## Looking At Ourselves:

*Looking at Ourselves and Others*, 1998 Looking at Ourselves and Others contains lesson plans activities and readings that help students understand components of their own culture and leads them to appreciate and understand differences between their culture and that of others Home page

*Race Experts* Linda Kim, 2018-08-01 In *Race Experts* Linda Kim examines the complicated and ambivalent role played by sculptor Malvina Hoffman in The Races of Mankind series created for the Chicago Field Museum in 1930 Although Hoffman had training in fine arts and was a protégé of Auguste Rodin and Ivan Mestrovic she had no background in anthropology or museum exhibits She was nonetheless commissioned by the Field Museum to make a series of life size sculptures for the museum's new racial exhibition which became the largest exhibit on race ever installed in a museum and one of the largest sculptural commissions ever undertaken by a single artist Hoffman's Races of Mankind exhibit was realized as a series of 104 bronzes of racial types from around the world a unique visual mediation between anthropological expertise and everyday ideas about race in interwar America Kim explores how the artist brought scientific understandings of race and the everyday racial attitudes of museum visitors together in powerful and productive friction The exhibition compelled the artist to incorporate not only the expertise of racial science and her own artistic training but also the popular ideas about race that ordinary Americans brought to the museum Kim situates the Races of Mankind exhibit at the juncture of these different forms of racial expertise and examines how the sculptures represented the messy resolutions between them *Race Experts* is a compelling story of ideological contradiction and accommodation within the racial practices of American museums artists and audiences

*The Gift of Being Yourself* David G. Benner,2015-09-24 In the expanded edition of this

profound exploration of Christian identity David G Benner illuminates the spirituality of self discovery He exposes the false selves that you may hide behind and calls you to discover the true self that emerges from your uniqueness in Christ Deepen your experience of God through discovering the gift of being yourself *Women of Hope* Terry Polakovic,2021-04-20

Throughout the history of the Catholic Church in her most troubled and turbulent times God has raised up great saints as beacons of hope in the midst of darkness Among these great saints the four women Doctors of the Church stand out as models of courage wisdom and trust Their example and teachings remain with us are relevant to the challenges of our own day and urge us on to renewal with unwavering hope Trust shows the way wrote Saint Hildegard of Bingen These words set the courageous standard by which she Teresa of vila Catherine of Siena and Th r se of Lisieux lived The phrase can be considered the watchword for the Church in every age and especially in our own In *Women of Hope* Terry Polakovic introduces these amazing women and describes the troubled times in which they lived and persevered These women remind us that God can work through anyone to bring about his purpose They prove to us that as Christians we can live in confident hope no matter the circumstances in which we find ourselves ABOUT THE AUTHOR Terry Polakovic is cofounder of Endow Educating on the Nature and Dignity of Women and served as president of the organization from 2003 to 2015 Before retiring she worked in nonprofit leadership for more than thirty years In 2010 she received the Pro Ecclesia et Pontifice For the Church and the Pontiff award from Pope Benedict XVI In 2011 Terry was recognized as an Outstanding Catholic Leader by the Catholic Leadership Institute She is the author of *Life and Love Opening Your Heart to God s Design Our Sunday Visitor* 2018 She lives in Colorado with her husband Mike *Art, Creativity, and Politics in Africa and the Diaspora*

Abimbola Adelakun,Toyin Falola,2018-07-26 This book explores the politics of artistic creativity examining how black artists in Africa and the diaspora create art as a procedure of self making Essays cross continents to uncover the efflorescence of black culture in national and global contexts and in literature film performance music and visual art Contributors place the concerns of black artists and their works within national and transnational conversations on anti black racism xenophobia ethnocentrism migration resettlement resistance and transnational feminisms Does art by the subaltern fulfill the liberatory potential that critics have ascribed to it What other possibilities does political art offer Together these essays sort through the aesthetics of daily life to build a thesis that reflects the desire of black artists and cultures to remake themselves and their world **The Practices of the Self** Charles Larmore,2010-12-15 What is the nature of the fundamental relation we have to ourselves that makes each of us a self To answer this question Charles Larmore develops a systematic theory of the self challenging the widespread view that the self s defining relation to itself is to have an immediate knowledge of its own thoughts On the contrary Larmore maintains our essential relation to ourselves is practical as is clear when we consider the nature of belief and desire For to believe or desire something consists in committing ourselves to thinking and acting in accord with the presumed truth of our belief or the presumed value of what we desire Larmore develops this conception with

frequent reference to such classic authors as Montaigne Stendhal and Proust and by comparing it to other views of the self in contemporary philosophy He also discusses the important ethical consequences of his theory of the self arguing that it allows us to better grasp what it means to be ourselves and why self understanding often involves self creation Winner of the Acad mie Fran aise s Grand Prix de Philosophie The Practices of the Self is that rare kind of lucid yet rigorous work that transcends disciplinary boundaries

Adam Smith Jesse Norman,2018-09-11 A dazzlingly original remarkable account of the life and thought of legendary economist Adam Smith Financial Times Adam Smith 1723 1790 is now widely regarded as the greatest economist of all time But what he really thought and the implications of his ideas remain fiercely contested Was he an eloquent advocate of capitalism and individual freedom A prime mover of market fundamentalism An apologist for human selfishness Or something else entirely In the tradition of The Worldly Philosophers Adam Smith dispels the myths and caricatures and provides a far more complex portrait of the man Offering a highly engaging account of Smith s life and times political philosopher Jesse Norman explores his work as a whole and traces his influence over two centuries to the present day Finally he shows how a proper understanding of Smith can help us address the problems of modern capitalism The Smith who emerges from this book is not only the greatest of all economists but a pioneering theorist of moral philosophy culture and society

Origin Christian Eibelshauser,2014-06-17 Is there a purpose to life Is there a higher power Is there an eternity How can our lives be more fulfi lling How do all the pieces fi t together What is the nature of the universe Where does all this star stuff come from What is the origin of the universe Curiosity of the author Christian Eibelshauser compelled him to search for the answers to some of life s most enduring questions Now his astonishing findings are revealed in ORIGIN A Journey Of Discovery The power behind the universe what he calls the infi nite totality is present in every part of the universe In fact it is the universe As such the infinite totality is present in each individual and is known as the cosmic being traditionally called a soul or intuition He believes that the reason so many have failed at finding true happiness in their lives

is because they have fallen out of touch with their personal cosmic being But there is hope To become reacquainted with your cosmic being you must begin consciously examining your Everyday actions and beliefs in an effort to get rid of outdated patterns of living and thinking He also explores the creation of the universe from a scientific standpoint Using physics the author shows that on its most basic level all matter is made up from nothing more than energy with an in depth explanation of the term energy Therefore the universe is the infinite totality or energy itself Finally the author presents a new and totally revolutionary model of the universe hitherto neither contemplated nor depicted The Collected Works of Witness Lee, 1953, volume 2 Witness Lee, The Collected Works of Witness Lee 1953 volume 2 contains messages given by Brother Witness Lee in September through December 1953 Historical information concerning Brother Lee's travels and the content of his ministry in 1953 can be found in the general preface that appears at the beginning of volume 1 in this set The contents of this volume are divided into three sections as follows 1 Thirty six messages given in Taipei Taiwan on September 1 through October 30 1953 These messages are included in this volume under the title Revelations in Ephesians Seeing the Blessings and Position of the Church in Christ 2 Twenty two messages given in Taipei Taiwan on November 3 through December 8 1953 These messages are included in this volume under the title Revelations in Ephesians Seeing the Living and Responsibility of the Church in the Holy Spirit 3 A summary report which appears in the preface of this section followed by fourteen messages given in Taipei Taiwan from September through December 1953 The report and messages are included in this volume under the title Messages and Fellowship Given during the Service Training in Taipei **Power of Love: The Ways and Means** Robert D.
