Pope The Dunciad:

Pope ,1973 The Dunciad Alexander Pope,2016-10-01 Fans of literary lampoonery will delight in the no holds barred scorched earth satire that British poet Alexander Pope unleashes in his witty masterpiece The Dunciad Disgusted by the teeming waves of self proclaimed writers who emerged in search of a quick buck when the growing availability of cheaply printed books made sentimental stories popular with the public Pope took it upon himself to put these hacks in their place in an epic poem lambasting their dullness and lack of refinement **The Dunciad** Alexander Pope,1999 This is a new edition of The Dunciad in Four Books of 1743 the culmination of the series of Dunciads which Alexander Pope produced over the last decade and a half of his life It comprises not only a poem but also a mass of authorial annotation and appendices and this new edition is the only one available which gives all the verse and the prose in a clearly laid out form with a full modern commentary The Dunciad in Four Books Valerie Rumbold,2014-06-11 The Dunciad in Four Books of 1743 was the culmination of the series of Dunciads which Alexander Pope produced over the last decade and a half of his life It comprises not only a poem but also a mass of authorial annotation and appendices and this authoritative edition is the only one available which gives all the verse and the prose in a clearly laid out form with a full modern commentary Accessibly presented on the same page as Pope s text are explanatory notes written in a style adapted to the needs of undergraduate readers but still comprehensive enough to address the interests of scholars The many books and pamphlets to which Pope refers have been examined in detail and the commentary takes advantage of the fifty years scholarship on literary bibliographical cultural and political aspects of the period which has accumulated since James Sutherland s The Dunciad volume five of the Twickenham Edition A substantial introduction offers a stimulating and helpful approach to the work and the bibliography includes extensive suggestions for further reading **The Works of Alexander Pope: The Dunciad, in four books** Alexander Pope,1757 **A variorum text of Alexander Pope's "The Dunciad"**.
