Poplarism, 1919-1925 Noreen Branson, 1979 **George Lansbury** John Shepherd, 2002-09-19 The most lovable figure in modern politics was how A J P Taylor described the Christian pacifist George Lansbury At 73 he took over the helm of the Labour Party of only 46 MPs in the Depression years of the 1930s Throughout a remarkable life Lansbury remained an extraordinary politician of the people associated with a multitude of crusades for social justice He resigned from Parliament to support Votes for Women and for the next ten years edited the fiery Daily Herald In 1921 Lansbury led the Poplar Rates Rebellion when thirty Labour councillors went willingly to prison in defiance of the government the courts and their own party leadership As Labour leader Lansbury was known universally as a committed socialist an implacable opponent of capitalism and imperialism He never sought personal wealth travelled everywhere by public transport and made his home in impoverished East London His final years were spent in a tireless international peace crusade to prevent the drift towards another world war In this major new biography John Shepherd draws on an impressive range of research to reconstruct the life of a charismatic Labour pioneer He reaffirms George Lansbury s standing at the heart of Old Labour and his importance to British politics as a whole

Williams, 2020-11-12 In this book Anthony Williams investigates the history of Christian Socialist thought in Britain from the late nineteenth to mid twentieth century Through analysis of the writings of ten key Christian Socialists from the period Williams reframes the ideology of Christian Socialism as a coherent and influential body of political thought moving the study of Christian Socialism away from historical narratives and towards political ideology The book sheds new light on a key period in British political development in particular Williams demonstrates how the growth of the Christian Socialist movement exercised a profound impact on the formation of the British Labour party which would go on to radically change 20th century politics in Britain **Sing As We Go** Simon Heffer, 2023-09-21 An epic new history a work of epic scholarship breathtaking range and piercing originality Daily Express An astonishing achievement of narrative history I think the word is magisterial Spectator Excellent thorough detailed and combatively argued Sunday Times
