Selected Works of Laura Lee Hope Laura Lee Hope, Oh Bunny Here comes Bunker Blue Where is he I don't see him Bunny Brown and his Sister Sue were playing on the shady side porch of their house one morning when the little girl looking up from a cracker box which had been made into a bed where she was putting her doll to sleep saw a tall boy walking up the path There's Bunker went on Sue to her brother Bunny at the same time pointing Maybe he's come to take us for a ride in one of daddy's fishing boats Have you Bunker asked Bunny standing up and brushing some shavings from his little jacket for he had been using a dull kitchen knife trying to whittle out a wooden boat from a piece of curtain stick Oh Bunker have you Have I what asked the tall boy who worked on the dock where Mr Brown the father of Bunny and Sue carried on a boat and fish business Have I what Bunker asked again and he stood still and gazed at the two small children who were anxiously looking at him Have you come to take us for a ride asked Bunny In one of daddy's boats added Sue who generally waited for her brother to speak first since he was a year older than she Not this time messmates answered Bunker Blue with a laugh calling the children the name one sailor sometimes gives to another Not this time messmates I've come up to get the ark Oh the ark cried Bunny Did you hear that Sue Bunker has come up to get the ark Oh Oh and Sue fairly squealed in delight Then we'll have a nice ride in that Wait Bunker till I put my doll away and I'll come with you Wait for me And I'll come too added Bunny I can bring my boat with me Tisn't all done yet he added but I can whittle on it when we ride along and then I can sail it when we get to the dock Now avast there and belay messmates cried Bunker Blue with a laugh using some more of the kind of talk he heard among the sailors that came to Mr Brown's dock with boats of fish Wait a minute I didn't say I had come to give you a ride in the ark I just came to get it But

you will let us ride won't you Bunker asked Bunny smiling at the tall boy Cause we'll sit just as still as anything added Sue And I won't touch the steering wheel not once promised Bunny I guess you'd better not not after you once got almost run away with in the big ark said Bunker I should say not Oh please let us come with you begged Sue We want awful much to ride in the ark Bunker While the two children were talking to the tall boy another little girl had crawled under the fence from the street and was now standing near Bunny and his sister She was Sadie West one of Sue's chums and when she heard Bunny's sister begging for a ride in the ark Sadie said Oh Sue is he going to take your Noah's ark away I wouldn't let him if I were you It isn't Noah's ark at all Sue explained We call the big automobile that we had such a long ride in the ark It looks a little like a Noah's ark but it's bigger and we can all get in it she added Oh exclaimed Sadie I thought Bunker meant he was going to take your little ark and all the wooden animals away she added Not this time said Bunker Blue Your father sent me up Bunny to get the big auto the ark as you call it It's got to be fixed and I'm to drive it to the shop over at East Milford That's why I came up Where's your mother I want to tell her I'm taking away the ark so she won't think some tramps or some gypsies have run off with it I'll call her Sue said while Bunny kept on brushing the tiny whittlings from his jacket and short trousers And there was a queer look on the face of Bunny Brown

Two Worlds Berlinda Ivin,2010-03-18 There arent too many humans who go through their daily lives aware that there are two worlds here the human existence and the Demons Demon are everywhere some even live amongst humans There are only two species that are made Vampire and Lamiahaem the others Jorgenhan Changelings Sirens Casanovas Witches and Warlocks are born or hatched and they have normal life cycles Magic plays a big part in our world there are many humans who find that they can make things happen without being able to explain these happenings the ones that are strong are generally found and recruited into our world by the Guard We had visited with many of these Witches and Warlocks One family in particular always stood out the Howard family Their magic was powerful nothing had ever measured up to them in all of my years The matriarch of the family decided not to join us she stayed in the human world Her granddaughters though we would watch from a distance The Guard are soldiers for the Elders There are seven Elders in each sector and there are three sectors that keep the world covered The reason there are seven is to ensure that all main Demons are represented It is very rare that they ever get together it has only happened once in my lifetime and that was in the very beginning when they first came to be The Elders are our law they are the ones who stop all unnecessary murders slaughter being done to humans by our kind They keep harmony There is only one punishment imprisonment followed by death In our sector the lead Elder is my maker my father Elder Thomas Carter he is a Lamiahaem Lamiahaem are very passionate Demons if we were not part of the Guard we would be living peacefully in our large family groups Our species are not naturally aggressive we have had to learn to adapt to a violent world We are made and we make our partners these are always humans that have magical gifts When we meet that partner it is for life this is natural for us It is hard to explain the magnetic pull that you have when you first meet your mate this love is also experienced by the human There is only one mate for you if that is denied you will recover and eventually meet another but it can take some time I have been Lamiahaem since 1554 my name is Simon My father Thomas Carter lost his mate in a fight with vampire before he made me He still cannot explain why he felt the need to change me only to say that he noticed my gift of being able to feel illness and injuries and to know how to heal Father believed that I would be useful to his world We were in Newcastle in 1635 I was with the Guard There were Renegade Vampire feeding off humans that had the plague it appeared their affected blood was something like a drug to them Even though these humans were going to die we were still there to stop them from being slaughtered That was when I seen the woman who would later become my wife Julie she had shoulder length light brown hair and sad brown eyes the feelings I had were instant Her eyes haunted me every second from the moment I seen her It wasnt just sexual desire it was a

desire to look after her to be there for her to never leave her There were obstacles that I had to overcome but in 1637 I made her my wife After she was changed we discovered that Julie could sense feelings My life now had purpose she was everything and she felt the same for me Together we worked at healing both Demons and Humans Normally that is where it would stop we change our mate but Julie and I were different In 1665 the plague had hit London The Vampire returned and so did the Guard Julie had noticed a young man who was angry lonely and deeply upset with himself His family became ill with the plague Julie and I nursed them until their eventual deaths The young man Jonathon became more emotional and was on a path of self destruction he had an ability that he
