Enlightenment prejudices Anders Gerdmar takes a fresh look

at the dangers of the politicization of biblical scholarship and the ways our unrecognized interpretive filters may generate someone else's apocalypse *Weak Elements, Weak Flesh* Ernest P. Clark, 2023-12-11 In *Weak Elements Weak Flesh* Ernest Clark reinvigorates an ancient interpretation overlooked since the fourth century Clark argues that when Paul writes we too were enslaved under the elements of the world he means that the elements that compose the cosmos also compose and compromise the flesh allowing sin to enslave human persons through their bodies Gal 4 3 This book demonstrates that early Jews introduced the phrase to refer to the material elements earth water air and fire Greek medicine understood these elements to mediate the bodily stimuli and desires which enslave the soul In his philosophy according to the cosmic elements Philo promotes the law of Moses as the effective way to be redeemed from slavery to the flesh and to attain righteousness Paul's epistle to the Galatians opposes this sort of redemptive nomism Paul accepts that weak elements compose the weak flesh and that they mediate sinful stimuli and desires that lead to the actions of the flesh However he denies that the law can make people alive or righteous Instead Paul prescribes crucifixion with Christ and new life with the Spirit as the cure for sin's infection of the flesh made of weak elements *The Solar Nature of Yahweh* Daniel Sarlo, 2022-10-20 In *The Solar Nature of Yahweh* Reconsidering the Identity of the Ancient Israelite Deity the original nature of the chief god of the Hebrew Bible Yahweh is reexamined Daniel Sarlo challenges the current consensus that Yahweh was initially a storm god by examining the relevant biblical texts and comparing them with Ancient Near Eastern texts ultimately arguing that Yahweh was a solar deity The implication of this research is that Yahweh was not a minor god who gradually accumulated characteristics to become the head of the ancient Israelite pantheon but rather a significant god from the very beginning or at least before the inception of the United Monarchy **Reading 1-2 Peter and Jude** Eric F. Mason, Troy W. Martin, 2014-03-31 An essential textbook on 1 2 Peter and Jude for readers of all levels Scholars engage the best contemporary work on 1 2 Peter and Jude in this student oriented book The first four chapters in this collection on authorship and pseudonymity literary relationships among the three books epistolary rhetoric and apocalyptic elements consider important foundational issues related to all three epistles These essays lay the groundwork for more focused chapters that examine theology and theory in 1 Peter as well as a stylistic theological and thematic overlap in Jude and 2 Peter Features A range of theological literary and theoretical approaches Definitions for specialized terminology Historical and cultural background information Explanations of methodologies *The Multilingual Jesus and the Sociolinguistic World of the New Testament* Hughson T. Ong, 2015-10-05 In *The Multilingual Jesus and the Sociolinguistic World of the New Testament* Hughson Ong provides a study of the multifarious social and linguistic dynamics that compose the speech community of ancient Palestine which include its historical linguistic shifts under different military regimes its geographical linguistic landscape the social functions of the languages in its linguistic repertoire and the specific types of social contexts where those languages were used Using a sociolinguistic model his study attempts to paint a portrait of the sociolinguistic situation of ancient Palestine This book is arguably the most

comprehensive treatment of the subject matter to date in terms of its survey of the secondary literature and of its analysis of the sociolinguistic environment of first century Palestine

God as Father in Paul Abera M. Mengestu, 2013-08-28 God as Father in Paul explores Paul's use of the kinship term Father to refer to God along with related familial terms children of God and Christ followers as brothers and sisters as part of a study of the use of kinship language in the identity formation of early Christianity Mengestu argues that these kinship terms are shared modes of identity constructions within the wider textual and cultural settings the Roman Empire the Roman Stoic philosophers the Hebrew Bible and ancient Jewish literature from which Paul draws on as well as contests Employing theoretical kinship and social identity theory as well as interpretative approaches imperial critical and narrative approaches to Paul he contends that Paul uses God as Father consistently strategically and purposefully in both stable and crisis situations to develop a narrative orienting framework s that images the community of Christ followers as a family that belongs to God who together with the Lord Jesus Christ bestows on them equal but diverse membership in the family The narrative so constructed forms the foundation for referring to Christ followers as children of God and brothers and sisters of one another It constructs boundaries and serves as nexus of transformation and negotiation

Jewish Cultural Encounters in the Ancient Mediterranean and Near Eastern World Mladen Popović, Myles Schoonover, Marijn Vandenberghe, 2017-01-23 The essays in this volume originate from the Third Qumran Institute Symposium held at the University of Groningen December 2013 Taking the flexible concept of cultural encounter as a starting point the essays in this volume bring together a panoply of approaches to the study of various cultural interactions between the people of ancient Israel Judea and Palestine and people from other parts of the ancient Mediterranean and Near Eastern world In order to study how cultural encounters shaped historical development literary traditions religious practice and political systems the contributors employ a broad spectrum of theoretical positions e g hybridity m tissage frontier studies postcolonialism entangled histories and multilingualism to interpret a diverse set of literary documentary archaeological epigraphic numismatic and iconographic sources

An Anomalous Jew Michael F. Bird, 2016-11-11 Lively well informed portrait of the complex figure who was the apostle Paul Though Paul is often lauded as the first great Christian theologian and a champion for Gentile inclusion in the church in his own time he was universally regarded as a strange and controversial person In this book Pauline scholar Michael Bird explains why An Anomalous Jew presents the figure of Paul in all his complexity with his blend of common and controversial Jewish beliefs and a faith in Christ that brought him into conflict with the socio religious scene around him Bird elucidates how the apostle Paul was variously perceived as a religious deviant by Jews as a divisive figure by Jewish Christians as a purveyor of dubious philosophy by Greeks and as a dangerous troublemaker by the Romans Readers of this book will better understand the truly anomalous shape of Paul's thinking and worldview

Testament books to the latter Pauline and non Pauline corpora By dividing the volumes according to the socioreligious contexts for which they were written Witherington sheds fresh light on the documents their provenance character and importance *Discourses of Empire* Hans Leander,2013-10-31 This inventive work explores Mark's Gospel within the contexts of the empires of Rome and Europe In a unique dual analysis the book highlights how empire is not only part of the past but also of a present colonial heritage The book first outlines postcolonial criticism and discusses the challenges it poses for biblical scholarship then scrutinizes the complex ways with which nineteenth century commentaries on Mark's Gospel interplayed with the formation of European colonial identities It examines the stance of Mark's Gospel vis vis the Roman Empire and analyzes the manner in which the fibers of empire within Mark are interwoven reproduced negotiated modified and subverted Finally it offers synthesizing suggestions for bringing Mark beyond a colonial heritage The book's candid use of postcolonial criticism illustrates how a contemporary perspective can illuminate and shed new light on an ancient text in its imperial setting *First and Second Peter, Jude (Catholic Commentary on Sacred Scripture)* Daniel Keating,2011-11-01 Examine the New Testament from within the living tradition of the Catholic Church In this addition to the Catholic Commentary on Sacred Scripture CCSS Daniel Keating interprets First and Second Peter and Jude for pastoral ministers and lay readers alike The CCSS relates Scripture to Christian life today is faithfully Catholic and is supplemented by features designed to help pastoral ministers lay readers and students better comprehend the Bible and use it more effectively Commentary features include Biblical text from the New American Bible Revised Edition NABRE References to the Catechism the Lectionary and related biblical texts Theological insights from Church fathers saints and popes Reflection and application sections for daily Christian living Suggested resources and an index of pastoral subjects Attractively packaged and accessibly written the CCSS aims to help readers understand their faith more deeply nourish their spiritual life and share the good news with others **Early Judaism and Modern Culture** Gerben S.
