Senate. Committee on Energy and Natural Resources, 2002     George Washington Birthplace National Monument, 1939, 1939 An illustrated tourist brochure published by the National Park Service that describes the history of the Pope s Creek site known as Wakefield where George Washington was born Describes both its 18th century background and its development in federal ownership as a national memorial Includes a map     **Here, George Washington Was Born** Seth C. Bruggeman, 2011-08-15 In Here George Washington Was Born Seth C Bruggeman examines the history of commemoration in the United States by focusing on the George Washington Birthplace National Monument in Virginia s Northern Neck where contests of public memory have unfolded with particular vigor for nearly eighty years Washington left the birthplace with his family at a young age and rarely returned The house burned in 1779 and would likely have passed from memory but for George Washington Parke Custis who erected a stone marker on the site in 1815 creating the first birthplace monument in America Both Virginia and the U S War Department later commemorated the site but neither matched the work of a Virginia ladies association that in 1923 resolved to build a replica of the home The National Park Service permitted construction of the replica house until a shocking archeological discovery sparked protracted battles between the two organizations over the building s appearance purpose and claims to historical authenticity Bruggeman sifts through years of correspondence superintendent logs and other park records to reconstruct delicate negotiations of power among a host of often unexpected claimants on Washington s memory By paying close attention to costumes furnishings and other material culture he reveals the centrality of race and gender in the construction of Washington s public memory and reminds us that national parks have not always welcomed all Americans What s more Bruggeman offers the story of Washington s birthplace as a cautionary tale about the perils and possibilities of public history by asking why we care about famous birthplaces at all     *George Washington Birthplace National Monument, Virginia*, 1941     George Washington's Virginia John R. Maass, 2017-04-10 George Washington slept worked and fought here A historian s guide to Virginia sites and landmarks associated with the Founding Father Born in the Tidewater region George Washington was reared near Fredericksburg and took up residence at Mount Vernon along the Potomac River As a young surveyor he worked in Virginia s backcountry He began his military career as a Virginia militia officer on the colony s frontier The majority of his widespread landholdings were there and his entrepreneurial endeavors ranged from the swamplands of the Southeast to the upper Potomac River Valley In this book historian John R Maass explores the numerous sites all over the

Commonwealth associated with Washington and demonstrates their lasting importance Includes photos and illustrations

Historical Handbook Series United States. National Park Service,1954      **White House Studies Compendium** Robert W. Watson,2007 brings together piercing analyses of the American presidency dealing with both current issues and historical events The compendia consists of the combined and rearranged issues of the journal White House Studies with the addition of a comprehensive subject index Preface      George Washington Frank E. Grizzard Jr.,2002-05-22 This encyclopedia offers an A Z retrospective of George Washington s life career and historical significance based in large part on Washington s own words and those of his contemporaries George Washington dominated his era like few other Americans Yet the complexity of the historic events he was involved in and the sheer magnitude of his correspondence the most voluminous in colonial America can be overwhelming for researchers The goal of this volume is to make the larger than life figure of George Washington accessible to modern researchers In its 200 entries readers will discover a detailed and surprising portrait Washington was not a cold aloof and unknowable man but was extremely convivial by nature a general who commanded the Continental army without pay but was a better administrator than military strategist a man of deeds whose appearance was according to one contemporary truly noble and majestic a man known to his contemporaries for his complete honesty
