Long Distance Parenting Guide Book Evelyn T. Meribe, 2017-08-27 LONG DISTANCE PARENTING GUIDE

BOOK It is quite obvious we all know how difficult it has become for parents all over the world these days to meet up with the economic needs and demands in average families. As a consequence, many parents have resorted to both couples working or leaving the home for business or something else. Therefore, as a result of such situations, they delegate their duty of parenting their children to someone else or the Children Day care centers. In order to perform their parental roles to the child or children with modern communication technology, they call their home from wherever they may be at any given time, inquiring about the well-being and welfare of their children. That scenario, the author of this Kindle book, Long Distance Parenting Guide, has put all her experience as a former public school teacher and a Caregiver in Canada into a book. The author, who has been involved in the practice of long distance parenting for many years, has shared her experiences in her book. She gave suggestions to parents on how to remain connected with their kids even when they are not physically present with them at home to monitor their growth developments. Take a closer look at Long Distance Parenting Guide Book now; I know you will like what you see.
