The Ten Lost Tribes Zvi Ben-Dor Benite,2009-09-04 The legendary story of the ten lost tribes of Israel has resonated among both Jews and Christians down through the centuries the compelling idea that some core group of humanity was lost and exiled to a secret place perhaps someday to return triumphant In *The Ten Lost Tribes* Zvi Ben Dor Benite shows for the first time the extent to which the search for the lost tribes of Israel became over two millennia an engine for global exploration and a key mechanism for understanding the world As the book reveals the quest for the missing tribes and the fervent belief that their restitution marked a necessary step toward global redemption have been threaded through countless historical moments from the formation of the first world empires to the age of discovery and from the spread of European imperialism to the rise of modern day evangelical apocalypticism More than a historical survey of an enduring myth *The Ten Lost Tribes* offers a unique prism through which to view the many facets of encounters between cultures the processes of colonization and the growth of geographical knowledge

Anglo-Israel William Henry Poole,1889 **Lost Tribes of Israel** George S. McAchran,1993 *The Lost Tribes of Israel* Tudor Parfitt,2002 Tudor Parfitt examines a myth which is based on one of the world s oldest mysteries what happened to the lost tribes of Israel Christians and Jews alike have attached great importance to the legendary fate of these tribes which has had a remarkable impact on their ideologies throughout history Each tribe of Israel claimed descent from one of the twelve sons of Jacob and the land of Israel was eventually divided up between them

Following a schism which formed after the death of Solomon ten of the tribes set up an independent northern kingdom whilst those of Judah and Levi set up a separate southern kingdom In 721BC the ten northern tribes were ethnically cleansed by the Assyrians and the Bible states they were placed in Halah and in Habor by the river of Gozan and in the city of Medes The Bible also foretold that one day they would be reunited with the southern tribes in the final redemption of the people of Israel Their subsequent history became a tapestry of legend and hearsay The belief persisted that they had been lost in some remote part of the world and there were countless suggestions and claims as to where

In the Footsteps of the Lost Ten Tribes Avigdor Shachan, Laurence Becker, David Itzkowitz, 2013-04-03 In the year 722 BCE the Israelite masses were taken by the Assyrian army and led off to exile The legends surrounding the whereabouts of these Ten Lost Tribes are so numerous so persuasive and so enchanting there is hardly a place under the sun that has not been searched by explorers in their quest to uncover their True journey and location When the longing for their lost far away brothers overwhelmed the communal heads and rabbis of the remaining tribes of Judah Benjamin and Levi composed letter and sent them out by messenger to the Ten Tribes These messengers generally vanished as well and all traces of them seem to have disappeared in a cloud of uncertainty and mystery Dr Shachan has followed in the footsteps of these messengers and returned He tells us of the people of Pashtunistan in Afghanistan which is made up of tribal clans whose names and genealogies relate to the Ten Tribes He has rediscovered the remnants of the Nephtalite kingdom and pinpointed the location of the Ten Tribes in central Asia He has found traces of the kingdom of Kaifeng in China He has documented the path of the Ten Tribes through India and followed them to Japan even including a glossary of Hebrew terms used in Japanese Today relics of the culture customs and commandments of the Mosaic Law are still in evidence among different nations and tribes Ten of millions of inhabitants of the world still claim that they are descendants of the Ten Tribes 2 700 years after their exile
