## **Mitterrand Israel Les Juifs:**

Mitterrand, Israël et les juifs Yves Azéroual, Yves Derai, 1989-12-31 T23:00:00+01:00 Ce livre répond aux questions que se sont posés tous ceux que l'attitude de François Mitterrand à l'égard d'Israël et au-delà de la communauté juive a pu déranger. Rompant avec d'anciennes prudences il inaugure le premier voyage officiel d'un président de la République en Israël en mars 1982 Neuf mois après avoir condamné violemment le raid israélien sur la centrale nucléaire irakienne de Tammuz Doss son arrivée au pouvoir il annule l'avis Barre qui encourageait le commerce avec les pays arabes mais sauve quelques années plus tard l'OLP dont les troupes étaient acculées dans le réduit libanais Les auteurs analysent aussi le rapport de forces les rivalités et les tensions qui divisent parfois les institutions de la communauté juive et le poids des hommes qui l'ont dirigée depuis deux décennies Une enquête qui dérangera peut-être par sa liberté de ton Mais voilà un livre qui nous dévoile en tout cas des aspects inattendus de la personnalité de François Mitterrand et clarifie les relations la fois privilégiées et conflictuelles qu'il entretient avec la communauté juive *Sarkozy, le monde juif et Israël* Freddy Eytan, 2009 L'ancien ambassadeur d'Israël analyse les relations entre la France et Israël depuis 2007 et les relations de Nicolas Sarkozy avec Israël et la communauté juive Memento

Israel and Europe Howard M. Sachar, 2010-03-24 A remarkable feat clear compelling and accessible Critical background for any appreciation of the Jewish state The New York Times Book Review With his characteristic grace and lucidity Howard M Sachar renowned author of thirteen earlier books on Middle Eastern and Jewish history brings to life the complex and dramatic story of the friendships and fallings out between Israel and the various European powers over the last half century Dr Sachar chronicles the always uneasy relationship between Israel and Great Britain its early love affair and nasty break up with France the shifting Soviet policies toward Israel and the unlikely emergence of Germany as the new nation's chief European benefactor A master of historical narrative Sachar once again enlightens us with fine scholarship insightful analysis and an unerring knowledge of human and national motivations Global Neighborhoods Michel S. Laguerre, 2008-09-02 Global Neighborhoods analyzes the organization of everyday life and the social integration of contemporary Jewish neighborhoods in Paris London and Berlin Concentrating on the post Holocaust era Michel S Laguerre explains how each urban diasporic site has followed a different path of development influenced by the local milieu in which it is incorporated He also considers how technology has enabled extraterritorial relations with Israel and other diasporic enclaves inside and outside the hostland Shifting the frame of reference from assimilation theory to globalization theory and the information technology revolution Laguerre argues that Jewish neighborhoods are not simply transnational social formations but are fundamentally transglobal entities Connected to multiple overseas diasporic sites their interactions reach beyond their homelands and they develop the logic of their social interactions inside this larger network of relationships As with all transglobal communities there is constant movement of people goods communications ideas images and capital that sustains and adds vibrancy to everyday life Since all are connected through the network Laguerre contends that the variable

shape of the local is affected by and affects the global

A Lethal Obsession Robert S. Wistrich, 2010-01-05 In this unprecedented work two decades in the making leading historian Robert S Wistrich examines the long and ugly history of anti-Semitism from the first recorded pogrom in 38 BCE to its shocking and widespread resurgence in the present day As no other book has done before it A Lethal Obsession reveals the causes behind this shameful and persistent form of hatred and offers a sobering look at how it may shake and reshape the world in years to come Here are the fascinating and long forgotten roots of the Jewish difference the violence that greeted the Jewish Diaspora in first century Alexandria Wistrich suggests that the idea of a formless God who passed down a universal moral law to a chosen few deeply disconcerted the pagan world The early leaders of Christianity increased their strength by painting these superior Jews as a cosmic and satanic evil and by the time of the Crusades murdering a Christ killer had become an act of conscience Moving seamlessly through centuries of war and dissidence A Lethal Obsession powerfully portrays the creation of the Protocols of the Elders of Zion the fateful anti-Semitic tract commissioned by Russia's tsarist secret police at the end of the nineteenth century and the prediction by Theodor Herzl Austrian founder of political Zionism of eventual disaster for the Jews in Europe The twentieth century fulfilled this dark prophecy with the horrifying ascent of Hitler's Third Reich Yet as Wistrich disturbingly suggests the end of World War II failed to neutralize the Judeophobic virus Pogroms and prejudice continued in Soviet controlled territories and in the Arab Muslim world that would fan flames for new decades of distrust malice and violence Here in pointed and devastating detail is our own world one in which jihadi terrorists and the radical left blame Israel for all global ills In his concluding chapters Wistrich warns of a possible nuclear Final Solution at the hands of Iran a land in which a formerly prosperous Jewish community has declined in both fortunes and freedoms Dazzling in scope and erudition A Lethal Obsession is a riveting masterwork of investigative nonfiction the definitive work on this unsettling yet essential subject It is destined to become an indispensable source for any student of world affairs

**A-t-on le droit de défendre Israël** Yves Azeroual, 2004-10-06 Saviez-vous qu'il y a depuis la création de l'Etat hébreu davantage de réfugiés juifs contraints de quitter les pays arabes que de Palestiniens partis de chez eux Que l'idée d'un Etat juif est bien antérieure à la Shoah Que Jérusalem n'est pas citée dans le Coran comme une ville sainte Que le grand mufti de Jérusalem avait avant guerre fait alliance avec Hitler en vue d'éliminer leur ennemi commun Qu'il existe des murs de protection dans d'autres pays y compris démocratiques comme aux Etats-Unis en Irlande ou en Hollande Qu'Arafat apparut dans le classement Forbes des fortunes mondiales au sixième rang dans la catégorie rois, reines et dictateurs Que l'arabe est la deuxième langue officielle en Israël Que les Palestiniens n'ont pendant très longtemps jamais réclamé l'Etat tant leur espoir était la disparition d'Israël Que les massacres de Sabra et Chatila furent commis par des phalangistes libanais chrétiens L'auteur sur la base d'une enquête rigoureuse et du rappel des seuls faits historiques dénonce les contrevérités que colportent trop souvent la presse et la diplomatie sur le conflit israélo-palestinien Dans le concert d'impressions qui condamne le régime de Sharon et parfois l'Etat d'Israël en tant que tel ce livre

tente de faire entendre la voix de la raison      La défense des intérêts de l'état d'Israël en France Marc Hecker, 2005 Qui sont les défenseurs des intérêts de l'Etat d'Israël en France Quelles sont leurs motivations Comment agissent ils Est il vraiment pertinent de parler de lobby pro israélien Telles sont quelques unes des questions auxquelles ce livre entend répondre Marc Hecker analyse méthodiquement la politique étrangère de la France au Proche Orient depuis la création de l'Etat d'Israël plaçant ainsi le lobbying pro israélien dans une perspective historique Puis il adopte une analyse sociologique afin d'étudier les pratiques actuelles des défenseurs des intérêts d'Israël en France      **Le Talmud et la République** Frank Eskenazi, Edouard Waintrop, 2014-04-01 Cette grande inconnue la communauté juive en France est elle menacée d'implosion Quel rapport peut il y avoir entre ses institutions représentatives telles que le Consistoire le Crif le FSJU hésitant entre l'orthodoxie et la liberté d'expression Les autorités communautaires ont elles le droit de critiquer Israël Si la pratique religieuse concerne 15% d'observants en France est il raisonnable de dénoncer la montée du fanatisme Autant de questions posées par Frank Eskenazi et Edouard Waintrop leur manière pertinente et documentée      **La gauche française et la question palestinienne, de 1948 à 1982** Fredj Maatoug, 1998      *La Ve République et le monde arabe* Ignace Dalle, 2014-10-29 En 1958 quand de Gaulle revient aux affaires la France n'a plus de politique arabe La guerre d'Algérie l'expédition de Suez et la livraison d'Israël de sa technologie nucléaire ont réduit leur plus simple expression ses relations sociales avec le monde arabe Le Général a raté les liens en restaurant la paix en Algérie et en offrant une troisième voie entre le soutien inconditionnel de Washington Israël et l'appui de Moscou aux régimes socialisants Mais c'est l'initiative de Georges Pompidou que l'Europe des Neuf vote pour la première fois en 1973 les droits légitimes des Palestiniens Si par la suite Paris a pu parfois faire entendre sa voix en ce domaine c'est grâce de minents ministres comme Michel Jobert Claude Cheysson Hubert Vdrine ou Alain Juppé Cependant la France pas plus que l'Europe n'a guère pesé dans le règlement du contentieux israélo-arabe encore moins depuis le ralliement de Nicolas Sarkozy sur Washington Est ce cette impuissance qui l'a conduite se montrer trop souvent aussi affairiste et indifférente au respect des droits humains que ses partenaires dans ses relations avec les dictateurs Il est vrai que la donne a changé avec l'apparition de l'islamisme radical les menaces qu'il fait peser et par ailleurs avec la difficile intégration d'une immigration maghrébine dans un contexte de crise économique et de réflexes sécuritaires La France a peut être encore un rôle à jouer des idées d'effendre mais lesquelles Ignace Dalle journaliste fut chargé des questions arabes à l'AFP en poste Beyrouth Amman puis au Caire et enfin Rabat Il est l'auteur chez Fayard des Trois Rois la monarchie marocaine de l'indépendance nos jours 2004 et de Hassan II entre tradition et absolutisme 2011 Il a collaboré galement au Monde diplomatique et au site Bakchich

As recognized, adventure as well as experience roughly lesson, amusement, as with ease as pact can be gotten by just checking out a book **Miterrand Israel Les Juifs** as well as it is not directly done, you could consent even more not far off from this life, as regards the world.
