Rumi In The Arms Of The Beloved:

Rumi Jonathan Star,2008-12-26 Landmark translations of the Sufi poet mystic Rumi from the acclaimed interpreter of the Tao Te Ching Jonathan Star has assembled selections of Rumi's verse in a treasury that spans the poet's life and includes his most celebrated and poignant work It is an enchanting volume of classic Eastern thought that creates an exhilarating experience for all readers **Rumi** Jalāl al-Dīn Rūmī (Maulana),2008 *The Aquarian Gospel of Jesus the Christ* Levi H. Dowling,2009-03-05 An extraordinary vision of unity among the world's historic faiths and a classic of New Age spirituality Here is a hugely influential interpretation of the lost years of Jesus Christ from roughly the ages of twelve to thirty that are not covered in Scripture in which the Son of Man is seen to travel through the religious cultures of the East learning and preaching the unifying spiritual ethic behind all religions The Aquarian Gospel of Jesus the Christ is a stirring and deeply involving vision that profoundly impacted the development of alternative spirituality in the early twentieth century and continues to touch readers today Now the unabridged narrative of this powerful work drawn from one of its earliest volumes is redesigned for ease of reading in a handsome signature edition *Rumi's Songs of the Soul* Rae Chandran,2017-11-03 What is not known about me is that I was greatly influenced by the understandings and philosophy of the magi who were the followers of the sacred fire I had thoughts put into my mind while I slept and during times of deep silence about the sacredness of all life and about how to accept things in life without discarding any of it I followed this and never gave up on finding God for in rejecting any part of God I was rejecting God entirely Now in modern times people must carefully examine what supported them before and make adjustments and corrections wherever necessary I wanted to bring my writings in a newer form that would suit your present Earth reality because of the changing times and planetary shift To do this I chose my old student Rae he was one of the students at the seminary in Konya to bring forth this new understanding to help people remember the Law of One and the Family of God I offer these poems in humble gratitude Rumi **Seven Years in Tibet** Heinrich Harrer,2009-08-20 In this vivid memoir that has sold millions of copies worldwide Heinrich Harrer recounts his adventures as one of the first Europeans ever to enter Tibet Harrer was traveling in India when the Second World War erupted He was subsequently seized and imprisoned by British authorities After several attempts he escaped and crossed the rugged frozen Himalayas surviving by duping government officials and depending on the generosity of villagers for food and shelter Harrer finally reached his ultimate destination the Forbidden City of Lhasa without money or permission to be in Tibet But Tibetan hospitality and his own curious appearance worked in Harrer's favor allowing him unprecedented acceptance among the upper classes His intelligence and European ways also intrigued the young Dalai Lama and Harrer soon became His Holiness's tutor and trusted confidant When the Chinese invaded Tibet in 1950 Harrer and the Dalai Lama fled the country together This timeless story illuminates Eastern culture as well as the childhood of His Holiness and the current plight of Tibetans It is a must read for lovers of travel adventure history and culture A motion picture under the

the diverse and unique perspectives of spirituality as expressed by the world's major religions. At the same time it explores the similarities between the major religions with respect to the transcendental experience itself. There are many paths that lead up to the mountain and from its summit one can appreciate them all. Whatever your current spiritual practice may be the intention of this book is to help you deepen it. It was written to support mutual respect and tolerance between different cultures and their spiritual ideologies. We can even find ways to appreciate one another. For those of us who follow the spiritual journey there is more that unites us than separates us. And the diversity between us can open us to new inspiration and to closer union with Spirit as we listen to one another with an open heart.

Life Is Short Dean Rickles, 2025-01-14 Why life's shortness more than anything else is what makes it meaningful. Death might seem to render pointless all our attempts to create a meaningful life. Doesn't meaning require transcending death through an afterlife or in some other way? On the contrary, Dean Rickles argues, life without death would be like playing tennis without a net. Only constraints and death is the ultimate constraint make our actions meaningful. In *Life Is Short* Rickles explains why the finiteness and shortness of life is the essence of its meaning and how this insight is the key to making the most of the time we do have. *Life Is Short* explores how death limits our options and forces us to make choices that forge a life and give the world meaning. But people often live in a state of indecision in a misguided attempt to keep their options open. This provisional way of living always looking elsewhere to the future to other people to other ways of being and never committing to what one has or alternatively putting in the time and energy to achieve what one wants is a big mistake and *Life Is Short* tells readers how to avoid this trap. By reminding us how extraordinary it is that we have any time to live at all *Life Is Short* challenges us to rethink what gives life meaning and how to make the most of it.

The No Self, No Problem Workbook Chris Niebauer, 2023-03-02 Why are you unhappy? Because 99.9 percent of everything you think and of everything you do is for yourself and there isn't one. Wei Wu Wei. In his bestselling book *No Self No Problem* How Neuropsychology Is Catching Up to Buddhism Professor Chris Niebauer explored the incredible link between Eastern philosophy and recent findings in neuropsychology which is now confirming a fundamental tenet of Buddhism: anatta or the doctrine of no self. We are just beginning to understand these parallels and what they mean for the human experience. Now Niebauer takes a deeper dive offering exercises and practices you can do right now to experience the state of no self and its benefits. These include being more present, finding inner peace and seeing the world through the eyes of what Niebauer calls clear consciousness. Read this book, do the practices and begin to disidentify with the false sense of self that is the root cause of almost all the anxiety, depression and fear we experience as human beings.
