

Did the Minister propose to introduce the unknown book of bongo laws when, prior to its invasion by Irish reaction and Swedish imperialism, had been a remarkably bongoless province?

I tell you, Mike, Christopher had revised his policy even before DeLauriers had set down. With the sort of pointed warning that bongs mean to a public relations man's eye, he declared: "The Government will never let an solemn obligation under the United Nations Charter stand in the way of its conscientious refusal to aid and abet the degeneration of bongs into bongs, nor its corresponding adherence to a policy of finally reviewing the reconsideration of its reconsidered decision to

the light of the latest information available from informed bongoholders."

Oh, he was magnificent (said Mr. Sincerely). His policy was vibrating like a well-tuned G-string. When Simon Steenwonder (Conservative, Birmingham) rose to ask why on earth the U.N. wanted bongs now in the first place, when they were supposed to have no money to play with, Christopher took the House into his confidence and said that frankly he had been deeply suspicious of the whole idea from the beginning, and had always personally favoured the idea of bongs as being more suitable for the Congo. Frankly, Mike, he made his critics look like bongoing fools.

Michael Frayn

BEST FROM THE WEST

Mike, old boy (said Rollo Sincerely, the well-known public relations specialist), you gave us quite a nice little spread over that bongo debate, and frankly I should like to do something for you in return. Have you ordered, by the way? They do an awfully good tomatoe here, you know.

The point is, Mike, I've got a story that's rather up your street. I'll be putting it out to everyone to-morrow, but I thought you might like to have it today—for old times' sake, and strictly off the record, of course. You remember I lent the personal account for Christopher Trenchard, the Minister of Clavier and Spoc? Well, he's going over to Berlin next Friday to visit the Wall.

Oh no, old boy, he's not the last—I don't think the Minister of Ag and Puh has gone yet. Anyway, here's his programme:

When the Bullets Stop: A Call for Peace is a raw emotional and unflinching journey into America's gun violence epidemic told through the eyes of a survivor who has lived through it. Author Allen DeKeyser was shot in the face by police and has faced multiple violent encounters. He turns those scars into strength in this powerful call to action that blends truth telling, community insight, healing, and hope. Through fifteen hard-hitting chapters, readers are guided through the human cost of a bullet, the silence that enables violence, and the real solutions that can lead to lasting change. This extended edition includes survivor stories, faith-based reflections, healing strategies, and calls for unity that challenge readers to speak up, act boldly, and believe that peace is possible. Whether you're a victim, a leader, a teacher, a parent, or someone who just wants to help, this book is for you. Because the story isn't over when the bullets stop. **The Listener**, 1955. **National Union Catalog**, 1966. Includes entries for maps and atlases. **The National Union Catalog**, 1961. **Who was who**, 1972. **Pathways to Peace** Christine Spencer, 2011-12-23. Pathways To Peace entices the reader into the magnificent splendor of the higher dimensions and explores many facets of life after death. It weaves around a diversity of inspiring personal experiences of those who have clinically died and returned to tell their remarkable stories. It describes in detail what happens when we die and dispels all fears of death and dying. It is designed to illustrate that we are all eternal, glorious Divine beings that can choose to embrace the transition into another dimension when we pass over and reunite with Source, The Light, to be enveloped and caressed by a depth of unconditional love that defies human description. It shows that we are never judged; we are all from the same original Source and as such are all interconnected. The book reveals many examples of After Death Communication and offers insights derived from some of Christine's own personal experiences as to why she believes there are no accidents. Pathways To Peace also provides practical support, insights, and encouragement for those coping with loss. *Advocate of Peace Through Justice*, 1924.
