*The Evolution of Love* Sheldon W. Liebman, 2021-04-06 This book an examination of Judaism as it evolved over a period of approximately 1 500 years is an analysis of the Hebrew Bible and other ancient Jewish writings with special emphasis on theology and morality By the middle of the first millennium with the writing of Deuteronomy the Psalms and the works of the prophets Judaism had embraced the idea that God is a compassionate father that His relationship with His people is based on love rather than fear and that His response to their commission of sins is based on the assumption that they are capable of repentance and worthy of forgiveness In the final stage of its development culminating in the first and second centuries AD Judaism was understood to require its adherents to enact the will of God specifically to establish a community based on political economic and social laws that enforce the principles of justice and mercy And that process came to be seen as inevitably dependent on human agency the need for human beings to fulfill God's commandments In Judaism loving neighbors and strangers came to be understood as the principal and for many Jews the only way of loving God

Johnson, 2021-03-11 Despite the fact that every year tens of thousands of individuals that confess and maintain Jesus Christ as Savior and LORD of their life break their marital vow God is more than capable of fulfilling His word in making two one and making all things work together for good in every Christian's marriage Scripture has declared in the last days men mankind will be lovers of themselves lovers of pleasure rather than lovers of God having a form of Godliness but denying the power thereof 2Tim 3:1-5 In an effort to help believers recover themselves from this stronghold TELL HELL NO Divorce Is Not An Option is entering the battle to help Break the Powers of the Spirit of Divorce off the lives of the saints Reinforcing the standards for that which we all signed up for for better or worse for richer or poorer in sickness or in health until death do us part is the objective of the content within these pages The time has come to stop the perpetuation of this evil called divorce *America - Yes We Are a Christian Nation* Brickett Maryann, 2011 Maryann Brickett was formerly from New England has traveled the world and now lives in beautiful south west Florida Her background is diverse with former careers in interior decorating the paralegal field corporate offices and currently real estate She loves to sing paint outdoor sports and obtained a private pilot's license She fully believes what Proverbs 22:29 says Do you see a man skilled in his work He will stand before kings he will not stand before obscure men Everyone should strive for excellence in everything they do Although this is her first book she hopes it will not be her last As the mother of 2 wonderful sons who were raised in the Christian faith law school graduates and are also politically involved she felt led to argue the case for all Americans to realize Yes we are a Christian nation Her older son has a successful political fundraising business which brings him in contact with many Presidents politicians and notable people Her younger son is northeast counsel for the ACLJ the ADF and has a radio talk show His eldest son just won the northeast division of the National Bible Bee They home school their children and are very involved in church life and serving the community They are not standing before obscure men We think after you've read this book you will surely see how the hand of God has been woven throughout the fabric of all aspects of our society history and culture When you reach the end of the book the author hopes you too will decide As for me and my house we will serve the Lord Joshua 24:15 Maryann Brickett yahoo.com www.VanderbiltRealtors.com **Making Sense of Genesis J.**

Wilson, 2017-04-25 Early Genesis is like a table of contents for the rest of the book a seed from which the rest of Scripture and history unfolds so many ideas images and events can be traced back to it Like the seeds that are so often our staple for

life Genesis also provides food for the soul true wisdom and the big picture we need to live in this world But its message can be hindered by misunderstanding its purpose Making Sense of Genesis looks at what works and what doesn't work when interpreting Genesis It's not a commentary so it doesn't interact with all of Genesis or much that has been written about it Rather it observes how the ideas and images in early Genesis unfold and are fulfilled and how they are just as true and fresh for us now as they were in the beginning *These Brothers of Mine* Rob Dalrymple, 2015-05-11 While the conflict in the Middle East continues to fester many Christians advance a theology that perceives these events to be the hand of God Has God truly brought the Jewish people back to the land in fulfillment of biblical prophecies Must we truly bless Israel in order to be blessed by God Lost in the midst of the turmoil over the Holy Land reside Christian communities Has the church in an effort to see prophecy fulfilled failed to care for the least of these brothers of mine This book steps into this controversial topic with several aims First Dalrymple answers two key questions Are the Jews still God's chosen people And does the Holy Land belong to them Dalrymple contends that just as Jesus is the fulfillment of God's purpose for the Temple so also Jesus is the fulfillment of the promises to Abraham that he would receive the Holy Land and an uncountable number of descendants Dalrymple also responds to some of the common assertions set forth by Christian Zionists Many might still ask Why should I care about what happens in Israel and Palestine The fact is that we must care And we must alert the Church that we must care Too much is at stake We have Christian brothers and sisters throughout the Middle East in general and in the Holy Land in particular who have been directly impacted by our theological opinions As a result the Church cannot be silent It must not be silent **The 5 Books of Moses: DEUTERONOMY** Jeanne Gossett Halsey, 2019-03-27 The final book of the great prophet Moses DEUTERONOMY which means final word is as relevant for life in the 21st Century as it was 5 000 years ago
