Poor Jenny Bright As A Penny:

Poor Jenny, Bright as a Penny Shirley Rousseau Murphy, 1974 Fifteen year old Jenny struggles to hold together her impoverished family despite drugs drunkenness a jail sentence and death **Reading Lyrics** Robert Gottlieb, Robert Kimball, 2000-11-21 A comprehensive anthology bringing together more than one thousand of the best American and English song lyrics of the twentieth century an extraordinary celebration of a unique art form and an indispensable reference work and history that celebrates one of the twentieth century's most enduring and cherished legacies Reading Lyrics begins with the first masters of the colloquial phrase including George M Cohan Give My Regards to Broadway P G Wodehouse Till the Clouds Roll By and Irving Berlin whose versatility and career span the period from Alexander's Ragtime Band to Annie Get Your Gun and beyond The Broadway musical emerges as a distinct dramatic form in the 1920s and 1930s its evolution propelled by a trio of lyricists Cole Porter Ira Gershwin and Lorenz Hart whose explorations of the psychological and emotional nuances of falling in and out of love have lost none of their wit and sophistication Their songs including Night and Day The Man I Love and Bewitched Bothered and Bewildered have become standards performed and recorded by generation after generation of singers The lure of Broadway and Hollywood and the performing genius of such artists as Al Jolson Fred Astaire Ethel Waters Judy Garland Frank Sinatra and Ethel Merman inspired a remarkable array of talented writers including Dorothy Fields A Fine Romance I Can't Give You Anything but Love Frank Loesser Guys and Dolls Oscar Hammerstein II from the groundbreaking Show Boat of 1927 through his extraordinary collaboration with Richard Rodgers Johnny Mercer Yip Harburg Andy Razaf Noël Coward and Stephen Sondheim Reading Lyrics also celebrates the work of dozens of superb craftsmen whose songs remain known but who today are themselves less known writers like Haven Gillespie whose Santa Claus Is Coming to Town may be the most widely recorded song of its era Herman Hupfeld not only the composer lyricist of As Time Goes By but also of Are You Makin' Any Money and When Yuba Plays the Rumba on the Tuba the great light versifier Ogden Nash Speak Low I'm a Stranger Here Myself and yes The Sea Gull and the Sea Gull Don Raye Boogie Woogie Bugle Boy Mister Five by Five and of course Milkman Keep Those Bottles Quiet Bobby Troup Route 66 Billy Strayhorn not only for the omnipresent Lush Life but for Something to Live For and A Lonely Coed Peggy Lee not only a superb singer but also an original and appealing lyricist and the unique Dave Frishberg I'm Hip Peel Me a Grape Van Lingo Mungo The lyricists are presented chronologically each introduced by a succinct biography and the incisive commentary of Robert Gottlieb and Robert Kimball Untwisting the Serpent Daniel Albright, 2000 Modernist art often seems to give more frustration than pleasure to its audience Daniel Albright shows that this perception arises partly because we usually consider each art form in isolation rather than collaboration **Lady in the Dark** Bruce D. McClung, 2009-02-16 When Lady in the Dark opened on January 23 1941 its many firsts immediately distinguished it as a new and unusual work The curious directive to playwright Moss Hart to complete a play about psychoanalysis came from his own Freudian psychiatrist For the first time since his

brother George's death Ira Gershwin returned to writing lyrics for the theater And for migr composer Kurt Weill it was a crack at an opulent first class production Together Hart Gershwin and Weill with a little help from the psychiatrist produced one of the most innovative works in Broadway history With a company of 101 and an astronomical budget Lady in the Dark launched the career of a young nightclub performer named Danny Kaye and starred Gertrude Lawrence in the greatest triumph of her career With standees at many performances Lady in the Dark helped establish the practice of advance ticket sales on the Great White Way while Paramount Pictures bid for the film rights broke all records New York Times drama critic Brooks Atkinson hailed the production as splendid anointed Kurt Weill the best writer of theatre music in the country and worshiped Gertrude Lawrence as a goddess Though Lady in the Dark was a smash hit it has never enjoyed a Broadway revival and a certain mystique has grown up around its legendary original production In this ground breaking biography Bruce McClung pieces together the musical's life story from sketches and drafts production scripts correspondence photographs costume and set designs and thousands of clippings from the star's personal scrapbooks He has interviewed eleven members of the original company to provide a one of a kind glimpse into the backstage story The result is a virtual ticket to opening night the saga of how this musical play came to be and the string of events that saved the experimental show at every turn Although America was turned upside down by Pearl Harbor after the production was on the boards Lady in the Dark played an important role for the war effort and rang up 777 performances in 12 cities In what may be the most illuminating study of a single Broadway musical this biography brings Lady in the Dark back to the spotlight and puts readers in the front row

Nobody's Fool Martin Gottfried,2002-06-07 Gottfried s capably researched and recounted biography offers a none too flattering glimpse into Kaye s well guarded personal life including his egotism cruelty his strained marriage and his flirtations and affairs His career is treated in detail from his obvious early talent to the creation of his acting personae and his sad professional and personal decline before his death in 1987 Lacks a bibliography Annotation copyright by Book News Inc Portland OR *Lyrics on Several Occasions* Ira Gershwin,1997 One of the most distinguished lyric writers of his time Ira Gershwin wrote for his brother George as well as Jerome Kern Kurt Weill Harold Arlen and others Limelight presents a selection of stage and screen lyrics written for sundry situations and now arranged in arbitrary categories to which have been added many informative annotations and disquisitions on their why and wherefore their whom for their how and matters associative Gershwin s comments witty and irreverent and his anecdotes about the making of many favorites are invariably interesting and frequently surprising Chicago Tribune **AQA AS Music Revision Guide** Richard Bristow,Richard Knight,2017-08-22 AQA AS Music Revision Guide outlines the information you need to know for the written exam Appraising music for your AS Level Music This is for exams first teaching 2016 onwards It includes The key terms elements of music and stylistic features you are expected to know for each Area of Study Notes on the set works for AoS1 Western Classical music 1650 1910 Advice and practice questions to work through during your revision time Answers to help you check your work A glossary of the technical terms you need to know **Ira Gershwin: A Life in Words** Michael Owen,2024-11-26 The man behind some of the most memorable lyrics in the Great American Songbook steps from behind his brother s shadow The first lyricist to win the Pulitzer Prize Ira Gershwin 1896 1983 has been hailed as one of the masters of the Great American Songbook a period which covers songs written largely for Broadway and Hollywood from the 1920s to the 1950s Now in the first full length biography devoted to his life Michael Owen brings Ira out at last from the long shadow cast by his younger and more famous brother George Drawing on extensive archival sources and often using Ira s own words Owen has crafted a rich portrait of the modest man who penned the words to many of America s best loved songs like Fascinating Rhythm Embraceable You and They Can t Take That Away from Me These fruits of Ira s lyric genius sprang from the simplest of seeds a hand drawn weekly created for a cousin an amateur newspaper co written with friend and future lyricist Yip Harburg columns in the school papers at Townsend Harris High School and later City College of New York The details of his early

literary efforts demonstrate both his developing ambition and the early signs of his talent But while the road to becoming a successful lyricist was neither short nor smooth it did lead Ira to the greatest creative partnership of his life George and Ira Gershwin collaborated on a string of hit Broadway shows in the 1920s and 1930s that resulted in popular and financial success and spawned a long string of songs that have become classics Owen offers fascinating glimpses of their creative process drawing on Ira s diaries and other contemporary sources as well as the close relationship between the two brothers Hollywood soon beckons and the brothers head west to California to work in the movie business Greater fame and fortune seem right around the corner George Gershwin died in a Los Angeles hospital in July 1937 He was only 38 years old His death marked a stark dividing line in Ira s life and from that point on much of his time and energy was devoted to the management of his brother s estate and the care of his legacy Accustomed to living in his brother s shadow it now threatened to overwhelm him He worked to balance all the administrative tasks with a new series of collaborations with composers like Kurt Weill Jerome Kern Harry Warren and Harold Arlen Ira s last Broadway work was in 1946 and several films and a book project a collection of his lyrics with the stories behind them occupied his later years along with the ongoing management of George s affairs Ira Gershwin s work with George left an enduring mark on American culture as recognized by the Library of Congress in 2007 when it established the Gershwin Prize for Popular Song which has been awarded to artists like Paul Simon Carole King Tony Bennett Paul McCartney and Elton John In *Ira Gershwin A Life in Words* Michael Owen brings the publicity shy lyricist into the spotlight he deserves
