Mans Future In Space:

Future Aeronautics and Space Opportunities United States. National Aeronautics and Space Administration,1974

The History of Man's Future Daniel Ontengco Jr.,2008-03-27 There was once a man who wanted to be more than he was Even though the man had a heartbroken soul he hoped that one day he would again have a chance to prove himself In time the man got his chance when alien invaders attacked his homeland Earth In response he went on an epic journey through space and his own mind and eventually discovered the secret to the origins of mankind With his newfound knowledge and powers the man learned that the meaning of life is to be as selfless as possible In his quest to save the world he was forced to overcome great hardships Eventually this man of the future became a true hero Adversity did not build his character it revealed it This is his story
