Resseguie, 2021-10-11 This narrative commentary systematically examines John's Apocalypse from a narrative critical perspective After an introduction to narrative criticism the volume focuses on point of view setting rhetoric character and plot in the Book of Revelation The rhetorical and symbolic significance of numerals are discussed at length as are the multifaceted characters in the book such as demonic animals locust beasts dragon birds and apocalyptic animals lamb four living creatures The symbolic significance of topographical architectural agricultural and other settings is emphasized The final chapter of the book is a summary of some of the major theological themes of Revelation The volume provides a useful methodology for the study of a much disputed book of the Bible **Thucydides** W. Robert Connor, 2013-09-20 This full scale sequential reading of Thucydides history of the Peloponnesian War will be invaluable to the specialist and also to those in search of an introduction and companion to the Histories Moving beyond other studies by its focus on the reader's role in giving meaning to the text it reveals Thucydides use of objectivity not so much as a standard for the proper presentation of his subject matter as a method for communicating with his readers and involving them in the complexity and suffering of the Peloponnesian War W Robert Connor shows that as Thucydides themes and ideas are reintroduced and developed the initial reactions of the reader are challenged subverted and eventually made to contribute to a deeper understanding of the war
