Rosenberg,2014 The Truth at the Heart of the Lie James Carroll,2021-03-23 Courageous and inspiring Karen Armstrong author of The Case for God James Carroll takes us to the heart of one of the great crises of our times Stephen Greenblatt author of The Swerve An eloquent memoir by a former priest and National Book Award winning writer who traces the roots of the Catholic sexual abuse scandal back to the power structure of the Church itself as he explores his own crisis of faith and journey to renewal NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY James Carroll weaves together the story of his quest to understand his personal beliefs and his relationship to the Catholic Church with the history of the Church itself From his first awakening of faith as a boy to his gradual disillusionment as a Catholic Carroll offers a razor sharp examination both of himself and of how the Church became an institution that places power and dominance over people through an all male clergy Carroll argues that a male supremacist clericalism is both the root cause and the ongoing enabler of the sexual abuse crisis The power structure of clericalism poses an existential threat to the Church and compromises the ability of even a progressive pope like Pope Francis to advance change in an institution accountable only to itself Carroll traces this dilemma back to the Roman Empire and the Middle Ages when Scripture Jesus Christ and His teachings were reinterpreted as the Church became an empire In a deeply personal re examination of self Carroll grapples with his own feelings of being chosen his experiences as a priest and the moments of doubt that made him leave the priesthood and embark on a long personal journey toward renewal including his tenure as an op ed columnist at The Boston Globe writing about sexual abuse in the Church Ultimately Carroll calls on the Church and all reform minded Catholics to revive the culture from within by embracing anti clerical anti misogynist resistance and staying grounded in the spirit of love that is the essential truth at the heart of Christian belief and Christian life

Stinissen,2019-01-21 Can time be our friend At first glance the question seems ridiculous because the apparent scarcity of time is a constant source of stress in our busy lives There are not enough hours in the day we say as we collapse late at night Deep down we know that we cannot go on like this Father Stinissen's book dares us to see time with new eyes The insight that eternity is written in the depths of our hearts helps us to live in time in a way that leads us deeper into God's joy We are like children in a land of fairy tales where everything is exciting and exploration never ends We therefore should rejoice that everything around us is great and mysterious and that we can live in eternal wonder His intention is not to explain what time is and thus take away its mystery Instead his aim is to show us how to see time from different perspectives and to discover how rich and multifaceted it is Above all he demonstrates how we can make use of the tremendous possibilities that time offers to us      Earthly Mission Robert Calderisi,2013-10-08 With 1.2 billion members the Catholic Church is the world's

largest organization and perhaps its most controversial The Church's obstinacy on matters like clerical celibacy the role of women birth control and the child abuse scandal has alienated many Catholics especially in the West Yet in Africa Asia and Latin America the Church is highly esteemed for its support of education health and social justice In this deeply informed book Robert Calderisi unravels the paradoxes of the Catholic Church's role in the developing world over the past 60 years Has the Catholic Church on balance been a force for good Calderisi weighs the Church's various missteps and poor decisions against its positive contributions looking back as far as the Spanish Conquest in Latin America and the arrival of missionaries in Africa and Asia He also looks forward highlighting difficult issues that threaten to disrupt the Church's future social role The author's answer to the question he poses will fascinate Catholic and non Catholic readers alike providing a wealth of insights into international affairs development economics humanitarian concerns history and theology      **Religious**
