Lrrp Company Command The Cavs Lpr Rangers In Vietnam 1968 1969:

LRRP Company Command Gregg P. Jorgenson,2000-11-28 A gripping account of ordinary men with extraordinary courage and heroism who had one last chance to make good and one helluva war zone to do it in The new commander of the Company E 52d Infantry LRRPs Capt George Paccereilli was tough but the men s new AO was brutal It was bad enough that the provinces of Binh Long Phuoc Long and Tay Ninh bordered enemy friendly Cambodia but their vast stretches of double and triple canopy jungle were also home to four crack enemy divisions including the Viet Cong s notorious 95C Regiment Only the long range patrols could deliver the critical strategic intelligence that the 1st Cav so desperately needed Outmanned outgunned far from safety these LRRPs stalked the enemy to his lair staging bold prisoner snatches and tracking down hidden jungle bases Hiding in ambush surrounded by NVA these teams either pulled off spectacular escape and evasion maneuvers in running firefights or died trying

Historical Occurrences of the Lrrp/Rangers of the 1St Cavalry Division During the Vietnam War John LeBrun,Bill Carpenter,2019-12-09 Many books have been written about the Vietnam War Most of them are just overviews of events and often focus on the political aspect of the conflict Rarely is an individual under the rank of general mentioned except for a paragraph or two about individuals who earned the Medal of Honor Some books have been written by individuals who actually saw combat They often name people who engaged the enemy These are people whose boots were not spit shined and uniform did not have starched creases This book contains stories by and about the men who served in one company the 1st Cavalry Division s LRRP Rangers Company in the Vietnam War

My Story William Christiansen,2022-12-26 This book is a memoir of Sergeant Bill Stinky Chrisitansen It tells of his experience in the draft basic training and serving in the 75th Infantry Division in Vietnam from 1968 1969

Death in the A Shau Valley Larry Chambers,2018-03-13 Featuring a new introduction by the author about his return to Vietnam his reflections on the war and his humanitarian work in Cambodia The enemy had a single purpose kill me and my teammates Larry Chambers was still new to Vietnam in early 1969 when the LRRPs of the 101st Airborne Division became L Company 75th Rangers But his unit s mission stayed the same act as the eyes and ears of the 101st deep in the dreaded A

Shau Valley where the NVA ruled Relentless thick fog frequently made fighter bombers useless in the A Shau and the enemy had furnished the nearby mountaintops with antiaircraft machine guns to protect the massive trail network that snaked through it So outgunned outmanned and unsupported the teams of L Company executed hundreds of courageous missions Now in this powerful personal record Larry Chambers recaptures the experience of the war s most brutal on the job training where the slightest noise or smallest error could bring sudden and certain death **Eyes Behind the Lines** Gary Linderer,2011-08-03 In mid December 1968 after recovering from wounds sustained in a murderous mission Gary Linderer returned to Phu Bai to complete his tour of duty as a LRP His job was to find the enemy observe him or kill him all the while behind enemy lines where success could be as dangerous as discovery **War Paint** Bill Goshen,2001 A former U S Army Ranger and Vietnam combat veteran describes the real life exploits dangerous missions and experiences of members of the 1st Infantry Division s LRP Ranger Company during the height of the Vietnam War Original Inside the LRRPs Col. Michael Lee Lanning,2011-07-20 Vietnam was a different kind of war calling for a different kind of soldier The LRRPs Long Range Reconnaissance Patrols were that new breed of fighting man They operated in six man teams deep within enemy territory and were the eyes and ears of the units they served This is their story of perseverance under extreme hardship and uncommon bravery and how they carried out the war s most hazardous missions **LRRP Team Leader** John Burford,2011-01-12 For the LRRPs courage was a way of life Vietnam 1968 All of Sergeant John Burford s missions with F Company 58th Infantry were deep in hostile territory As leader of a six man LRRP team he found the enemy staged ambushes called in precision strikes and rescued downed pilots The lives of the entire team depended on his leadership and their combined skill and guts A single mistake a moment of panic could mean death for everyone Whether describing ambushes in the dreaded A Shau Valley or popping smoke to call in artillery only yards away from his position Burford demonstrates the stuff the LRRPs are made of the bravery daring and sheer guts that make the LRRPs true heroes **Six Silent Men...Book Three** Gary Linderer,2009-02-04 The Eyes and Ears of the Screaming Eagles By 1969 the NVA had grown more experienced at countering the tactics of the long range patrols and SIX SILENT MEN Book Three describes some of the fiercest fighting Lurps saw during the war Based on his own experience and extensive interviews with other combat vets of the 101st s Lurp companies Gary Linderer writes this final heroic chapter in the seven bloody years that Lurps served God and country in Vietnam These tough young warriors grossly outnumbered and deep in enemy territory fought with the guts tenacity and courage that have made them legends in the 101st *Diary of an Airborne Ranger* Frank Johnson,2001-02-27 Perhaps the most accurate story of LRRPs at war ever to appear in print When Frank Johnson arrived in Vietnam in 1969 he was nineteen a young soldier untested in combat like thousands of others but with two important differences Johnson volunteered for the elite L Company Rangers of the 101st Airborne Division a long range reconnaissance patrol LRRP unit and he kept a secret diary a practice forbidden by the military to protect the security of LRRP operations Now more than three decades later

those hastily written pages offer a rare look at the daily operations of one of the most courageous units that waged war in Vietnam Johnson served in I Corps in northern Vietnam where combat was furious and the events he recounts emerge stark and compelling walking point in the A Shau Valley braving enemy fire to rescue a downed comrade surviving days and nights of relentless tension that suddenly exploded in the blinding fury of an NVA attack Undimmed and unclouded by the passing of years Johnson's account is unique in the annals of Vietnam literature Moreover it is a timeless testimony to the sacrifice and heroism of the LRRPs who dared to risk it all

Phantom Warriors Gary Linderer, 2008-12-10 Here are some of the most courageous missions executed by six man teams on their own deep behind enemy lines Ranging from the Central Highlands to the Mekong Delta to excursions authorized and unauthorized into Cambodia these gripping accounts begin when the call first went out for covert U S long range reconnaissance patrols in late 1965 continue through the battles of Tet and go all the way up to the final tortured pullout These are LRRP LRP and Ranger units at their finest under the most desperate circumstances one team surrounded by the enemy with no choice but to break out of the trap or die another caught in an ambush of horrific proportions When recon missions suddenly became contact missions when grenades started flying and AK 47s were smoking each man's life was instantly on the line and only his skills and the grit of his teammates could prevent certain death These highly trained warriors were among the best America had to offer and they gave their best no matter how high the price

Six Silent Men, Book Two Kenn Miller, 1997-03-30 In the summer of 1967 the good old days were ending for the hard core 1st Brigade LRRPs of the 101st Airborne Division perhaps the finest maneuver element of its size in the history of the United States Army It was a bitter pill After working on their own in Vietnam for more than two years the Brigade LRRPs were ordered to join forces with the division once again But even as these formidable hunters and killers were themselves swallowed up by the Screaming Eagles Division LRP to eventually become F Co 58th Infantry they continued the deadly daring LRRP tradition From saturation patrols along the Laotian border to near suicide missions and compromised positions in the always dangerous A Shau valley the F 58th unflinchingly faced death every day and became one of the most highly decorated companies in the history of the 101st

Rangers at War Shelby L. Stanton, 2011-07-06 Shelby Stanton has emerged as the leading military historian on the war in Southeast Asia COL CHARLES B MacDONALD Author of COMPANY COMMANDER and A TIME FOR TRUMPETS One of the toughest and most challenging jobs in Vietnam was to be a U S Army Ranger running Long Range Reconnaissance Patrols The LRRPs took volunteers only and training was designed to weed out all but the best What emerged was an elite outfit of warriors in the finest sense of the word Now Shelby Stanton renowned military authority on the war in Southeast Asia presents the first and only definitive history of the LRRPs and the U S Army Rangers in Vietnam They're all here the Screaming Eagle Patrollers Cochise Raiders Charlie Rangers Cobra Lightning Patrollers and more

Charlie Rangers at War Darrel Gibson, 2018-04-13 Charlie Co Rangers have a proud tradition of combat excellence dating back to WW II and earlier in WW I as one company in the U S Army's 1 16

Infantry Regiment 1st Infantry Div In Vietnam the Charlie Rangers fought well in jungles rubber plantations and rice paddies against a very aggressive and determined Communist army which included local Viet Cong forces as well as large numbers of North Vietnamese Army units flowing into South Vietnam from the North 1968 1969 saw some of the fiercest fighting and produced the highest American casualty totals of any two year period in the 10 year Vietnam conflict This book is based primarily upon the hand written journal kept by one Charlie Ranger infantry soldier who served in this front line combat unit during June 1968 to June 1969 All names events dates and other information recorded here are authentic as remembered and recorded by the author and other Charlie Rangers who witnessed and participated in these events In an effort to keep it real no attempt has been made to glamorize or create heroes or villains of the participants Rather every effort has been made to include the bad as well as the good and to just record what happened and what actions were taken Of course there is a bias from the American point of view At this early stage in the war most American soldiers still held to the rightness of our efforts to stand against unwanted aggression from a very corrupt and brutal totalitarian system in the North The South Vietnamese clearly wanted to be free and choose their own government through democratic institutions In fact more than a million North Vietnamese had fled South before the conflict to escape the dictatorship that enslaved their relatives in the North By comparison there was a modest trickle of groups or individuals that moved from South to North during this period Unfortunately for the freedom seeking people of Vietnam every elected government in the South turned out to be nearly as corrupt as their counterparts in the North This made it increasingly difficult for the South Vietnamese military and their allies including the US to make ever greater sacrifices for their leaders This book does not deal with the political issues but focuses on the day to day operations and happenings experienced by the Charlie Rangers in Vietnam From helicopter assaults to operations with tanks and armored vehicles to tunnel warfare to cutting through thick jungle vegetation to night ambush patrols to attacks on well fortified enemy bunker systems to monsoon rain storms and flooded rice paddies to Riverine operations in the Mekong Delta with the US Navy the Charlie Rangers had to adapt and cope with a broad range of combat conditions to find and defeat the enemy Our goal in writing this book is to communicate and document to our families and loved ones what we experienced in Vietnam as Charlie Rangers **The Ghosts of the Highlands** Gregg P. J.

Jorgenson, 1999 ETCHED IN THE BLOOD OF WAR The Viet Cong and NVA ruled in the dense dark mountain ranges and jungles of the Central Highlands The job of Hotel Company the 1st Cav s LRRP teams was to steal into the enemy s backyard gather intelligence stage ambushes and when necessary engage in fierce firefights and live to fight another day Written by a Hotel Company veteran THE GHOSTS OF THE HIGHLANDS is based on accounts and recollections of LRRPs who helped form the 1st Air Cavalry Division s Long Range Reconnaissance Patrol Detachment small units of specially trained soldiers charged with carrying out the army s most dangerous and deadly reconnaissance missions This stark history of sacrifice determination and courage gives powerful testimony to why the 1st Cav s LRRP company became the most decorated Ranger

Linderer,2000 Phantom Warriors: Book 2 Gary Linderer,2001-04-03 MORE GRIPPING NO HOLDS BARRED LRRP ACCOUNTS FROM THE FRONT LINES During the Vietnam War few combat operations were more dangerous than LRRP Ranger missions Vastly outnumbered the patrols faced overwhelming odds as they fought to carry out their missions from gathering intelligence acting as hunter killer teams or engaging in infamous Parakeet flights actions in which teams were dropped into enemy areas and expected to develop the situation PHANTOM WARRIORS II presents heart pounding edge of your seat stories from individuals and teams These elite warriors relive sudden deadly firefights prolonged gun battles with large enemy forces desperate attempts to help fallen comrades and the sheer hell of bloody no quarter combat The LRRP accounts here are a testament to the courage guts daring and sacrifice of the men who willingly faced
