English Fairy Tales Flora Annie Webster Steel,2020-09-28 In the darksome depths of a thick forest lived Kalyb the fell enchantress Terrible were her deeds and few there were who had the hardihood to sound the brazen trumpet which hung over the iron gate that barred the way to the Abode of Witchcraft Terrible were the deeds of Kalyb but above all things she delighted in carrying off innocent new born babes and putting them to death And this doubtless she meant to be the fate of the infant son of the Earl of Coventry who long long years ago was

Lord High Steward of England Certain it is that the babe s father being absent and his mother dying at his birth the wicked Kalyb with spells and charms managed to steal the child from his careless nurses But the babe was marked from the first for doughty deeds for on his breast was pictured the living image of a dragon on his right hand was a blood red cross and on his left leg showed the golden garter And these signs so affected Kalyb the fell enchantress that she stayed her hand and the child growing daily in beauty and stature he became to her as the apple of her eye Now when twice seven years had passed the boy began to thirst for honourable adventures though the wicked enchantress wished to keep him as her own But he seeking glory utterly disdained so wicked a creature thus she sought to bribe him And one day taking him by the hand she led him to a brazen castle and showed him six brave knights prisoners therein Then said she Lo These be the six champions of Christendom Thou shalt be the seventh and thy name shall be St George of Merrie England if thou wilt stay with me 50
