Los Angeles Art Deco Images Of America Images Of America:

Los Angeles Art Deco Suzanne Tarbell Cooper, Amy Ronnebeck Hall, Frank E. Cooper, Jr., 2005 Art Deco made its formal appearance in Paris at the 1925 L Exposition Internationale des Arts D ecoratifs et Industriels Modernes a showcase for art architecture and design that promoted progress modernity and the present The greatest export from this exhibition was a style that has since been recognized as one of the great design movements of the 20th century Art Deco s growing recognition coincided with the growth of Los Angeles as the entertainment capital Between the world wars the city s architecture sprouted characteristic signs of Art Deco the interplay of vertical and horizontal features geometric shapes use of exotic and modern materials as well as simplified streamlined forms This volume s collection of images celebrates Los Angeles s Art Deco heritage showcasing such structures as Bullock s Wilshire Sunset Tower the Oviatt Penthouse the Wiltern and Pantages Theatres and many more From publisher description

Art Deco Michael Windover, 2012 No detailed description available for Art Deco

West Adams Suzanne Tarbell Cooper, Don Lynch, John G. Kurtz, 2008 By the turn of the 20th century West Adams had become one of the first bedroom communities in fast growing Los Angeles Mansions and bungalows housed bankers and merchants who commuted to their businesses downtown as well as moviemakers debutantes the social elite and one or two scoundrels Anchored by Adams Boulevard this area just west of downtown has been through many changes Today the neighborhood is one of the most racially and architecturally diverse in the country and contains the highest concentration of historic cultural monuments in Los Angeles Residents and local archives including the University of Southern California and the Automobile Club of Southern California have contributed images to this volume illustrating life and architecture from Victorian times onward

Art Deco Chicago Robert Brueggmann, 2018-10-02 An expansive take on American Art Deco that explores Chicago s pivotal role in developing the architecture graphic design and product design that came to define middle class style in the twentieth century Frank Lloyd Wright s lost Midway Gardens the iconic Sunbeam Mixmaster and Marshall Field s famed window displays despite the differences in scale and medium each belongs to the broad current of an Art Deco style that developed in Chicago in the first half of the twentieth century This ambitious overview of the city s architectural product industrial and graphic design between 1910 and 1950 offers a fresh perspective on a style that would come to represent the dominant mode of modernism for the American middle class Lavishly illustrated with 325 images the book narrates Art Deco s evolution in 101 key works carefully curated and chronologically organized to tell the story of not just a style but a set of sensibilities Critical essays from leading figures in the field discuss the ways in which Art Deco created an entire visual universe that extended to architecture advertising household objects clothing and even food design Through this comprehensive approach to one of the 20th century s most pervasive modes of expression in America Art Deco Chicago provides an essential overview of both this influential style and the metropolis that came to embody it

The History of Sex in American Film Jody Pennington, 2007-07-30 Although American films especially

Hollywood fare are often belittled for their one dimensional portrayal of sex a close examination of the history of sex in American motion pictures reveals that American cinema has actually represented sex in myriad ways A more complete understanding of the ways in which sex has been represented onscreen requires an approach that pays equal attention to cinematic techniques and to the diversity of sexual values and behaviors in American society It is necessary to frame this discussion within the multiple contradictions of an industry that has both repressed and represented sex with equal fervor over the course of its history of audiences that have both taken offense at and flocked to films with sexual themes and a body politic that has regulated the sexual in popular culture even as its discourse has been saturated with sexual images and topics The History of Sex in American Cinema moves seamlessly between general film and social history to clarify how exactly sex has been expressed cinematically and how we have responded to those expressions as a culture In March of 1965 the Supreme Court put into motion legal changes that marked the end of local film censorship as it had existed since the early years of the twentieth century In Hollywood that same year The Pawnbroker was released with a Production Code Seal of Approval despite nudity that violated that Code As sexual liberation occurred onscreen parallel developments occurred in the way we lived our lives and by the end of the 1960s Americans were having sex more often and with more partners than ever before There was also now a public debate surrounding sexuality and one of the loudest and most continually active voices in this debate was that of American film This work begins with an examination of some of the earliest altercations in what later came to be known as the culture wars and follows those skirmishes more often than not provoked by American film up to the modern day By looking at how sex in the cinema has contributed to the demise of the fragile consensus between liberals and conservatives on freedom of expression The History of Sex in American Film suggests a perspective from which today s culture wars can be better understood This work combines close readings of many representative films including Who s Afraid of Virginia Woolf The Graduate Blue Velvet Philadelphia L A Confidential and Closer with a social and historical account of the most significant changes in American sexual behavior and sexual representation over the past fifty years

Frank Capra's Eastern Horizons Elizabeth Rawitsch, 2014-10-16 Frank Capra has long had a reputation as being the quintessential American director the man who perfectly captured the identity and core values of the United States with a string of classic films in the 1930s and 40s including It Happened One Night Mr Smith Goes to Washington and It s a Wonderful Life However as Elizabeth Rawitsch argues Capra s construction of national identity did not occur within an exclusively national context She points out that many of his films are actually set in or include sequences set in China Latin America the Philippines and the South Seas Featuring in depth textual analysis supported by original archival research Frank Capra s Eastern Horizons explains that Capra s view of what constituted America changed over time extending its boundaries to embrace countries often far from the United States Complicating Edward Said s theory of Orientalism as a strict binary in which the West constructs the East as an inferior other it demonstrates that East and West often intermingle in films such as

The Bitter Tea of General Yen and in Capra's orientation documentaries for World War II American servicemen Capra imagined a kind of global community albeit one with heavy undertones of British and American imperialism Investigating shifts in what Capra's America has meant over time both to Capra and to those who have watched and studied his films this innovative book offers a startlingly fresh perspective on one of the most iconic figures in American film history *Medieval Art and the Look of Silent Film* Lora Ann Sigler, 2019-07-11 The heyday of silent film soon became quaint with the arrival of talkies As early as 1929 critics and historians were writing of the period as though it were the distant past Much of the literature on the silent era focuses on its filmic art ambiance and psychological depth the splendor of the sets and costumes yet overlooks the inspiration behind these This book explores the Middle Ages as the prevailing influence on costume and set design in silent film and a force in fashion and architecture of the era In the wake of World War I designers overthrew the artifice of prewar style and manners and drew upon what seemed a nobler purer age to create an ambiance that reflected higher ideals *Cultural Offensive* John A. Walker, 1998-08-20 The vibrant fine arts and mass culture that the United States exported to Britain in the postwar period had a powerful and far reaching impact on many British artists art students and critics In a fascinating social and cultural history covering the period from the 1940s to the 1990s but with emphasis on the 1950s and 1960s John A Walker offers a scholarly but accessible account of America's Cold War cultural offensive and the role played by American artists living in Britain This is the first text to document in detail the variegated responses of British artists to postwar America and its art criticism and mass media Their reactions that ranged from Americanism enthusiasm and compliance to Anti Americanism criticism and resistance Covering significant art movements such as Abstract Expressionism the Independent Group and Pop Art Walker synthesises information from hundreds of published sources and interviews to paint a vivid picture of a crucial period in British culture Many of the critics painters and sculptors featured Lawrence Alloway Peter Blake Reynier Banham Anthony Caro Clement Greenberg David Hockney Richard Hamilton R B Kitaj John Latham Claes Oldenburg Eduardo Paolozzi Herbert Read Bridget Riley Larry Rivers are now internationally famous The study is brought up to date with an overview of the decline in American influence during in the 1980s and 1990s and the rise of Brit Art **American Art Deco** Carla Breeze, 2003 Art Deco architecture flourished in large cities and small towns throughout America in the 1920s and 1930s The style is now captured in over 500 color photos of 75 lavish and innovatively designed buildings across the country that have been preserved both outside and in giving the full scope of this beloved exciting style **e-Pedia: Captain America: Civil War** Contributors, Wikipedia, 2017-02-11 This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents Captain America Civil War is a 2016 American superhero film based on the Marvel Comics character Captain America produced by Marvel Studios and distributed by Walt Disney Studios Motion Pictures It is the sequel to 2011's Captain America The First Avenger and 2014's Captain America The Winter Soldier and the thirteenth film of the Marvel Cinematic Universe MCU The film is directed by Anthony and Joe Russo

with a screenplay by Christopher Markus Stephen McFeely and features an ensemble cast including Chris Evans Robert Downey Jr Scarlett Johansson Sebastian Stan Anthony Mackie Don Cheadle Jeremy Renner Chadwick Boseman Paul Bettany Elizabeth Olsen Paul Rudd Emily VanCamp Tom Holland Frank Grillo William Hurt and Daniel Br hl In Captain America Civil War disagreement over international oversight of the Avengers fractures them into opposing factions one led by Steve Rogers and the other by Tony Stark This book has been derived from Wikipedia it contains the entire text of the title Wikipedia article the entire text of all the 634 related linked Wikipedia articles to the title article This book does not contain illustrations

American Photo ,1998-05 **Icons of American Architecture** Donald Langmead,2009-03-05 What turns a building into an icon What is it about some structures that makes their history and legend even more important than their original intended use making them a part of American and world popular culture Twenty four buildings and structures including the Brooklyn Bridge the White House the Hotel del Coronado and the Washington Monument are presented here along with their roles in fiction film music and the imagination of people worldwide Approximately twenty five images are included in the set along with sidebars featuring additional structures

The Polish American Encyclopedia James S. Pula,2010-12-22 At least nine million Americans trace their roots to Poland and Polish Americans have contributed greatly to American history and society During the largest period of immigration to the United States between 1870 and 1920 more Poles came to the United States than any other national group except Italians Additional large scale Polish migration occurred in the wake of World War II and during the period of Solidarity s rise to prominence This encyclopedia features three types of entries thematic essays topical entries and biographical profiles The essays synthesize existing work to provide interpretations of and insight into important aspects of the Polish American experience The topical entries discuss in detail specific places events or organizations such as the Polish National Alliance Polish American Saturday Schools and the Latimer Massacre among others The biographical entries identify Polish Americans who have made significant contributions at the regional or national level either to the history and culture of the United States or to the development of American Polonia

Library of Congress Subject Headings Library of Congress,Library of Congress. Office for Subject Cataloging Policy,2012 [American Car Dealership](#) Robert Genat,1999 *Soviet Adventures in the Land of the Capitalists* Lisa A. Kirschenbaum,2024-02-22 Unique account of how ordinary people shaped Soviet American relations in the 1930s told through the adventures of two Russian humourists

American Horror Story and Cult Television Richard Hand,Mark O'Thomas,2023-11-14 Over the course of ten seasons since 2011 the television series American Horror Story AHS created by Ryan Murphy and Brad Falchuk has continued to push the boundaries of the televisual form in new and exciting ways Emerging in a context which has seen a boom in popularity for horror series on television AHS has distinguished itself from its rivals such as The Walking Dead Bates Motel or Penny Dreadful through its diverse strategies and storylines which have seen it explore archetypal narratives of horror culture as well as engage with real historical events Utilising a repertory

company model for its casting the show has challenged issues around contemporary politics heteronormativity violence on the screen and disability to name but a few This new collection of essays approaches the AHS anthology series from a variety of critical perspectives within the broader field of television studies and its transections with other disciplines **Photo-Era**

Magazine, the American Journal of Photography ,1916 **American Furniture Designers** Oscar P.

Fitzgerald,2022-04-01 A 2023 Choice Reviews Outstanding Academic Title The 20th century furniture is hot American Furniture Designers 1900 to the Present highlights the furniture produced by the 20 most important American furniture designers of the 20th and early 21st centuries plus a selection of the best known European designers whose work is sold by Knoll International and Herman Miller The designers are organized into five chapters Introductions to each section summarize the evolution of furniture design as it evolved through the 20th and early 21st centuries The book begins with the Arts and Crafts era before World War I moves into the interwar period when Modernism gained a foothold in America continues through the Postwar heyday of Mid century Modern highlights the furniture from the 1970s and into the 21st century with a focus on the foremost promoters of modern furniture Knoll International and Herman Miller and concludes with a selection of the top Studio Furniture makers and their innovative creations The book focuses on the leading American designers from each of these periods including Gustav Stickley and Charles Rohlf's during the Arts and Crafts movement Paul Frankl and Gilbert Rohde in the interwar period Charles and Ray Eames and George Nelson for Mid century Modern and Wendell Castle and George Nakashima for Studio Furniture to name just a few All their furniture is explained and profusely illustrated with 280 color photos For anyone curious about the modern material culture that surrounds them the book will explain everything about American furniture from 1900 into the 21st century when it was made where it was made who made it what it was made of how it was designed how long it was in production and how the furniture related to its contemporaries
