## **Pope Pourri What You Dont Remember From Catholic School:**

*Pope-Pourri: What You Don't Remember From Catholic School* John Dollison,1994-10 How many Catholics know that a priest invented the fax machine or that monks were the first to make coffee champagne and pretzels How many know why St Elmo is portrayed in art with his intestines hanging out or why St Maximus is often shown commanding a bear to carry his luggage Probably none The Catholic Church is all too eager to tell us about the Ten Commandments the Resurrection and the glories of St Peter s Basilica but how often do you hear about items like Pope on a Rope soap or the Let Us Spray lawn sprinkler shaped like Pope John Paul II the sprinkler squirts water out of his outstretched arms as it spins It s all here in Pope Pourri an unprecedented collection of entertaining anecdotes trivia and intriguing information that the Catholic Church never told you about and in many cases doesn t want you to know about Such as the bizarre story of the Cadaver Synod when Pope Stephen VI dug up the rotting corpse of his predecessor Pope Formosus I dressed it in papal robes and put it on trial for aspiring to the papacy and other crimes Other unusual footnotes to Catholic history include the Cataphrygians an early separatist movement whose members prayed with their index and middle fingers inserted into their noses Pope Pourri celebrates the wealth of amusing trivia the Church has produced during its 2 000 year history from oddball saints to the Vatican s censorious movie reviews from strange Virgin Mary sightings to embarrassing secret scandals presented for the first time in one fascinating volume that practicing Catholics lapsed Catholics and the merely curious will all enjoy Subject Guide to Books in Print ,1971 *Harper's Weekly* John Bonner,George William Curtis,Henry Mills Alden,Samuel Stillman Conant,Montgomery Schuyler,John Foord,Richard Harding Davis,Carl Schurz,Henry Loomis Nelson,John Kendrick Bangs,George Brinton McClellan Harvey,Norman Hapgood,1877 **Pope-pourri** John Dollison,1994 **Pope Francis** Beatrice Gormley,2017-09-26 Bea Gormley tells the story of Pope Francis known as the People s Pope who has humbly said My people are poor and I am one of them Ordained as Pope on March 13 2013 Pope Francis became the 266th Pope of the Roman Catholic Church Known worldwide for his great humility and approachability he is the first citizen from the Americas the first non European and first Jesuit priest to be named Pope Gormley explores the pontif s early years growing up as the eldest of five children of Italian immigrants in Argentina working as a chemical technician before venturing in the priesthood as a Jesuit novice He went from Bishop to Archbishop to Cardinal and gained a reputation for personal humility doctrinal conservatism and a commitment to social justice which stands to this day Named Person of the Year by Time magazine in December 2013 Pope Francis remains outspoken in support of the world s poor and marginalized people and he has been involved actively in areas of political diplomacy and environmental advocacy **A Letter to Pope Francis** Roméo Gauvreau,2016-01-04 In this book the author shares his honest and personal opinions concerning certain attitudes and doctrines of the Catholic religion His goal in writing this book is not to try to instruct or indoctrinate you Rather he wishes to present you with a menu of theories reflections and facts he has observed as an ex Catholic one who is a staunch believer in

the 2600 year old Golden Rule Do unto others as you would have them do unto you Somehow the Catholic Church has betrayed that rule and finds herself in deep trouble The criminal conduct of tens of thousands of priests and the Vatican s cover up of their actions has become one of the world s biggest scandals The Vatican must now follow the United Nations directive to open up its files concerning the sexual abuse of children by priests In the last few years alone legal suits related to this abuse have amounted to billions of dollars The Church could end up monetarily bankrupt if not morally But we have a new player on the scene Pope Francis He is a nonconformist and shows signs that he is ready to face the music and do whatever it takes to save the ailing Church Will he overcome the misogynistic attitude of his Church and allow the marriage of priests and the ordination of women

Father Tom and the Pope, or, A Night in the Vatican Samuel Ferguson, 2023-09-03

Excerpt There are several questions which at this present time remain unsettled One of them is who invented gunpowder Another is which of them was it Faust or Guttemberg that invented printing Another is whether the Deity created nature or nature created itself That is a poser Another is whether the original egg was the parent of the chicken or the egg was the original ancestor of that celebrated feathered fowl De novum ovum says Xinctillios inseperatum primero cum possibilitas et credentia in meo iudicio quam supra calcis phospas qui est in the bones of the chicken In other words and to make it plain to the reader he Xinctillios cannot understand how it is possible for human comprehension to see a new laid egg without permitting in his judgment the idea of phosphate of lime existing in the osseous structure of the bones of the original hen St Bardolphus entertains a contrary opinion Anam aname mona mike says he Barcelona bona strike says he harum scarum wyfrone whack I give you the original Coptic Harrico barrico we won frac Between these two contending opinions I have nothing to say The dogmas of the Roman Catholic Church and the folatrerries of the philosophers of the high school of nature differ so widely that it is impossible for common sense to adopt either the one or the other and the Greek Church on these points has given no decided opinion Such a dilemma presents itself when we come to consider the contents of this volume Who wrote it Some say Lord Brougham and some attribute it to the Duke of Wellington who understood the Irish vernacular to a dot I have a shrewd suspicion that Maginn a high tory although a good Roman Catholic and one of the prominent contributors to Blackwood lent his helping hand to it if he were not the real author of it all Howandiver to use a phrase of the author let us look into the history of it
