## **Richard Strauss A Chronicle Of The Early Years 1864 1898:**

**Richard Strauss** Willi Schuh, 1982-07-08      **Mahler and Strauss** Charles Youmans, 2016-09-05 A rare case among history's great music contemporaries Gustav Mahler 1860 1911 and Richard Strauss 1864 1949 enjoyed a close friendship until Mahler's death in 1911 Unlike similar musical pairs Bach and Handel Haydn and Mozart Schoenberg and Stravinsky these two composers may have disagreed on the matters of musical taste and social comportment but deeply respected one another's artistic talents freely exchanging advice from the earliest days of professional apprenticeship through the security and aggravations of artistic fame Using a wealth of documentary material this book reconstructs the 24 year relationship between Mahler and Strauss through collage a meaning that arises from fragments to borrow Adorno's characterization of Mahler's Sixth Symphony Fourteen different topics all of central importance to the life and work of the two composers provide distinct vantage points from which to view both the professional and personal relationships Some address musical concerns Wagnerism program music intertextuality and the craft of conducting Others treat the connection of music to related disciplines philosophy literature or to matters relevant to artists in general autobiography irony And the most intimate dimensions of life childhood marriage personal character are the most extensively and colorfully documented offering an abundance of comparative material This integrated look at Mahler and Strauss discloses provocative revelations about the two greatest western composers at the turn of the 20th century      **Richard Strauss: Salome** Derrick Puffett, 1989-10-19 This first full length study of Salome in English since Lawrence Gilman's 1907 moves from historical and literary analysis to critical appraisal and includes a synopsis bibliography and discography      **German Lieder in the Nineteenth Century** Rufus Hallmark, 2009-09-10 German Lieder in the Nineteenth Century provides a detailed introduction to the German lied Beginning with its origin in the literary and musical culture of Germany in the nineteenth century the book covers individual composers including Schubert Schumann Brahms Strauss Mahler and Wolf the literary sources of lieder the historical and conceptual issues of song cycles and issues of musical technique and style in performance practice Written by eminent music scholars in the field each chapter includes detailed musical examples and analysis The second edition has been revised and updated to include the most recent research of each composer and additional musical examples      **Richard Strauss in Context** Morten Kristiansen, Joseph E. Jones, 2020-10-29 Richard Strauss in Context offers a distinctive approach to the study of a composer in that it places the emphasis on contextualizing topics rather than on biography and artistic output One might say that it inverts the relationship between composer and context Rather than studies of Strauss's librettists that discuss the texts themselves and his musical settings for instance this book offers essays on the writers themselves their biographical circumstances styles landmark works and broader positions in literary history Likewise Strauss's contributions to the concert hall are positioned within the broader development of the orchestra and trends in programmatic music In short readers will benefit from an elaboration of material that is either absent from or treated only

briefly in existing publications Through this supplemental and broader contextual approach this book serves as a valuable and unique resource for students scholars and a general readership

**Richard Strauss and His World** Bryan Randolph Gilliam,1992-08-30 Strongly influencing European musical life from the 1880s through the First World War and remaining highly productive into the 1940s Richard Strauss enjoyed a remarkable career in a constantly changing artistic and political climate This volume presents six original essays on Strauss s musical works including tone poems lieder and operas and brings together letters memoirs and criticism from various periods of the composer s life Many of these materials appear in English for the first time In the essays Leon Botstein contradicts the notion of the composer s stylistic about face after Elektra Derrick Puffett reinforces the argument for Strauss s artistic consistency by tracing in the tone poems and operas the phenomenon of pitch specificity James Hepokoski establishes Strauss as an early modernist in an examination of Macbeth Michael Steinberg probes the composer s political sensibility as expressed in the 1930s through his music and use of such texts as *Friedenstag* and *Daphne* Bryan Gilliam discusses the genesis of both the text and the music in the final scene of *Daphne* Timothy Jackson in his thorough source study argues for a new addition to the so called Four Last Songs Among the correspondence are previously untranslated letters between Strauss and his post Hofmannsthal librettist Joseph Gregor The memoirs range from early biographical sketches to Rudolf Hartmann s moving account of his last visit with Strauss shortly before the composer s death Critical reviews include recently translated essays by Theodor Adorno Guido Adler Paul Bekker and Julius Korngold Publisher description

**The Ballet Collaborations of Richard Strauss** Wayne Heisler,2009 An interdisciplinary study of the contributions made by Strauss to the development of ballet this study shows how the composer collaborated with prominent dance artists of his time how he entered upon an exploration of musical modernism

Reader's Guide to Music Murray Steib,2013-12-02 The Reader s Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3 20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology

### **Richard Strauss A Chronicle Of The Early Years 1864 1898 Introduction**

In today's digital age, the availability of Richard Strauss A Chronicle Of The Early Years 1864 1898 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Richard Strauss A Chronicle Of The Early Years 1864 1898 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Richard Strauss A Chronicle Of The Early Years 1864 1898 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Richard Strauss A Chronicle Of The Early Years 1864 1898 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Richard Strauss A Chronicle Of The Early Years 1864 1898 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Richard Strauss A Chronicle Of The Early Years 1864 1898 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Richard Strauss A Chronicle Of The Early Years 1864 1898 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Richard Strauss A Chronicle Of The Early Years 1864 1898 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Richard Strauss A Chronicle Of The Early Years 1864 1898 books and manuals for download and embark on your journey of knowledge?
