

Looking For Sex In Shakespeare

Dieter Mehl

Looking For Sex In Shakespeare:

Looking for Sex in Shakespeare Stanley Wells, 2004-04-22 Stanley Wells is one of the best known and most versatile of Shakespeare scholars His new book written with characteristic verve and accessibility considers how far sexual meaning in Shakespeare's writing is a matter of interpretation by actors directors and critics Tracing interpretations of Shakespearean bawdy and innuendo from eighteenth century editors to recent scholars and critics Wells pays special attention to recent sexually orientated studies of *A Midsummer Night's Dream* once regarded as the most innocent of its author's plays He considers the Sonnets some of which are addressed to a man and asks whether they imply same sex desire in the author or are quasi dramatic projections of the writer's imagination Finally he looks at how male to male relationships in the plays have been interpreted as sexual in both criticism and performance Stanley Wells's lively provocative and open minded new book will appeal to a broad readership of students theatregoers and Shakespeare lovers *Sexuality in William Shakespeare's A Midsummer Night's Dream* Gary Wiener, 2013-11-08 This informative volume explores William Shakespeare's *A Midsummer Night's Dream* through the lens of sexuality The book examines Shakespeare's life and influences and offers readers a series of essays for consideration on topics related to sexuality such as the notions of the war between the sexes taboo sexuality and the marginalization of women's sexuality The text also offers readers contemporary perspectives on topics related to sexuality such as adolescent sexuality the categorizing of people into sexual classifications and sex education *Sexuality in the Age of Shakespeare* W. Reginald Rampone Jr., 2011-05-18 This book examines the important themes of sexuality gender love and marriage in stage literary and film treatments of Shakespeare's plays The theme of sexuality is often integral to Shakespeare's works and therefore merits a thorough exploration *Sexuality in the Age of Shakespeare* begins with descriptions of sexuality in ancient Greece and Rome medieval England and early modern Europe and England then segues into examinations of the role of sexuality in Shakespeare's plays and poetry and also in film and stage productions of his plays The author employs various theoretical approaches to establish detailed interpretations of Shakespeare's plays and provides excerpts from several early modern marriage manuals to illustrate the typical gender roles of the time The book concludes with bibliographies that students of Shakespeare will find invaluable for further study **The Shakespeare Circle** Paul Edmondson, Stanley Wells, 2015-10-22 This collection tells the life stories of the people whom we know Shakespeare encountered shedding new light on Shakespeare's life and times **Shakespeare on Page & Stage** Stanley Wells, 2016 This volume presents a winning selection of the very best essays from the long and distinguished career of Stanley Wells one of the most well known and respected Shakespeare scholars in the world Its chapters are divided into themed sections on Shakespearean influences particular works theatre and text *Shakespeare, Cinema and Desire* S. Ryle, 2013-11-13 *Shakespeare Cinema and Desire* explores the desires and the futures of Shakespeare's language and cinematographic adaptations of Shakespeare Tracing ways that film offers us a rich new understanding of Shakespeare it

highlights issues such as media technology mourning loss the voice narrative territories and flows sexuality and gender

Shakespeare Without Boundaries Dieter Mehl, 2011 Shakespeare without Boundaries Essays in Honor of Dieter Mehl offers a wide ranging collection of essays written by an international team of distinguished scholars who attempt to define to challenge and to erode boundaries that currently inhibit understanding of Shakespeare and to exemplify how approaches that defy traditional bounds of study and criticism may enhance understanding and enjoyment of a dramatist who acknowledged no boundaries in art The Volume is published in tribute to Professor Dieter Mehl whose critical and scholarly work on authors from Chaucer through Shakespeare to D H Lawrence has transcended temporal and national boundaries in its range and scope and who as Ann Jennalie Cook writes has contributed significantly to the erasure of political boundaries that have endangered the unity of German literary scholarship and more broadly through his work for the International Shakespeare Association to the globalization of Shakespeare studies *Playing Dirty* Will Stockton, 2011 The repression of desire

uncovered in the production of scatological comedy **Shakespeare beyond Doubt** Paul Edmondson, Stanley Wells, 2013-04-18 Did Shakespeare write Shakespeare The authorship question has been much treated in works of fiction film and television provoking interest all over the world Sceptics have proposed many candidates as the author of Shakespeare's works including Francis Bacon Christopher Marlowe and Edward De Vere the seventeenth Earl of Oxford But why and how did the authorship question arise and what does surviving evidence offer in answer to it This authoritative accessible and frequently entertaining book sets the debate in its historical context and provides an account of its main protagonists and their theories Presenting the authorship of Shakespeare's works in relation to historiography psychology and literary theory twenty three distinguished scholars reposition and develop the discussion The book explores the issues in the light of biographical textual and bibliographical evidence to bring fresh perspectives to an intriguing cultural phenomenon

Shakespeare Scholars in Conversation Michael P. Jensen, 2019-07-29 Twenty four of today's most prominent Shakespeare scholars discuss the best known works in Shakespeare studies along with some nearly forgotten classics that deserve fresh appraisal An extensive bibliography provides a reading list of the most important works in the field A filmography then lists the most important Shakespeare films along with the films that influenced Shakespeare filmmakers Interviewees include Sir Stanley Wells Sir Jonathan Bate Sir Brian Vickers Ann Thompson Virginia Mason Vaughan George T Wright Lukas Erne MacDonald P Jackson Peter Holland James Shapiro Katherine Duncan Jones and Barbara Hodgdon
