[The Reagan Years: a](#)

Social History of the 1980'S Richard Stanley,2017-12-15 Ronald Reagan's legacy as president is nearly unparalleled in American history due to his domestic and foreign policy leadership. Reagan's contrarian insistence on advocating limited government and supply side economics drew much bipartisan criticism causing the Great Communicator to take his argument that lowering taxes would encourage economic growth directly to the people. The result Congress granted 750 billion in tax cuts in 1981. The Reagan Revolution had begun. By mid 1983 the nation's economy was booming. On President Reagan's first day in office the Iran Hostage Crisis finally came to an end. Fifty two American embassy personnel held hostage by a defiant Iran during the last four hundred plus days of the Carter administration were freed. A definite win for all Americans. But Reagan soon was widely criticized for insulting Russia's leaders by calling the Soviet Union the evil empire. Later Reagan was criticized at home and abroad for challenging Soviet premier Gorbachev to tear down the Berlin Wall. Reagan's most criticized proposal of all however was his insistence on developing his Strategic Defense Initiative (SDI) space weapons to defend America from incoming Soviet nuclear missiles. Domestic critics dismissed his proposal as a Star Wars fantasy but the Soviets feared SDI. By December 1991 it was clear that Reagan's Star Wars fantasy helped cause the bankruptcy and total collapse of the Soviet Union bringing a peaceful end to the decades long Cold War. **Sports around**

the World John Nauright,2012-04-06 This multivolume set is much more than a collection of essays on sports and sporting cultures from around the world. It also details how and why sports are played wherever they exist and examines key charismatic athletes from around the world who have transcended their sports. **Sports Around the World: History, Culture, and Practice** provides a unique global overview of sports and sports cultures. Unlike most works of this type, this book provides both essays that examine general topics such as globalization and sport, international relations and sport, and tourism and sport, as well as essays on sports history, culture and practice in world regions for example Latin America and the Caribbean, the Middle East and North Africa, Europe and Oceania in order to provide a more global perspective. These essays are followed by entries on specific sports, world athletes, stadiums and arenas, famous games and matches and major controversies. Spanning topics as varied as modern professional cycling to the fictional movie Rocky to the deadly ball game of the ancient Mayans, the first three volumes contain overview essays and entries for specific sports that have been and are currently practiced around the world. The fourth volume provides a compendium of information on the winners of major sporting competitions from around the world. Readers will gain invaluable insights into how sports have been enjoyed throughout all of human culture and more fully comprehend their cultural contexts. The entries provide suggestions for further reading on each topic, helpful to general readers, students with school projects, university students and academics alike. Additionally, the four volume **Sports Around the World** spotlights key charismatic athletes who have changed a sport or become more than just an outstanding player. **Basketball** Mark Stewart,2009-01-01 Features ten of the greatest moments in basketball history including Michael Jordan's role in game six of the NBA Finals in 1998 and the NCAA

From the Ballfield to the Boardroom Brian Goff, 2005-04-30 No one can deny that sports and business are two of the most potent forces in our culture today Sport play and the terms and phrases that define them are engrained in our collective psyche influencing the ways in which we conduct business as a game with rules of engagement tournaments of competition the shame that accompanies defeat and the bragging rights that accrue to the victor The parallels are ubiquitous as the NFL s Bill Parcells stated in a Harvard Business Review article my guess is that the challenges I ve faced are not all that different from the ones that executives deal with every day People are people and the keys to motivating them and getting them to perform to their full potential are pretty much the same whether they re playing on a football field or working in an office From the Ballfield to the Boardroom draws from Brian Goff s expertise as a managerial economist to shed new light on the sports business connection Using dozens of examples from across the spectrum of professional and college sports he analyzes the ways in which key decisions are made on the playing fields and locker rooms and applies these lessons to the corporate context From the distinctive leadership styles of legendary coaches Tom Landry Vince Lombardi John Wooden and Bobby Knight among others to such culturally significant developments as the racial integration of Major League Baseball and the meteoric rise of NASCAR Goff draws from the world of sports to provide a solid foundation in the managerial arts including assessing risk and uncertainty conducting market and competitive analysis wooing customers fostering an innovative culture managing information and

communication flows and resolving labor disputes The result is an incisive look at the sport of business with practical insights for successful management at all levels of your organization **Top 10 Moments in Basketball** David Aretha, 2016-07-15

Michael Jordan's deciding shot over Bryon Russell during the 1998 NBA Finals against the Utah Jazz may well be the most perfect moment in the decorated career of the greatest basketball player But that is just one of the featured stories in this title that covers many other memorable plays on the professional court David Aretha takes readers on a journey through the moments that sports fans will never forget Rounding out the text features are full page photos and many statistics including details for each player's top NBA year and their experiences on high school and college teams
