**Lorine Niedecker** Jenny Lynn Penberthy, 1996 Literary Nonfiction Poetry History Criticism Lorine Niedecker lived most of her life 1903-1970 on Blackhawk Island Wisconsin Her poetry was formed by her early encounter with Surrealism and the Objectivist issue of Poetry magazine In the mid 1960s she recalled for Kenneth Cox that there was an influence from transition and from surrealists that has always seemed to want to ride right along with the direct hard objective kind of writing The subconscious and the presence of the folk always there LORINE NIEDECKER WOMAN AND POET addresses the ambition of Niedecker's poetry and poetics The volume includes letters memoirs and essays covering all four decades of her writing career Among the letters those Niedecker wrote to Mary Hoard and Harriet Monroe define her early poetics Memoirs by Jerry Reisman Edwin Honig and Vivien Hone extend our understanding of her life in the 1930s and 1940s Essays by

**Radical Vernacular** Elizabeth Willis, 2008-10 When Lorine Niedecker died in 1970 the British poet and critic Basil Bunting eulogized her warmly In England he wrote she was in the estimation of many the most interesting woman poet America has yet produced Aesthetically linked with the New York Objectivist poets Niedecker remained committed to her community in rural Wisconsin despite the grinding poverty that dogged her throughout her life Largely self taught Niedecker formed attachments through her voracious reading and correspondence but she also delighted in the disruptive richness of vernacular usage and in the homegrown improvisational aesthetics that thrived within her immediate world Niedecker wrote from a highly attenuated concern with biological cultural and political sustainability and in her stridently modernist poems anticipated many of the most urgent concerns in twenty first century poetics In *Radical Vernacular* Elizabeth Willis collects essays by leading poets and scholars that make a major contribution to the study of an important but long overlooked American poet This pathbreaking volume contains essays by seventeen leading scholars Rae Armantrout Glenna Breslin Michael Davidson Rachel Blau DuPlessis Ruth Jennison Peter Middleton Jenny Penberthy Mary Pinard Patrick Pritchett Peter Quartermain Lisa Robertson Elizabeth Robinson Eleni Sikelianos Jonathan Skinner Anne Waldman Eliot Weinberger and Elizabeth Willis

*Democratic Anarchy* Matthew Scully, 2024-07-02 A dramatic and necessary rethinking of the meaning of Democracy *Democratic Anarchy* grapples with an uncomfortable but obvious truth inimical to democracy both aesthetics and politics depend on the structuring antagonism of inclusion and exclusion Yet in *Democratic Anarchy* Matthew Scully asks how can the people be represented in a way that acknowledges what remains unrepresentable What would it mean to face up to the constitutive exclusions that haunt U S democracy and its anxious fantasies of equality Synthesizing a broad range of theoretical traditions and interlocutors including Lacan Rancière Edelman and Hartman *Democratic Anarchy* polemically declares that there has never been nor can there ever be a realized democracy in the U S because democracy always depends on the hierarchical institution of a formal order by one part of the population over another Engaging with an expansive corpus of American literature and art Harriet Jacobs Nathaniel Hawthorne Louis Zukofsky Thomas Pynchon Toni Morrison Theresa Hak Kyung Cha Nari Ward Ocean Vuong and Safiya Sinclair *Democratic Anarchy* argues that many liberal concepts and institutions are in fact structurally opposed to democratic equality because they depend on regulating what can appear and in what form By focusing on works that disrupt this regulatory impulse Scully shows how rhetorical strategies of interruption excess and disorder figure the anarchic equality that inegalitarian fantasies of democracy disavow *Democratic Anarchy* develops a rigorous theory of equality that refuses to repeat the inequalities against which it positions itself and it does so by turning to moments of resistance both aesthetic and political inaugurated by the equality that inheres in and antagonizes the order of things

**How to Tell When We Will Die** Johanna Hedva, 2024-09-24 From one of the most

influential voices in disability activism comes an essay collection that detonates a bomb in our collective understanding of care and illness showing us that sickness is a vibrant part of life In the wake of the 2014 Ferguson riots and sick with a chronic condition that rendered them housebound Johanna Hedva turned to the page to ask How do you throw a brick through the window of a bank if you can't get out of bed It was not long before this essay Sick Woman Theory became a seminal work on disability because in reframing illness as not just a biological experience but a social one Hedva argues that under capitalism a system that limits our worth to the productivity of our bodies we must reach for the revolutionary act of caring for ourselves and others How to Tell When We Will Die expands upon Hedva's paradigm shifting perspective in a series of slyly subversive and razor sharp essays that range from the theoretical to the personal from Deborah Levy and Susan Sontag to wrestling kink mysticism death and the color yellow Drawing from their experiences with America's byzantine healthcare system and considering archetypes they call The Psychotic Woman The Freak and The Hag in Charge Hedva offers a bracing indictment of the politics that exploit sickness relying on and fueling ableism to the detriment of us all With the insight of Anne Boyer's The Undying and Leslie Jamison's The Empathy Exams and the wit of Samantha Irby Hedva's debut collection upends our collective concept of disability In their radical reimagining of a world where care and pain are symbiotic and our bodies are allowed to live free and well Hedva implores us to remember that illness is neither an inconvenience or inevitability but an enlivening and elemental part of being alive **Lake Superior** Lorine
