Paris with You Clémentine Beauvais, 2025-06-25 For fans of Eleanor Park and Emergency Contact Clementine Beauvais In Paris with You is a sweeping romance about the love that got away that 1 New York Times bestselling author Nicola Yoon calls pure delight Eugene and Tatiana could have fallen in love if things had gone differently If they had tried to really know each other if it had just been them and not the others But that was years ago and time has found them far apart leading separate lives Until they meet again in Paris What really happened back then And now Could they ever be together again after everything **A Con Artist in Paris** Franklin W. Dixon, 2017-09-05 Brother detectives Frank and Joe follow a crooked

trail of artistic deception in the fifteenth book in the thrilling Hardy Boys Adventures series The Hardy Boys are visiting Paris Joe is excited to check out all the street art he's heard about And Frank can't wait to go to all the museums he's researched On their very first day in the city the brothers are woken up early in the morning by fireworks But these are no ordinary fireworks They are a part of elaborate cover for the heist of a priceless artifact What's worse the theft seems to have been orchestrated by Joe's favorite street artist an unidentified outlaw and activist that goes only by the name Le Stylo Everyone seems sure that it's him but the Hardys are suspicious From everything they know about Le Stylo the crime is out of character Sure he makes a habit of provoking the authorities but he's an activist not a thief Could the artist known for his mystique have been framed Frank and Joe are determined to find out A race to find the real thief has Frank and Joe following clues that lead them all over Paris where they hobnob with rich art patrons travel in a car that can only be described as a small Batmobile and explore the extensive Catacombs under the city Deep in the world of artistic deception the boys have to wonder are they in over their heads **Hidden in Paris** Corine Gantz, 2023-04-18 A socially awkward widow is forced to

Paris and the Cliché of History Catherine E. Clark,2018-07-19 This book turns a compelling new lens on thinking about the history of Paris and photography The invention of photography changed how history could be written But the now commonplace assumptions that photographs capture fragments of lost time or present emotional gateways to the past that structure today s understandings did not emerge whole cloth in 1839 Focusing on one of photography s birthplaces Paris and the Clich of History tells the story of how photographs came to be imagined as documents of the past Author Catherine E Clark analyzes

photography's effects on historical interpretation by examining the formation of Paris's first photo archives at the Musée Carnavalet and the city's municipal library their use in illustrated history books and historical exhibitions and reconstructions such as the 1951 celebration of Paris's 2000th birthday and the public's contribution to the historical record in amateur photo contests Despite the photograph's growing importance in these forums it did not simply replace older forms of illustration visual documentation or written text Photos worked in complex and shifting relation to other types of pictures as photographers popular historians and publishers built on the traditions and iconography of painting and engraving in order to both document the past scientifically and objectively and to reconstruct it romantically In doing so they not only influenced how Parisians thought about the city's past and how they pictured it they also ensured that these images shaped how Parisians lived their own lives especially in deeply charged moments such as the Liberation after World War II This history of picturing Paris does not simply reflect the city's history it is Parisian history
